

TTM Celebrated the Grand Opening of RF Center of Excellence in Stafford Springs, CT

January 26, 2017

COSTA MESA, Calif., Jan. 26, 2017 (GLOBE NEWSWIRE) -- TTM Technologies, Inc. (Nasdaq:TTMI) celebrated the grand opening of its RF (Radio Frequency) Center of Excellence in Stafford Springs, CT with government officials, TTM leaders, employees and guests participating in a ribbon cutting ceremony. This RF center of excellence in Stafford Springs specializes in RF related PCB products and aims to better support customers from the many end markets we serve, especially Aerospace & Defense.

Representatives for US Senators Chris Murphy and Richard Blumenthal and US Congressman Joe Courtney, Connecticut State Senator Tony Guglielmo, Connecticut State Representative Kurt Vail and First Selectman Anthony Frassinelli joined TTM Technologies Chairman of the Board Rob Klatell, Chief Executive Officer Tom Edman, and President of TTM's Aerospace & Defense / Specialty Business Unit Phil Titterton, for the ribbon cutting at the company's new RF Center of Excellence. "TTM Technologies RF Center of Excellence represents a commitment and investment to our customers and the Aerospace & Defense industry," said Phil Titterton. "The RF Center of Excellence grows our footprint in Stafford Springs, CT allowing us to stay abreast of technology developments as we pursue new and exciting programs with our strategic partners."

About TTM

TTM Technologies, Inc. is a leading global printed circuit board ("PCB") manufacturer, focusing on quick-turn and volume production of technologically advanced PCBs, backplane assemblies and electro-mechanical solutions. TTM stands for time-to-market, representing how TTM's time-critical, one-stop manufacturing services enable customers to shorten the time required to develop new products and bring them to market.
