

TTM Technologies, Inc. Announces Upcoming Conference Participation

August 4, 2022

SANTA ANA, Calif., Aug. 04, 2022 (GLOBE NEWSWIRE) -- TTM Technologies, Inc. (NASDAQ: TTMI), a leading global manufacturer of technology solutions including engineered systems, radio frequency ("RF") components and RF microwave/microelectronic assemblies and printed circuit boards ("PCB"), today announced that members of its management team will attend the following investor conferences:

- Needham Virtual Industrial Tech, Robotics, & Clean Tech 1x1 Conference on August 8th,
- Jefferies Global Industrials Conference on August 10th at the Intercontinental Barclays Hotel in New York with a presentation at 11:30 pm Eastern Time, and
- Jefferies Semis, IT Hardware & Communication Infrastructure Summit on August 30th at the Sofitel Hotel in Chicago.

All presentations will be webcast live on the company's website, www.ttm.com, and a replay will be accessible for a limited time following the events.

About TTM

TTM Technologies, Inc. is a leading global manufacturer of technology solutions including engineered systems, RF components and RF microwave/microelectronic assemblies and quick-turn and technologically advanced PCBs. TTM stands for time-to-market, representing how TTM's time-critical, one-stop manufacturing services enable customers to shorten the time required to develop new products and bring them to market.
