

TTM Technologies, Inc. to Present at the Fifth Annual Needham & Company Growth Conference on Tuesday, January 7, 2003

December 31, 2002

REDMOND, Wash., Dec. 30 /PRNewswire-FirstCall/ -- TTM Technologies, Inc. (Nasdaq: TTMI), will present at the Fifth Annual Needham & Company Growth Conference on January 7, 2003, at 5:00 p.m. Eastern time. The conference is being held at the New York Palace Hotel in New York City.

The presentation will be webcast and accessible for 7 days at www.ttmtech.com.

Kent Alder, President and CEO, and Stacey Peterson, CFO, will discuss TTM's recent acquisition of Honeywell's Advanced Circuits operation and strategy for the new, combined entity.

TTM Technologies, Inc. is a leading supplier of time-critical, technologically advanced printed circuit boards to original equipment manufacturers and electronics manufacturing services companies. TTM stands for time-to-market, representing how the company's time-critical, one-stop manufacturing services enable customers to shorten the time required to develop new products and bring them to market.
