

TTM Technologies, Inc. to Present at the Robertson Stephens Technology Conference on February 28

February 15, 2002

REDMOND, Wash., Feb 15, 2002 /PRNewswire-FirstCall via COMTEX/ -- TTM Technologies, Inc. (Nasdaq: TTMI), a leading manufacturer of time-critical, technologically advanced printed circuit boards, will present at the Robertson Stephens Technology Conference on Thursday, February 28, 2002, at 10 a.m. Pacific time, followed by a breakout session at 10:30. The conference is being held at The Palace Hotel in San Francisco, California.

Kent Alder, President and CEO, and Stacey Peterson, Chief Financial Officer, will discuss TTM's successful business strategy and its future growth plans.

TTM Technologies, Inc. is a leading supplier of time-critical, technologically advanced printed circuit boards to original equipment manufacturers and electronic manufacturing services companies. TTM stands for time-to-market, representing how the company's time-critical, one-stop manufacturing services enable customers to shorten the time required to develop new products and bring them to market.
