Item 1.01. Entry into a Material Definitive Agreement

On November 16, 2009, TTM Technologies, Inc., a Delaware corporation, together with certain of its subsidiaries (collectively, “TTM”), entered into a stock purchase agreement (the “Purchase Agreement”) with Meadville Holdings Limited, an exempted company incorporated under the laws of the Cayman Islands (“Meadville”), and MTG Investment (BVI) Limited, a company incorporated under the laws of the British Virgin Islands (“MTG”) and a wholly owned subsidiary of Meadville, pursuant to which TTM has agreed to acquire all of the issued and outstanding capital stock of four wholly owned subsidiaries of MTG (the “PCB Subsidiaries”) and their respective subsidiaries. The PCB Subsidiaries engage in the business of manufacturing and distributing printed circuit boards, including circuit design, quick-turn-around services, and drilling and routing services. Following the closing of the proposed acquisition, the PCB Subsidiaries will become wholly owned subsidiaries of TTM.

Under the terms of the Purchase Agreement, TTM will purchase all of the outstanding capital stock of the PCB Subsidiaries in exchange for \$114,034,328 in cash and 36,334,000 shares of TTM common stock, par value \$0.001 per share, plus TTM’s assumption of the outstanding debt of the PCB Subsidiaries. The Purchase Agreement does not provide for an adjustment in the number of shares of TTM common stock to be issued to Meadville in the acquisition in the event of a fluctuation in the market value of TTM’s common stock or Meadville’s shares up through the closing date. Following the acquisition, and subject to the fulfillment of certain conditions, Meadville intends to authorize and make a distribution of the proceeds of the acquisition by way of a special dividend to its shareholders. Giving effect to the proposed acquisition and Meadville’s dividend to its shareholders, Meadville’s shareholders would own approximately 46% of the outstanding shares of TTM’s common stock.

The Purchase Agreement contains customary representations, warranties, covenants, and agreements of the parties thereto, and completion of the transaction is subject to approval of TTM’s shareholders at a special meeting of shareholders and the approval of Meadville’s shareholders at a special meeting of shareholders, both of which are to be announced at a later date, as well as other customary closing conditions, including, among others, the execution of certain ancillary agreements; all required consents and approvals necessary to consummate the proposed acquisition having been obtained; no injunction or proceeding by a government entity seeking to restrain or prohibit consummation of the proposed acquisition being in effect; the absence of any material adverse effect on TTM, Meadville, or certain of their affiliates; and the Committee on Foreign Investment in the United States completing its review and the parties obtaining certain other regulatory approvals to the satisfaction of the parties. Under the terms of the Purchase Agreement and as a condition to consummating the proposed acquisition, TTM and certain of the principal shareholders of Meadville and certain of their affiliates (the “Principal Shareholders”) will enter into a shareholders agreement at the closing of the acquisition. The shareholders agreement will provide that the Principal Shareholders will not, without the approval of TTM’s board, during the term of the shareholders agreement, increase their aggregate percentage beneficial ownership of TTM common stock above a predefined percentage of the then outstanding TTM common stock, subject to certain exceptions, or acquire beneficial ownership of any TTM capital stock other than common stock. The shareholders agreement also imposes restrictions on the Principal Shareholders voting of the TTM stock owned by them or taking certain actions in their role as shareholders of TTM. In certain circumstances, the Principal Shareholders will be required to bifurcate their voting with respect to the TTM common stock owned by them on certain matters, such that a portion of the shares they own will be voted in proportion to the vote cast by TTM’s non-affiliate shareholders.

Under the shareholders agreement, the Principal Shareholders will be entitled to designate one individual for nomination by TTM’s board for election as a director of TTM, so long as the Principal Shareholders ownership levels exceed certain predefined percentage thresholds of TTM’s issued and outstanding common stock. The shareholders agreement will further provide certain restrictions on the transfer of the TTM shares issued to the Principal Shareholders in the acquisition, including, among other restrictions, a lock-up during the 18-month period following the closing of the transaction. With respect to each of the PCB Subsidiaries, the Principal Shareholders will be entitled to nominate directors comprising a majority of the board of each of such subsidiaries, and TTM’s board of directors will be entitled to nominate all of the other directors on each such board. The shareholders agreement further imposes certain non-solicitation and non-competition obligations on the Principal Shareholders.

The Purchase Agreement provides that the Principal Shareholders will have the right to require TTM to use reasonable efforts to file certain registration statements under the Securities Act of 1933, as amended (the “Securities Act”) to effect the resale registration of their TTM common stock under the Securities Act. Shortly

following the closing date, TTM will also be required to file a registration statement to register all shares of TTM common stock to be sold in connection with a proposed dealing facility to be established by Meadville, pursuant to which the shareholders of Meadville that receive a distribution of TTM common stock in connection with the proposed transaction may receive the net proceeds from the sale of TTM common stock under the dealing facility.

The Purchase Agreement is subject to termination prior to the closing for, among others, the following reasons: (i) by the mutual written agreement of TTM and Meadville; (ii) by either TTM or Meadville if: (A) the closing of the proposed transaction has not occurred on or prior to May 31, 2010 because one or more conditions of the transaction have not been satisfied or waived on or before that date, provided that either party may extend the termination date to June 30, 2010 if certain of the conditions have not been satisfied or waived before May 31, 2010, and the party requesting the extension has not failed to perform or willfully breached a covenant in the Purchase Agreement, (B) the approval of TTM's shareholders and Meadville's shareholders shall not have been obtained, or (C) if certain laws having the effect of preventing the consummation of the proposed transaction shall be in effect and shall have become permanent, final, and non-appealable; (iii) with respect to each of TTM and Meadville, if the other party shall have failed to perform or comply with any obligation, agreement, or covenant in the Purchase Agreement or breached any representation or warranty which prevents certain of the conditions of the transaction from being satisfied, and such breach or failure to comply is not curable or, if curable, not cured by the earlier of the date which is 30 days following the date of delivery of a written notice of such breach to the other party or the date of termination of the Purchase Agreement; and (iv) by TTM or Meadville if certain events that may materially and adversely affect the other party have occurred and are either not curable or, if curable, are not cured by the earlier of 30 calendar days following the date of delivery of written notice of the occurrence of the event or the date of termination of the Purchase Agreement.

The foregoing is a summary only and does not purport to be a complete description of all of the terms, provisions, covenants, and agreements contained in the Purchase Agreement, and is subject to and qualified in its entirety by reference to the Purchase Agreement attached hereto as Exhibit 10.1.

The Purchase Agreement has been included to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual or financial information about TTM, Meadville, the PCB Subsidiaries, or their respective subsidiaries or affiliates. The representations, warranties, and covenants contained in the Purchase Agreement were made only for purposes of that agreement and as of specific dates; were solely for the benefit of the parties to the Purchase Agreement; may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Purchase Agreement instead of establishing these matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties, and covenants or any description thereof as characterizations of the actual state of facts or condition of TTM, Meadville, the PCB Subsidiaries, or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties, and covenants may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in public disclosures by TTM and Meadville. The Purchase Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the companies and the proposed transaction that will be contained in, or incorporated by reference into, the proxy statement for the shareholders of TTM and a U.S. prospectus that will be filed in connection with the proposed transaction, as well as in the other filings that each of TTM and Meadville make with the Securities and Exchange Commission ("SEC"), The Stock Exchange of Hong Kong, and the Securities and Futures Commission of Hong Kong.

The Seller Intellectual Property Licenses are granted to the Transferred Entities pursuant to a valid written Contract that has not expired or in respect of which no Transferred Entity has received or issued a written notice to terminate such license as of the date of this Agreement.

(g) The Transferred Entities use commercially reasonable efforts to protect, in all material respects, (i) personally identifiable information provided by their employees and customers from unauthorized disclosure or use and (ii) the security of their information technology systems, and none of the Transferred Entities has received any written claim pending against them alleging any material breach, violation, misuse or unauthorized disclosure of any of the foregoing. (b) Seller has made available to Buyer Ultimate Parent prior to the date of this Agreement a complete and correct copy of each written Specified Contract and accurate and complete descriptions of all material terms of each oral Specified Contract, including all material amendments, modifications and supplements thereto as in effect on the date of this Agreement. Each Specified Contract is in full force and effect, and (assuming it is valid and binding on the other parties thereto) is valid and binding on the Transferred Entity that is a party thereto, and, to the Knowledge of the Seller Parties, on each other party thereto. There exists no breach or default of any Specified Contract on the part of any Transferred Entity which (with or without notice or lapse of time or both) would, individually or in the aggregate, have a Material Adverse Effect. No Transferred Entity has received any written notice of an intention to terminate, not to renew or to challenge the validity or enforceability of any Specified Contract, the termination, failure to renew or challenge of which would, individually or in the aggregate, have a Material Adverse Effect.

Section 4.14 Absence of Changes. During the period between the date of the Latest Transferred Entities Balance Sheet and the date of this Agreement, there has not occurred a Material Adverse Effect.

Section 4.15 Absence of Undisclosed Liabilities. Agreement or any Ancillary Agreement and (c) liabilities that are incurred since the date of the Latest Transferred Entities Balance Sheet and are consistent in nature, type and amount with any such liabilities regularly incurred in the ordinary course of business consistent with past practice of the Transferred Entities, to the Knowledge of the Seller Parties, the Transferred Entities do not have any liabilities outside the ordinary course of business which would, individually or in the aggregate, have a Material Adverse Effect.

(b) Section 4.16(b) of the Seller's Disclosure Schedules sets forth a list of all leased, subleased or licensed real properties that are material to any Transferred Entity ("Material Leases"). Each parcel of real property in which any Transferred Entity has an interest (including lease, sublease, license, or occupation) is held under a valid, subsisting and enforceable lease, sublease, license, land use certificate, or other Contract, as applicable, by the applicable Transferred Entity or Seller Party with such exceptions that are (i) Permitted Encumbrances, (ii) not material and do not interfere with the use made of such real property by the applicable Transferred Entity, or (iii) would not result in a Material Adverse Effect. True and correct copies of Material Leases have been delivered or made available to Buyer Ultimate Parent, together with any amendments, modifications or supplements thereto. Except as provided in Section 4.16(b) of the Seller's Disclosure Schedules, consummation of the transactions contemplated by this Agreement will not result in a breach of, or default under, any Material Lease, and will not result in the payment by any Transferred Entity to any lessor or other third party of any material change in control or other similar fees. None of the Seller Parties or any of its Affiliates has received any written communication from the landlord or lessor under any of the Material Leases claiming that it is in breach of its obligations under such leases, except for written communications claiming breaches that, individually or in the aggregate, would not have a Material Adverse Effect. Immediately after the Closing, the Transferred Entities will own or have the right to use pursuant to written Contracts, or as otherwise provided pursuant to this Agreement or any Ancillary Agreement, all material assets, properties and rights necessary to conduct the PCB Business as conducted on the date of this Agreement and immediately prior to the Closing. All material tangible assets and properties owned by the Transferred Entities, or which the Transferred Entities have the right to use pursuant to written Contracts, are in good operating condition and repair, subject to ordinary wear and tear and normal industry practice with respect to maintenance, and are usable in the ordinary course of business and are in conformity with all applicable Laws (including Environmental Laws) relating to their construction, use and operation, except in any such case which has not had or would not have a Material Adverse Effect.

(c) Each of Seller Parent, Seller and the Transferred Entities has filed all material registrations, reports, statements of additional information, financial statements, statements, notices and other material filings required to be filed by it with any Government Entity, including all material amendments or supplements to any of the above for the past three years, in each case to the extent related to the PCB Business, except to the extent the failure to file would not, individually or in the aggregate, have a Material Adverse Effect.

Section 4.19 Insurance. The Transferred Entities maintain, or Seller Parent, Seller or one of their Affiliates maintains on behalf of the Transferred Entities, such worker's compensation, comprehensive property and casualty, liability, errors and omissions, directors' and officers', fidelity and other insurance as they may be required to maintain under applicable Laws. The Transferred Entities have complied in all material respects with the terms and provisions of such policies and bonds. The Transferred Entities are insured against such losses and risks and in such amounts as are customary in the businesses in which they are engaged in the jurisdictions in which they are so engaged.

The board of directors of Seller, at a meeting duly called and held, and not subsequently rescinded or modified in any way, has duly adopted resolutions approving this Agreement and the transactions contemplated by this Agreement. Seller has received the approval by way of written resolution of Seller Parent, as the sole shareholder of Seller, approving this Agreement and the transactions contemplated hereby, which constitutes the requisite shareholder approval under applicable Law and is the only approval of the sole shareholder of Seller necessary to approve this Agreement and the transactions contemplated hereby.

Section 4.21 Finders' Fees. Except for fees that may be paid to Merrill Lynch (Asia Pacific) Limited or its Affiliates, there is no investment banker, broker, finder or other intermediary that has been retained by or is authorized to act on behalf of any Transferred Entity who would be entitled to any fee or commission from any Transferred Entity in connection with this Agreement, any of the Ancillary Agreements, or the transactions contemplated hereunder and thereunder.

Buyer Ultimate Parent shall file or cause the Transferred Entities to or cause to be filed when due all such Tax Returns and pay or cause to be paid the Taxes shown to be due thereon to the appropriate Tax authorities. (B) If Buyer Ultimate Parent and Seller Parent cannot resolve any objection raised by Seller Parent with respect to the Proposed Allocation within the 30-day time limit set forth in paragraph (A), the parties shall promptly submit the item to a mutually acceptable internationally recognized appraisal accounting or law firm for final resolution, such resolution to be reflected in the Allocation.

(C) Subject to the foregoing paragraphs (A) and (B), the Cash Purchase Price and the Equity Consideration shall be allocated to each of the Transferred Entities in a manner consistent with (A) foregoing paragraphs or (B) hereof, a Schedule which shall be prepared by Buyer Ultimate Parent and furnished to Seller Parent for Seller Parent's consent within 15 days following final resolution of the allocation hereunder, such consent by Seller Parent not to be unreasonably withheld.

Section 7.1 Conditions to the Obligations of the Parties with respect to the Closing. The obligations of the Parties to this Agreement to effect the Closing are subject to the satisfaction (or waiver agreed to in writing by Buyer Ultimate Parent and Seller Parent, provided, however, that items (c), (e) and (f) below may not be waived) prior to the Closing of each of the following conditions:

(a) HSR Act. The waiting period applicable to the consummation of the transactions contemplated by this Agreement under the HSR Act shall have expired or been terminated.

Either (i) CFIUS shall have provided notice to the effect that review or investigation of the Purchase and the other transactions contemplated by this Agreement and the Ancillary Agreements has concluded, and that a determination has been made that there are no issues of national security of the United States sufficient to warrant further investigation under the DPA, or (ii) the President of the United States shall not have taken action to block or prevent the consummation of the Purchase and the other transactions contemplated by this Agreement and the Ancillary Agreements under the DPA and the applicable period of time for the President to take such action shall have expired.

(d) Form S-4. The Form S-4 shall have become and remain effective under the Securities Act and shall not be the subject of any stop order or proceedings seeking a stop order.

(e) Seller Parent Shareholder Approval. Seller Parent shall have obtained Seller Parent Requisite Vote.

(f) Buyer Ultimate Parent Shareholder Approval. Buyer Ultimate Parent shall have obtained the Buyer Ultimate Parent Requisite Vote.

(g) Absence of Certain Actions. There shall not have been overtly threatened or pending any suit, action or proceeding by any Government Entity seeking to restrain or prohibit the consummation of the Closing or materially impair the performance of any of the other transactions contemplated by this Agreement or Ancillary Agreements.

(h) Laminate Sale. There shall have been satisfied or properly waived, as applicable, all of the conditions precedent for the completion of the sale of the Non-Transferred Entities to TMIL (the "Laminate Sale") pursuant to the Concurrent SPA, other than (i) any condition in the sale and purchase agreement that the transaction contemplated in this Agreement shall have become unconditional and (ii) any condition which can only be satisfied on the closing thereunder;

(i) Credit Agreement. The Credit Agreement shall have been duly executed and delivered and shall remain in full force and effect, and the conditions precedent for drawdown thereunder contained in part 1 of Schedule 2 thereto that are capable of being performed prior to the Closing have been duly performed or waived, and all conditions precedent for drawdown thereunder contained in part 1 of Schedule 2 thereto to be fulfilled after the Closing, remain capable of being fulfilled.

(j) Sell-Down Registration Rights Agreement. The Buyer Ultimate Parent shall have entered into the Sell-Down Registration Rights Agreement with Seller Parent and Seller, in a form reasonably satisfactory to Seller Parent, within four weeks following the date hereof.

(k) Registration Rights Agreement. The Buyer Ultimate Parent and the Seller Parties shall have agreed on the form of the Registration Rights Agreement to be entered into on or prior to the Closing Date, in a form reasonably satisfactory to the Seller Parties.

Section 7.2 Conditions to the Obligation of Buyer Parties with respect to the Closing The obligation of the Buyer Parties to effect the Closing is subject to the satisfaction (or waiver in writing by Buyer Ultimate Parent) prior to the Closing of each of the following conditions:

(a) Representations and Warranties. Each of the representations and warranties of the Seller Parties set forth in Article III and Article IV of this Agreement shall be true and correct as of the date of this Agreement and as of the Closing Date as if made as of the Closing Date (except for such representations and warranties that are made as of a specific date, which shall speak only as of such date), except to the extent the failure of any such representations and warranties to be so true and correct would not, individually or in the aggregate, have a Material Adverse Effect (provided, that any materiality or "Material Adverse Effect" qualifiers contained in individual representations and warranties shall be disregarded for this purpose, except with respect to the representation and warranty made by the Seller Parties in the second sentence of Section 4.14).

(b) Covenants. Each of the covenants and agreements of the Seller Parties to be performed on or prior to the Closing shall have been duly performed in all material respects.

(c) No Material Adverse Effect. Since the date of this Agreement, there has not occurred a Material Adverse Effect.

(d) Certificate. Buyer Ultimate Parent shall have received a certificate, signed by a duly authorized officer of Seller Parent and dated as of the Closing Date, to the effect that the conditions set forth in Section 7.2(a), Section 7.2(b) and Section 7.2(c) have been satisfied (if not waived).

(e) No Prohibition. No Law shall be in effect (i) enjoining the Closing or enjoining the acquisition by any Buyer Party or any of its Controlled Affiliates of any of the Transferred Entities, restraining or prohibiting the consummation of the transactions contemplated hereby, placing limitations on the ownership of shares of Capital Stock of any of the Transferred Entities by any Buyer Party or any of its Controlled Affiliates or the PCB Business; or (ii) prohibiting or limiting the ownership of the Transferred Entities by any Buyer Party or any of its Controlled Affiliates or the operation by the Transferred Entities or any Buyer Party or any of its Controlled Affiliates of any portion of any business or of any assets of the Transferred Entities or the PCB Business, other than in any such case any Law of any such jurisdiction, the violation of which would not result in a Buyer Regulatory Impediment.

(f) Ancillary Agreements. The Seller Parties and the Principal Shareholders shall have executed and delivered all of the Ancillary Agreements to which they are parties in all material respects in the forms attached to this Agreement, and all such Ancillary Agreements shall be and remain in full force and effect.

(g) Change of Control. Since the date of this Agreement, neither the board of directors of Seller Parent nor Seller shall have approved or recommended any offer or proposal contemplating, and neither Seller Parent nor Seller shall have entered into any agreement providing for, a Seller Change of Control Event.

Section 7.3 Conditions to the Obligation of Seller Parties with respect to the Closing The obligation of the Seller Parties to effect the Closing is subject to the satisfaction (or waiver in writing by Seller Parent) prior to the Closing of each of the following conditions:

(a) Representations and Warranties. Each of the representations and warranties of the Buyer Parties set forth in Article V of this Agreement shall be true and correct as of the date of this Agreement and as of the Closing as if made as of the Closing (except for such representations and warranties that are made as of a specific date which shall speak only as of such date), except to the extent the failure of any such representations and warranties to be so true and correct would not, individually or in the aggregate, have a Buyer Material Adverse Effect (provided, that any materiality or "Material Adverse Effect" qualifiers contained in individual representations and warranties shall be disregarded for this purpose, except with respect to the representation and warranty made by the Buyer Parties in the second sentence of Section 5.10).

(b) Covenants. Each of the covenants and agreements of the Buyer Parties to be performed on or prior to the Closing shall have been duly performed in all material respects.

(c) No Buyer Material Adverse Effect. Since the date of this Agreement, there has not occurred a Buyer Material Adverse Effect.

(d) Certificate. Seller Parent shall have received a certificate, signed by a duly authorized officer of Buyer Ultimate Parent and dated as of the Closing Date, to the effect that the conditions set forth in Section 7.3(a), Section 7.3(b) and Section 7.3(c) have been satisfied or waived.

(e) No Prohibition. No Law shall be in effect (i) enjoining the Closing or enjoining the acquisition by Seller Parent of any of the Equity Consideration, restraining or prohibiting the consummation of the transactions contemplated hereby, other than in any such case any Law of any such jurisdiction, the violation of which would not result in a Seller Regulatory Impediment, or (ii) placing limitations on the ownership of Equity Consideration or prohibiting or limiting the ownership of the Equity Consideration.

(f) Ancillary Agreements. The Buyer Parties shall have executed and delivered all of the Ancillary Agreements to which they are parties in all material respects in the forms attached to this Agreement, and all such Ancillary Agreements shall be and remain in full force and effect.

(g) Change of Control. Since the date of this Agreement, the board of directors of Buyer Ultimate Parent shall not have approved or recommended any offer or proposal contemplating, and the Buyer Ultimate Parent shall not have entered into any agreement providing for, a Buyer Change of Control Event.

Section 7.4 Frustration of Closing Conditions. None of the Parties may rely on the failure of any condition set forth in Sections 7.1, 7.2 or 7.3, as the case may be, to be satisfied if such failure was caused by such Party's failure to use its reasonable best efforts, as the case may be, to consummate the transactions contemplated by this Agreement, as required by and subject to Section 6.4, or otherwise by such Party's breach of its obligations under this Agreement.

ARTICLE VIII TERMINATION

Section 8.1 Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by written agreement of Buyer Ultimate Parent and Seller Parent;

(b) by either Buyer Ultimate Parent or Seller Parent, by giving written notice of such termination to the other Party, if the Closing shall not have occurred on or prior to May 31, 2010 for the reason that the conditions set out in Sections 7.1, 7.2 and 7.3 have not been satisfied or waived; provided, that if the conditions set forth in any of Section 7.1(a), Section 7.1(b), Section 7.1(c), Section 7.1(d), Section 7.2(e) and Section 7.3(e) shall not have been satisfied or waived on the Business Day prior to such date, either Party may by written notice extend the Termination Date until June 30, 2010 (the "Termination Date"); provided that the right to terminate this Agreement pursuant to this Section 8.1(b) shall not be available to any Party if the failure of the Closing to occur by the close of business on the Termination Date is attributable to a failure on the part of such Party to perform any covenant in this Agreement required to be performed by such Party at or prior to the Closing or is attributable to any Willful Breach;

(c) by either Buyer Ultimate Parent or Seller Parent, by giving written notice of such termination to the other Party, if any Law of any jurisdiction set forth under Annex 8.1(c) shall have been enacted or enforced in a manner restraining, enjoining or otherwise prohibiting the Closing and such Law shall have become permanent, final and non-appealable; provided that the Party seeking to terminate pursuant to this Section 8.1(c) shall have used its commercially reasonable efforts to remove, eliminate or otherwise have vacated the prohibition imposed by such Law;

(d) by Seller Parent, if the Buyer Parties shall have (i) failed to perform, or comply with, any obligation, agreement or covenant set forth in this Agreement or (ii) breached any representation or warranty set forth in this Agreement, which breach or failure to perform or comply prevents any of the conditions set forth in Section 7.1 (Conditions to the Obligations of the Parties with respect to the Closing) or Section 7.3(a) or Section 7.3(b) (Conditions to the Obligations of Seller Parties with respect to the Closing) from being satisfied, and such breach or failure to comply is either not curable or, if curable,

is not cured by the earlier of (x) the date which is 30 calendar days following the date of delivery by Seller Parent of written notice of such breach or failure to comply to Buyer Ultimate Parent or (y) the Termination Date;

(e) by Buyer Ultimate Parent, if the Seller Parties shall have (i) failed to perform, or comply with, any obligation, agreement or covenant set forth in this Agreement or (ii) breached any representation or warranty set forth in this Agreement, which breach or failure to perform or comply prevents any of the conditions set forth in Section 7.1 (Conditions to the Obligations of the Parties with respect to the Closing) or Section 7.2(a) or Section 7.2(b) (Conditions to the Obligations of Buyer Parties with respect to the Closing), from being satisfied, and such breach or failure to comply is either not curable or, if curable, is not cured by the earlier of (x) the date which is 30 calendar days following the date of delivery by Buyer Ultimate Parent of written notice of such breach or failure to comply to Seller Parent or (y) the Termination Date;

(f) by Seller Parent, if a Buyer Material Adverse Effect has occurred and is either not curable or, if curable, is not cured by the earlier of (x) the date which is 30 calendar days following the date of delivery by Seller Parent of written notice thereof to Buyer Ultimate Parent or (y) the Termination Date;

(g) by Buyer Ultimate Parent, if a Material Adverse Effect has occurred and is either not curable or, if curable, is not cured by the earlier of (x) the date which is 30 calendar days following the date of delivery by Buyer Ultimate Parent of written notice thereof to Seller Parent or (y) the Termination Date;

(h) by Seller Parent or Buyer Ultimate Parent, if the approval of the transactions contemplated by this Agreement by the shareholders of Seller Parent shall not have been obtained by reason of the failure to obtain Seller Parent Requisite Vote at Seller Parent Shareholders Meeting; or

(i) by Seller Parent or Buyer Ultimate Parent, if the approval of the Share Issuance by the shareholders of Buyer Ultimate Parent shall not have been obtained by reason of the failure to obtain the Buyer Ultimate Parent Requisite Vote at the Buyer Ultimate Parent Special Meeting.

Section 8.2 Effect of Termination. In the event of the termination of this Agreement in accordance with Section 8.1 (Termination), this Agreement shall thereafter become void and have no effect, and no Party to this Agreement shall have any liability to any other Party to this Agreement or its Affiliates, or their respective directors, officers or employees, except for the following ("Surviving Obligations"):

(a) the obligations of the Parties to this Agreement contained in Section 6.10 (Confidentiality), Section 6.17(c) (Non-Solicitation), this Section 8.2 (Effect of Termination) and in Section 9.2 (Notices), Section 9.3 (Amendment; Waiver), Section 9.4 (No Assignment or Benefit to Third Parties), Section 9.5 (Entire Agreement), Section 9.7 (Public Disclosure), Section 9.8 (Expenses), Section 9.10 (Governing Law; Consent to Jurisdiction), Section 9.11

(Counterparts), Section 9.12 (Headings), Section 9.13 (Severability) and Section 9.14 (Joint Negotiation) and any related definitional provisions set forth in Article I.

(b) if Seller Parties properly terminate this Agreement pursuant to Section 8.1(d) or the Buyer Parties properly terminate this Agreement pursuant to Section 8.1(e), each party shall remain liable to the other parties for fraud or any Willful Breach occurring before the time of termination.

ARTICLE IX

(b) The failure to provide notice in accordance with the required timing, if any, set forth herein shall affect the rights of the party providing such notice only to the extent that such delay actually prejudices the rights of the party receiving such notice.

Section 9.3 Amendment; Waiver. Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed, in the case of an amendment, by each of the Parties hereto, or in the case of a waiver, by the Party against whom the waiver is to be effective. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Law.

Section 9.4 No Assignment or Benefit to Third Parties. This Agreement shall be binding upon and inure to the benefit of the Parties to this Agreement and their respective successors, legal representatives and permitted assigns. No Party to this Agreement may assign any of its rights or delegate any of its obligations under this Agreement, by operation of Law or otherwise, without the prior written consent of the other Parties hereto, except as provided in Section 9.5 and except that any Buyer Party may assign any or all of its rights under this Agreement to one or more of its Affiliates (but no such assignment shall relieve such Buyer Party of any of its obligations hereunder and such Affiliate shall become bound by all of the terms of this Agreement) and any Seller Party may assign any and all of its rights under this Agreement to one or more of its Affiliates (but no such assignment shall relieve such Seller Party of any of its obligations hereunder and such Affiliate shall become bound by all of the terms of this Agreement). Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person, other than the Parties and their respective successors, legal representatives and permitted assigns, any rights or remedies under or by reason of this Agreement.

Section 9.5 Entire Agreement. This Agreement (including the Exhibits, the Annexes and the disclosure schedules to this Agreement) and the Ancillary Agreements contain the entire agreements between the Parties to this Agreement with respect to the subject matter of this Agreement and supersedes all prior agreements and understandings, oral or written, with respect to such matters, except in the case of fraud and except for the Confidentiality Agreement, which shall remain in full force and effect.

Section 9.6 Fulfillment of Obligations. Any obligation of any Party to any other Party under this Agreement, which obligation (i) is performed, satisfied or fulfilled completely by an Affiliate of such Party, shall be deemed to have been performed, satisfied or fulfilled by such

Party and (ii) is to be performed, satisfied or fulfilled by an Affiliate of a Party hereunder but is not so fulfilled shall be deemed to have not been performed, satisfied or fulfilled by such Party.

Section 9.7 Public Disclosure. Notwithstanding anything to the contrary contained in this Agreement, no press release or similar public announcement or communication relating to this Agreement (except for press releases or public announcements or communications made in relation to the Form S-4, the Proxy Statement, the Circular and the Hong Kong announcements, which shall be governed by Sections 6.8 and 6.9) shall be made or caused to be made without the prior written consent of all Parties to this Agreement, other than any such press release or similar public announcement or communication that must be made or caused to be made by a Party to this Agreement to comply with the requirements of any applicable Law or the rules and regulations of any stock exchange upon which its securities are listed (it being understood and agreed that in the event that any such press release or similar public announcement or communication must be made or caused to be made by a Party to this Agreement, such Party shall, to the extent permitted by applicable Law, provide the other Parties to this Agreement with advance written notice of the details of, and an opportunity to comment on, such press release or similar public announcement or communication).

Section 9.8 Expenses. Except as otherwise expressly provided in this Agreement, whether or not the transactions contemplated by this Agreement are consummated, all costs and expenses incurred in connection with this Agreement and the Ancillary Agreements and the transactions contemplated hereunder and thereunder (including the costs and expenses related to obtaining the Buyer's Required Approvals, the Transferred Entities' Required Approvals and the Seller's Required Approvals) shall be borne by the Party incurring such costs and expenses, provided, however, that all costs and expenses of the Seller Parties and its Affiliates (including all of the costs and expenses relating to the Credit Agreement, the Laminated Sale and the Transfer Taxes to be borne by the Seller Parties pursuant to Section 6.5(b)) shall be borne by Seller Parent for an amount of up to HK\$40,000,000, with the remaining amount of such costs and expenses borne by the Transferred Entities.

Section 9.9 Schedules. The disclosure of any matter in one section or subsection of the Seller's Disclosure Schedules or the Buyer's Disclosure Schedules shall be deemed to be a disclosure for all sections or subsections of this Agreement to the extent that it is reasonably apparent that such disclosure is relevant to such other sections and subsections, but shall not be deemed to constitute an admission by the Seller Parties or the Buyer Parties, as the case may be, or to otherwise imply that any such matter is material or, in the case of the Seller Parties, would have a Material Adverse Effect for the purposes of this Agreement or, in the case of the Buyer Parties, would have a Buyer Material Adverse Effect for the purposes of this Agreement.

Section 9.10 Governing Law; Consent to Jurisdiction.

(a) THIS AGREEMENT, THE LEGAL RELATIONSHIP BETWEEN THE PARTIES AND THE ADJUDICATION AND THE ENFORCEMENT HEREOF AND THEREOF, SHALL BE GOVERNED BY AND INTERPRETED AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL, SUBSTANTIVE AND PROCEDURAL LAWS OF THE STATE OF DELAWARE APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED WHOLLY WITHIN THAT JURISDICTION, WITHOUT

GIVING EFFECT TO THE CONFLICTS OF LAW RULES AND PRINCIPLES THEREOF. Each party acknowledges that it could be impossible to determine the amount of damages that would result from any breach of many of the provisions of this Agreement and that the remedy at law for any breach, or threatened breach, of any of such provisions would likely be inadequate and, accordingly, agrees that each other party shall, in addition to any other rights or remedies which it may have, be entitled to seek such provisional or temporary injunctive relief as may be available from any Delaware Court (as defined below) to compel specific performance of, or restrain any party from violating, any of such provisions. In connection with any request for temporary or permanent injunctive relief permitted under this Agreement, each party hereby waives the claim or defense that a remedy at law alone is adequate and agrees, to the maximum extent permitted by Law, to have each provision of this Agreement specifically enforced against it, without the necessity of posting bond or other security against it, and consents to the entry of temporary or permanent equitable and injunctive relief against it enjoining or restraining any breach or threatened breach of such provisions of this Agreement.

(b) Each of the Parties hereto, by its execution hereof, hereby:

(i) irrevocably and unconditionally submits to the exclusive jurisdiction in the Court of Chancery of the State of Delaware or any federal court of the United States located in the State of Delaware (the "Delaware Courts"), for the purpose of any and all actions, suits or proceedings arising in whole or in part out of, related to, based upon or in connection with this Agreement or the subject matter hereof;

(ii) waives to the extent not prohibited by Law, and agrees not to assert, by way of motion, as a defense or otherwise, in any such action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that any such action brought in one of the above-named courts should be dismissed on grounds of *forum non conveniens*, should be transferred to any court other than one of the above-named courts, or should be stayed by reason of the pendency of some other proceeding in any other court other than the Delaware Courts, or that this Agreement or the subject matter hereof may not be enforced in or by Delaware Courts, and

(iii) agrees not to commence any such action other than before one of the Delaware Courts nor to make any motion or take any other action seeking or intending to cause the transfer or removal of any such action to any court other than the Delaware Courts whether on the grounds of *forum non conveniens* or otherwise.

(c) Each of the Seller Parties hereby irrevocably and unconditionally designate, appoint, and empower The Corporation Trust Company, Corporation Trust Center, 1209 Orange Street, Wilmington, Delaware 19801, as their respective designee, appointee and agent to receive, accept and acknowledge for and on their behalf service of any and all legal process, summons, notices and documents that may be served in any action, suit or proceeding brought against such Seller Party in any such United States federal or state court with respect to their obligations, liabilities or any other matter arising out of or in connection with this Agreement and that may be made on such designee, appointee and agent in

accordance with legal procedures prescribed for such courts. If for any reason such designee, appointee and agent hereunder shall cease to be available to act as such, the Seller Parties agree to designate a new designee, appointee and agent in the State of Delaware on the terms and for the purposes of this Section 9.10(c) reasonably satisfactory to the Buyer Ultimate Parent. Each Seller Party further hereby irrevocably consents and agrees to the service of any and all legal process, summons, notices and documents in any such action, suit or proceeding against the Seller Party by serving a copy thereof upon the relevant agent for service of process referred to in this Section 9.10(c) (whether or not the appointment of such agent shall for any reason prove to be ineffective or such agent shall accept or acknowledge such service) or by sending copies thereof by a recognized next day courier service to such Seller Party at its address specified in or designated pursuant to this Agreement. The Seller Parties agree that the failure of any such designee, appointee and agent to give any notice of such service to them shall not impair or affect in any way the validity of such service or any judgment rendered in any action or proceeding based thereon.

(d) EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION UNDER THIS SECTION 9.10. THE PARTIES HERETO AGREE THAT ANY OR ALL OF THEM MAY FILE A COPY OF THIS PARAGRAPH WITH ANY COURT AS WRITTEN EVIDENCE OF THE KNOWING, VOLUNTARY AND BARGAINED-FOR AGREEMENT AMONG THE PARTIES IRREVOCABLY TO WAIVE TRIAL BY JURY AND THAT ANY COURT ACTION OR PROCEEDING WHATSOEVER BETWEEN THEM THAT IS PERMITTED UNDER THIS SECTION 9.10 SHALL INSTEAD BE TRIED IN A DELAWARE COURT BY A JUDGE SITTING WITHOUT A JURY.

Section 9.11 Counterparts. This Agreement may be executed in one or more counterparts, including via facsimile, each of which shall be deemed an original, and all of which shall constitute one and the same Agreement.

Section 9.12 Headings. The heading references in this Agreement and the table of contents of this Agreement are for convenience purposes only, and shall not be deemed to limit or affect any of the provisions of this Agreement.

Section 9.13 Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 9.14 Joint Negotiation. The parties to this Agreement have participated jointly in negotiating and drafting this Agreement. In the event that an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no

presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement.

Section 9.15 No Set-Off. No Party shall be permitted to set-off or deduct any amount from any payment or other amount due to any other Party hereunder.

ARTICLE IV CORPORATE GOVERNANCE

Section 4.1. Company Board Representation.

(a) On the Closing Date, the Board shall increase the total number of Directors constituting the Board and enlarge by one Director the class of Directors whose terms expire in 2010, and shall promptly elect Mr. Tang Chung Yen, Tom (such individual and any replacement or substitute individual that may be nominated by the Principal Shareholders pursuant to this Section 4.1, the "Shareholder Nominee") as a Director to fill the vacancy created by such increase. To the extent nominations are to be made or instructions are to be provided by the Principal Shareholders under this Agreement, the Principal Shareholders agree to provide such nominations or instructions jointly.

(b) During the Effective Period, the Principal Shareholders shall have the right to nominate one Shareholder Nominee, unless one Shareholder Nominee is then serving in a class of Directors whose term is not expiring at the upcoming annual meeting of shareholders, and the Board shall elect such Shareholder Nominee as a Director (to the extent that no Shareholder Nominee is then serving as a Director) until the next annual meeting of shareholders, and shall nominate and recommend to the Company's shareholders such Shareholder Nominee for election as a Director of the Company at such next annual meeting of shareholders.

(c) Each Shareholder Nominee nominated pursuant to this Section 4.1 must at all times be reasonably acceptable to the Nominating and Governance Committee of the Board in accordance with the Company's director-nominee criteria and qualifications specified in its Nominating Committee Charter, the Certificate of Incorporation, the Bylaws, and the Company's corporate governance policies and procedures (to the same extent such requirements are applicable to all Directors). The approval of the Nominating and Governance Committee of the Board shall not be unreasonably withheld or delayed, and the Nominating and Governance Committee of the Board shall at all times exercise its approval rights equitably among all Board nominees and in the best interests of the Company and in accordance with its members' fiduciary duties as Directors. It is acknowledged and agreed that Mr. Tang Chung Yen, Tom, has been determined to be acceptable to the Nominating and Governance Committee of the Board.

(d) During the Effective Period, with respect to each Shareholder Nominee nominated for election at any meeting of the Company's shareholders at which Directors are to be elected who satisfies the requirements set forth in Section 4.1(c), the Company will use its commercially reasonable efforts to cause the election of such Shareholder Nominee as a Director of the Company by including his or her name in any proxy materials prepared by or on behalf of the Company and recommending that the shareholders of the Company vote to elect such Shareholder Nominee as a Director of the Company. The Company acknowledges and agrees that it will use, at a minimum, such efforts to the same extent and degree as the efforts the Company uses to nominate and recommend for election other Board nominees as Directors; provided, however, nothing in this Section 4.1(d) shall require the Company to adjourn or postpone any meeting of shareholders at which Directors are to be elected or take extraordinary solicitation or recommendation efforts if such actions are not similarly taken with regard to the other Board nominees for election to the Board, including that the Company will not be obligated to pay any costs associated with such extraordinary efforts (other than any costs the Company pays with respect to other Board nominees) with regard to the election of such Shareholder Nominee as a Director.

(e) During the Effective Period the Principal Shareholders shall have the right, upon written notice delivered to the Company, to request that the Nominating and Governance Committee of the Board refrain from nominating the Shareholder Nominee for election as a Director at the next meeting of the shareholders of the Company at which the Directors in the class of Directors in which the Shareholder Nominee currently sits are to be elected. Upon the receipt of such notice, the Nominating and Governance Committee of the Board shall refrain from nominating such Shareholder Nominee for election as a Director at such meeting, and Principal Shareholders shall have the right to nominate a replacement Shareholder

Nominee for election at such meeting, in accordance with and subject to the provisions of Section 4.1(h).

(f) Any Shareholder Nominee elected by the shareholders of the Company or the Board shall execute and deliver, and Mr. Tang and/or the Principal Shareholders (as the case may be) shall obtain from such Shareholder Nominee, an irrevocable written resignation from the Board binding in accordance with Section 141(b) of the DGCL and the Bylaws, conditioned and effective immediately upon the Principal Shareholders and their respective Affiliates ceasing to Beneficially Own shares of Company Common Stock representing at least 9.9% of the Total Voting Power.

(g) From and after the Closing Date, if at any time the Principal Shareholders and their respective Affiliates do not Beneficially Own shares of Company Common Stock representing at least 9.9% of the Total Voting Power, and the Shareholder Nominee shall not have otherwise resigned in accordance with Section 4.1(f), then Mr. Tang and the Principal Shareholders shall use commercially reasonable efforts to cause the Shareholder Nominee to resign from or vacate the Board. In the event of a Shareholder Nominee resignation pursuant to Section 4.1(f) or this Section 4.1(g), the resulting vacancy shall be filled by a Director recommended by the Nominating and Governance Committee of the Board in accordance with the Company's director-nominee criteria and qualifications specified in its Nominating Committee Charter, the Certificate of Incorporation, the Bylaws, and the Company's corporate governance policies and procedures.

(h) During the Effective Period, upon the death, resignation, retirement or removal from office of any Shareholder Nominee, or the failure of the Nominating and Governance Committee of the Board to nominate any Shareholder Nominee for election as a Director at any meeting of shareholders of the Company at which Directors are to be elected (including pursuant to a request by the Principal Shareholders pursuant to Section 4.1(e)), then (i) the Board shall not reduce the number of Company directorships to eliminate the vacancy created thereby, (ii) the Principal Shareholders shall have the right to nominate a replacement Shareholder Nominee (who must satisfy the requirements set forth in Section 4.1(c)), and (iii) (A) if such vacancy was caused by the death, resignation, retirement or removal from office of such Shareholder Nominee prior to the expiration of his or her term as a Director, the Board shall take such actions necessary to promptly elect such replacement Shareholder Nominee as a Director to fill such vacancy or (B) if such vacancy was caused by the failure of the Nominating and Governance Committee of the Board to nominate such Shareholder Nominee for election as a Director at any meeting of shareholders at which such Shareholder Nominee's term as a Director is set to expire (including pursuant to a request by the Principal Shareholders pursuant to Section 4.1(e)), the Company will use its commercially reasonable efforts to cause the election of such replacement Shareholder Nominee as a Director of the Company in accordance with Section 4.1(d).

(i) Without limiting any of the other provisions of Section 4.1, during the Effective Period, the Principal Shareholders shall have the right to nominate a replacement Shareholder Nominee, for a Shareholder Nominee nominated and elected in accordance with this Section 4.1 at the expiration or termination of such Shareholder Nominee's term. Each such replacement Shareholder Nominee being nominated must satisfy the requirements set forth in

Section 4.1(c), and the Company will use its commercially reasonable efforts to cause the election of such replacement Shareholder Nominee as a Director of the Company in accordance with Section 4.1(d).

(j) Without limiting any of the other provisions of Section 4.1, during the Effective Period, in the event any Shareholder Nominee is required to submit his or her resignation to the Chairman of the Board for consideration by the Nominating and Governance Committee of the Board, or any notice of resignation previously submitted to the Board by such Shareholder Nominee becomes effective, in either case as a result of failing to obtain the requisite Company shareholder votes for election as Director pursuant to any provision of the Certificate of Incorporation or Bylaws or pursuant to any Applicable Law, in each case concerning non-plurality voting in the election of Directors, and, if required pursuant to such Certificate of Incorporation or Bylaw provision or Applicable Law, the Nominating and Governance Committee of the Board makes a recommendation to the Board concerning the acceptance or rejection of such resignation and the Board decides to accept such Shareholder Nominee's resignation, then (i) the Board shall not reduce the number of Company directorships to eliminate the vacancy created thereby, (ii) the Principal Shareholders shall have the right to nominate a replacement Shareholder Nominee (who must satisfy the requirements set forth in Section 4.1(c)), and (iii) the Board shall take such actions necessary to elect such replacement Shareholder Nominee as a Director to fill such vacancy.

(k) The Company shall enter into indemnification agreements and maintain Directors and Officers liability insurance for the benefit of each Shareholder Nominee elected to the Board with respect to all periods during which such Shareholder Nominee is a Director, on terms, conditions and amounts as is reasonably prudent and customary for directors and officers of Delaware corporations listed on the Nasdaq Global Market and the business in which the Company and its Subsidiaries are engaged, and on the same terms and conditions as such indemnification and insurance is provided to the other members of the Board, and shall use commercially reasonable efforts to cause such indemnification and insurance to be maintained in full force and effect. The Company shall provide such Shareholder Nominee with all benefits (including all fees and entitlements) on substantially the same terms and conditions as are provided to other members of the Board performing similar roles.

Section 4.2. Company Board Committee Representation. From and after the Closing Date, membership on any committee of the Board (including, without limitation, the Nominating and Governance Committee of the Board, Audit Committee and Compensation Committee) shall be as determined by the Board (or as otherwise specified in the charter for such committee).

(iv) any issuance of equity securities of the Company in one transaction or a series of related transactions that requires the approval of the shareholders of the Company under Applicable Law and/or the Certificate of Incorporation or Bylaws, to the extent such issuance is in connection with any Business Combination, or anti-takeover matter approved by a majority of the Board; and

(v) any amendment of the Company’s Certificate of Incorporation or Bylaws relating to any of the matters referred to on Schedule 2.2(a)(ii) hereto that is either proposed or recommended and approved by the Board.

(d) Notwithstanding anything to the contrary in this Agreement (including Section 2.2), the Principal Shareholders and their Affiliates may vote, act by written consent, initiate, make, propose or participate in any manner any “solicitation” of “proxies” (as such terms are defined or used in Regulation 14A under the Exchange Act) or consents or authorizations with respect to any Voting Securities, whether subject to or exempt from Regulation 14A under the Exchange Act, or advise, encourage or influence any Person with respect to the voting of any Voting Securities, in each case with respect to the matters relating to the rights of the Principal Shareholders set forth in this Article IV, including (i) the election of the Shareholder Nominee as a Director or the removal of the Shareholder Nominee from the Board and (ii) any amendment of the Company’s Certificate of Incorporation or Bylaws that would, if approved or adopted, have the effect of circumventing or rendering ineffective any rights of the Principal Shareholders under this Agreement (it being acknowledged and agreed that the mere proposed adoption or repeal by the Directors of any of the Certificate of Incorporation or Bylaw provisions set forth on Schedule 2.2(a)(ii) hereto or the incurrence of any debt or the creation or authorization of any class or series of Capital Stock of the Company, in

and of itself, shall not be deemed to have the effect of circumventing or rendering ineffective any rights of the Principal Shareholders under this Agreement).

(e) Subject to the prohibitions set forth in Section 2.2 and this Section 4.5, the Principal Shareholders may at their option, vote or act by written consent with respect to all of the shares of Voting Securities Beneficially Owned by them in their sole discretion with respect to all other matters.

(f) During the Effective Period, other than with respect to any Prohibited Actions, or any other proposal or matter that would, if approved or adopted, have the effect of circumventing or rendering ineffective any provision of this Agreement, the Principal Shareholders shall be present in person or represented by proxy or corporate representative at all annual and special meetings of shareholders of the Company to the extent necessary so that all Voting Securities Beneficially Owned by them shall be counted as present for the purpose of determining the presence of a quorum at such meeting and to vote such shares to the extent required in accordance with this Section 4.5.

(g) During the Effective Period, the Board shall not, and shall not recommend or propose to the shareholders of the Company to, approve or adopt any amendment of the Company's Certificate of Incorporation or Bylaws, or take any other actions that would, if approved or adopted, have the effect of circumventing or rendering ineffective any rights of the Principal Shareholders under this Agreement (it being hereby acknowledged and agreed that the proposed adoption or repeal by the Directors of any of the Certificate of Incorporation or Bylaw provisions set forth on Schedule 2.2(a)(ii) hereto or the incurrence of any debt or the creation or authorization of any class or series of Capital Stock of the Company, in and of itself, shall not be deemed to have the effect of circumventing or rendering ineffective any rights of the Principal Shareholders under this Agreement).

(h) Notwithstanding any other provisions in this Agreement, the Principal Shareholders shall vote all Voting Securities held by them to make any changes as are necessary or desirable to amend the Certificate of Incorporation and Bylaws of the Company to remove any inconsistency between such documents and the provisions of this Agreement.

ARTICLE V MISCELLANEOUS

Section 5.1. Non-Contravention. Each party represents and warrants that he, she or it has not granted and is not a party to any proxy, voting trust or other agreement that is inconsistent with or conflicts with any provision of this Agreement. Each party that is not a natural Person represents and warrants that the execution, delivery and performance by such party of its respective obligations under this Agreement do not conflict with or violate any provision of the Organizational Documents of such party.

Section 5.2. Non-Compete.

(a) Subject to Section 5.2(b) and Section 5.4, Mr. Tang, Tang Siblings, Seller, Seller Parent and other Principal Shareholders agree that for the period commencing on the

Closing Date until the earlier of (i) the fifth anniversary of the Closing Date or (ii) the Principal Shareholders and their respective Affiliates or any Group containing one or more Principal Shareholders or their respective Affiliates Beneficially Own shares of Company Common Stock representing less than 9.9% of the Total Voting Power for a period of twelve months, neither they nor any of their controlled Affiliates shall, directly or indirectly (other than as a shareholder of the Company and through designees on the Board or the board of directors of one or more Subsidiaries of the Company or otherwise for the benefit of the Company and its controlled Affiliates), engage in any Competing Activity or own any equity interest in any Person that engages in any Competing Activity. For purposes of this Section 5.2, "Competing Activity" shall mean the business of manufacturing and distributing printed circuit boards and providing related goods and services (including circuit design, quick-turn-around services and drilling and routing services).

(b) Notwithstanding anything in this Section 5.2 to the contrary, neither Mr. Tang, Tang Siblings, Seller, Seller Parent, other Principal Shareholders, nor any of their respective controlled Affiliates (collectively, the "Seller Party Group") shall be precluded from, directly or indirectly:

(i) owning any equity interest in any Person that engages in a Competing Activity, as a result of or otherwise in connection with: (x) any acquisition transaction in which any Principal Shareholder is acquiring, directly or indirectly, one or more businesses engaged in any activity in addition to a Competing Activity; provided that such Competing Activity by value is less than 25% of the value of the business or businesses being acquired; or (y) the enforcement of a security interest held as a result of engaging in an otherwise permissible activity; provided, that the Seller Party Group shall, as soon as reasonably practicable after acquiring the assets constituting the Competing Activity or secured by such security interest, and on a basis consistent with maximizing value in the ordinary course of business, use commercially reasonable efforts to divest itself of such assets, unless the Seller Party Group would otherwise not be prohibited from holding such assets pursuant to this Section 5.2;

(ii) engaging, or owning an interest, in any type of business other than a Competing Activity that any member of the Seller Party Group is engaged in as of the date of the Stock Purchase Agreement (regardless of the legal form or Person through which such business may be conducted from time to time), including, without limitation, the Laminate Business (as defined in the Stock Purchase Agreement); or

(iii) without prejudice to and without limiting sub-section (ii) above, owning any Capital Stock in any Person that engages in a Competing Activity in the ordinary course of business of any member of the Seller Party Group; provided, that such Capital Stock constitutes less than 5% of the Capital Stock of such Person, and such Capital Stock is listed on a securities exchange or a stock exchange in any jurisdiction.

Section 5.3. Non-Solicitation. Subject to Section 5.4, each of Mr. Tang, Tang Siblings, Seller, Seller Parent and the Principal Shareholders agrees that, except to the extent as may violate Applicable Law, for the period commencing on the Closing Date and expiring on the thirty-sixth month anniversary of the Closing Date, without the prior written consent of the

Company, neither it nor any of its Affiliates shall, directly or indirectly (other than on behalf of the Company or one of its controlled Affiliates), (i) solicit or recruit for employment or any similar arrangement any management level employee of a Transferred Entity designated as a manager on the Closing Date (each, a “Manager”), (ii) hire or assist any other Person in hiring any such Manager or (iii) solicit or encourage any such Managers to leave such Manager’s employment; provided, however, that this Section 5.3 (x) shall not apply to Managers who have not been employed by the Company or any of its controlled Affiliates (including the Transferred Entities) at any time during the sixth month prior to the applicable inducing, encouraging, soliciting or hiring, (y) shall not apply to Persons whose employment was terminated by the Company or any of its controlled Affiliates and (z) shall not prohibit general solicitations for employment through advertisements or other means (including the hiring of any Person resulting therefrom that is not known to be a Manager, to the extent the solicitation is non-targeted).

Section 5.4. Termination. This Agreement shall terminate and be of no further force or effect (except for this Section 5.4, Sections 5.15 through 5.18 and the obligations of the parties contained in Section 5.2 (Non-Compete) and Section 5.3 (Non-Solicitation), which obligations shall survive subject to the terms set forth therein) (i) upon the unanimous written consent of the parties hereto, (ii) automatically and without any further action by the parties hereto upon the dissolution of the Company in accordance with Applicable Law, or (iii) automatically and without any further action by the parties hereto upon the earlier of (A) the 181st day next following the time when the Principal Shareholders and their respective Affiliates or any Group containing one or more Principal Shareholders or their respective Affiliates Beneficially Own shares of Company Common Stock representing less than 9.9% of the Total Voting Power or (B) the occurrence of a Change of Control Event (to the extent that CFIUS shall not have objected to or taken any action to block or enjoin such termination within 30 days following the occurrence of such Change of Control Event). Notwithstanding anything to the contrary in this Agreement, if this Agreement is terminated upon the occurrence of a Change of Control Event in accordance with this Section 5.4, the restrictions on Transfer in Section 3.2(c) shall also survive such termination. This Agreement shall terminate and be of no further effect with respect to a party (other than Mr. Tang, the Tang Siblings or the Company) when it ceases to be a Principal Shareholder. Nothing in this Section 5.4 shall be deemed to release any party from any liability for any fraud or willful breach of this Agreement occurring prior to the termination hereof or to impair the right of any party to compel specific performance by any other party of its obligations under this Agreement.

Section 5.5. Representations of the Company. The Company hereby represents and warrants to the Principal Shareholders and Tang Siblings that (i) this Agreement has been duly and validly authorized by the Company and all necessary and appropriate action has been taken by the Company to execute and deliver this Agreement and to perform its obligations hereunder and (ii) this Agreement has been duly and validly executed and delivered by the Company and assuming the due authorization and valid execution and delivery by the other parties hereto, this Agreement is a valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws relating to or affecting creditors’ rights generally or by general equitable principles.

Each of Mr. Tang and the Tang Siblings hereby represents and warrants to the Company that (i) he or she has full legal capacity to execute and deliver this Agreement and to perform his or her obligations hereunder and (ii) assuming the due authorization and valid execution and delivery by the other parties hereto, this Agreement is a valid and binding obligation of Mr. Tang and such Tang Sibling, enforceable against him or her in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally or by general equitable principles. If Mr. Tang or such Tang Sibling is married, and Mr. Tang or such Tang Sibling needs spousal or other approval for this Agreement to be valid and binding, the execution and delivery of this Agreement and the performance of his obligations hereunder have been duly authorized by Mr. Tang's or such Tang Sibling's spouse.

Section 5.8. Ownership Information. For purposes of this Agreement, all determinations of the amount of outstanding Capital Stock of the Company shall be based on information set forth in the most recent quarterly or annual report, and any current report subsequent thereto, filed by the Company with the Commission, unless the Company shall have updated such information by delivery of written notice to Mr. Tang.

Section 5.9. Savings Clause. No provision of this Agreement shall be construed to require any party or its Affiliates to take any action that would violate any Applicable Law.

Section 5.10. Amendment and Waiver. Except as otherwise provided herein, this Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto at the relevant time. No modification, amendment or waiver of any provision of this Agreement, and no giving of any consent provided for hereunder, in either case, with respect to the Company shall be effective unless such modification, amendment, waiver or consent is approved by a majority of the Directors and with respect to the Principal Shareholders (other than Mr. Tang), unless signed by each Principal Shareholder which at the relevant time is a party hereto, with respect to Mr. Tang, signed by Mr. Tang and with respect to a Tang Sibling, signed by such Tang Sibling. The failure of any party to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of such provisions and shall not affect the right of such party thereafter to enforce each and every provision of this Agreement in accordance with its terms.

Section 5.11. Severability. If any provision of this Agreement shall be declared by any court of competent jurisdiction to be illegal, void or unenforceable, all other provisions of this Agreement shall not be affected and shall remain in full force and effect.

Section 5.12. Entire Agreement. Except as otherwise expressly set forth herein, this Agreement, the Stock Purchase Agreement and the other Ancillary Agreements (as defined in the Stock Purchase Agreement), together with the several agreements and other documents and instruments referred to herein or therein or annexed hereto or thereto or delivered in connection herewith or therewith, embody the complete agreement and understanding among the parties hereto with respect to the subject matter hereof and, except in the case of fraud, supersede and preempt any prior understandings, agreements or representations by or among the parties, written or oral, that may have related to the subject matter hereof in any way.

Section 5.14. Counterparts. This Agreement may be executed in separate counterparts each of which shall be an original and all of which taken together shall constitute one and the same agreement.

Section 5.15. Remedies.

(a) Each party hereto acknowledges that monetary damages would not be an adequate remedy in the event that each and every one of the covenants or agreements in this Agreement are not performed in accordance with their terms, and it is therefore agreed that, in addition to, and without limiting, any other remedy or right it may have, the non-breaching party will have the right to an injunction, temporary restraining order or other equitable relief in any court of competent jurisdiction enjoining any such breach and enforcing specifically each and every one of the terms and provisions hereof. Each party hereto agrees not to oppose the granting of such relief in the event a court determines that such a breach has occurred, and to waive any requirement for the securing or posting of any bond in connection with such remedy.

(b) All rights, powers and remedies provided under this Agreement or otherwise available in respect hereof at law or in equity shall be cumulative and not alternative, and the exercise or beginning of the exercise of any thereof by any party shall not preclude the simultaneous or later exercise of any other such right, power or remedy by such party.

to the extent that such notice, written communication, certificate, instrument and other document is required by Applicable Law to be in a language other than English.

Section 5.17. Governing Law. THIS AGREEMENT, THE LEGAL RELATIONSHIP BETWEEN THE PARTIES AND THE ADJUDICATION AND THE ENFORCEMENT HEREOF AND THEREOF, SHALL BE GOVERNED BY AND INTERPRETED AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL, SUBSTANTIVE AND PROCEDURAL LAWS OF THE STATE OF DELAWARE APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED WHOLLY WITHIN THAT JURISDICTION, WITHOUT GIVING EFFECT TO THE CONFLICTS OF LAW RULES AND PRINCIPLES THEREOF.

Section 5.18. Consent to Jurisdiction.

(a) Each party to this Agreement, by its execution hereof, hereby:

(i) irrevocably and unconditionally submits to the exclusive jurisdiction in the Court of Chancery of the State of Delaware or any federal court of the United States located in the State of Delaware, for the purpose of any and all actions, suits or proceedings arising in whole or in part out of, related to, based upon or in connection with this Agreement or the subject matter hereof;

(ii) waives to the extent not prohibited by Applicable Law, and agrees not to assert, by way of motion, as a defense or otherwise, in any such action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that any such action brought in one of the above-named courts should be dismissed on grounds of forum non conveniens, should be transferred to any court other than one of the above-named courts, or should be stayed by reason of the pendency of some other proceeding in any other court other than one of the above-named courts, or that this Agreement or the subject matter hereof may not be enforced in or by such court, and

(iii) agrees not to commence any such action other than before one of the above-named courts nor to make any motion or take any other action seeking or intending to cause the transfer or removal of any such action to any court other than one of the above-named courts whether on the grounds of forum non conveniens or otherwise.

(b) The Principal Shareholders hereby irrevocably and unconditionally designate, appoint, and empower The Corporation Trust Company, Corporation Trust Center, 1209 Orange Street, Wilmington, Delaware 19801, as their respective designee, appointee and agent to receive, accept and acknowledge for and on their behalf service of any and all legal process, summons, notices and documents that may be served in any action, suit or proceeding brought against the Principal Shareholders in any such United States federal or state court with respect to their obligations, liabilities or any other matter arising out of or in connection with this Agreement and that may be made on such designee, appointee and agent in accordance with legal procedures prescribed for such courts. If for any reason such designee, appointee and agent hereunder shall cease to be available to act as such, the Principal Shareholders agree to designate a new designee, appointee and agent in the State of Delaware on the terms and for the purposes

of this Section 5.18 reasonably satisfactory to the Company. The Principal Shareholders agree that the failure of any such designee, appointee and agent to give any notice of such service to them shall not impair or affect in any way the validity of such service or any judgment rendered in any action or proceeding based thereon.

Section 5.19. Shareholder Capacity. Each Principal Shareholder executes this Agreement solely in its capacity as a shareholder of the Company, and nothing in this Agreement shall limit or restrict any Principal Shareholder or any of its Affiliates who is or becomes during the term hereof a member of the Board, or a member of the board of directors of Asian Holdco or any Asian PCB Entity, from acting, omitting to act or refraining from taking any action, solely in such Person's capacity as a member of the Board, or a member of the board of directors of Asian Holdco or any Asian PCB Entity, in each case, consistent with his fiduciary duties in such capacity under Applicable Law.

Section 5.20. Methodology for Calculations. Section 5.21. Further Assurances.

(a) Following the Closing Date, upon the reasonable request of any party or parties hereto, the other parties hereto, as the case may be, agree to promptly execute and deliver such further instruments of assignment, transfer, conveyance, endorsement, direction or authorization and other documents as may be requested to effectuate the purposes of this Agreement.

(b) In the event of any inconsistency between the provisions of this Agreement and the Certificate of Incorporation and Bylaws of the Company or any Organizational Documents of any of Asian Holdco, the Asian PCB Entities or Subsidiaries of Asian Holdco, the provisions of this Agreement shall prevail as between the parties only, who hereby undertake to take such steps as may be necessary or desirable to amend the Certificate of Incorporation and Bylaws of the Company or any Organizational Documents of any of Asian Holdco, the Asian PCB Entities or Subsidiaries of Asian Holdco, as applicable, to remove such conflict to the fullest extent permitted by Applicable Law.

TTM TECHNOLOGIES, INC. SIGNS DEFINITIVE AGREEMENT TO CREATE A BUSINESS COMBINATION WITH MEADVILLE HOLDINGS LIMITED'S PRINTED CIRCUIT BOARD BUSINESS

SANTA ANA, CA — November 16, 2009 — TTM Technologies, Inc. (Nasdaq: TTMI), North America's largest printed circuit board (PCB) manufacturer, today announced the signing of a definitive agreement to create a business combination with Meadville Holdings Limited's PCB business ("Meadville PCB"). Meadville Holdings Limited (HKSE: 3313.HK) is a Hong Kong listed company and a leading provider of volume high-end PCBs. The combination will create one of the largest PCB manufacturers in the world with combined 2008 annual sales of \$1.35 billion.

"The combined scale, complementary product capabilities, and market breadth of these two great companies will create significant competitive advantages in the increasingly dynamic printed circuit board industry," said Kent Alder, President and CEO of TTM. "Together, we will have a more diversified customer base with little overlap, broader end-market exposure, and expanded capabilities to service customers on a global basis."

As part of the transaction, TTM will acquire Meadville's PCB business in exchange for an equity purchase price of approximately \$521 million which will be payable in the form of cash and TTM common stock. This implies a transaction enterprise value of approximately \$936 million. The debt being assumed is in the form of a new fully committed bank facility with a syndicate of seven leading Asian banks.

Commenting on the proposed PCB transaction, Tom Tang, Executive Chairman and Group Managing Director of Meadville, said, "The combination of Meadville and TTM will create a leading global player in the PCB industry with a "Global Presence, Local Knowledge" strategy. The proposed transaction enables us to further capture growing worldwide potential by sharpening our market competitiveness and extending our global presence. The combined efforts of TTM and Meadville will strengthen our platform in the growing Asia region while complementing TTM's existing U.S. footprint."

The combination is expected to be accretive to earnings without synergies within the first year post-closing. This statement is not intended to be a profit forecast and should not be interpreted to mean that earnings for any subsequent financial period would necessarily be greater than those of any preceding financial period.

Meadville PCB had unaudited revenue for the trailing 12 months ended June 30, 2009, of approximately \$641 million and adjusted EBITDA of approximately \$119 million. Services offered by Meadville PCB range from circuit design through volume production manufacturing. Meadville's facilities primarily service the Networking/Communications, Handsets, Computing and High-end Consumer Products markets, and are focused on more technically complex commercial PCB products. Headquartered in Hong Kong, Meadville PCB has diverse capabilities which are offered through its eight specialized facilities in China (7) and Hong Kong (1).

The transaction is expected to be completed in the first quarter of 2010, subject to customary closing conditions and shareholder and regulatory reviews in both the United States and Hong Kong, including review by the U.S. Department of Defense and the Committee on Foreign Investment in the United States.
