TRANSACTIONS

On 16 November 2009, Meadville and MTG Investment entered into a stock purchase agreement with TTM, TTM International and TTM HK to conditionally sell the PCB Business to TTM HK for a consideration of approximately US\$521.3 million (equivalent to approximately HK\$4,040.5 million). TTM, TTM International and TTM HK are third parties independent of Meadville. On the same day, MTG Investment entered into a sale and purchase agreement with Top Mix to conditionally sell the Laminate Business to Top Mix for a consideration of approximately HK\$2,783.8 million. Top Mix is a connected person of Meadville.

The consideration for the PCB Sale will be payable to Meadville (as directed by MTG Investment) on the Completion Date by TTM in cash as to approximately US\$114.0 million (equivalent to approximately HK\$883.8 million) and by issuing new TTM Shares as to approximately US\$407.3 million (equivalent to approximately HK\$3,156.7 million). UBS is satisfied that sufficient financial resources are available to TTM for the payment in cash of the cash component of such consideration.

The consideration for the Laminate Sale will be payable to Meadville (as directed by MTG Investment) on the Completion Date by Top Mix in cash as to approximately HK\$136.6 million and by issuing the Promissory Notes in an aggregate principal amount of approximately HK\$2,647.2 million. Somerley is satisfied that sufficient financial resources are available to Top Mix for the payment in cash of the cash component of such consideration.

The Transactions are conditional upon the fulfillment (or, if applicable, waiver) of the conditions described in the relevant sections of this announcement (including obtaining approval for the Withdrawal Proposal, the Deregistration and Continuation and the Proposed Distribution by the Independent Shareholders or the Shareholders at the EGM). If the conditions are not fulfilled (or, if applicable, not waived) on or before the Long Stop Date, the Transactions may be terminated in accordance with the terms of the PCB Agreement and the Laminate Agreement, respectively. If the Transactions are not completed by the Termination Date, the Proposal will lapse.

The PCB Sale will constitute a very substantial disposal and a very substantial acquisition (in respect of the TTM Shares to be received by Meadville as part of the consideration), and the Laminate Sale will constitute a major transaction and a connected transaction, for Meadville pursuant to the Listing Rules. The Executive has confirmed that the Transactions will be treated as a proposal by TTM HK and Top Mix to privatise Meadville and, therefore, the Transactions are also subject to the Takeovers Code.

As at the Latest Practicable Date, there were 1,964,000,000 Meadville Shares in issue. As at the Latest Practicable Date, Top Mix and the parties acting in concert with it held an aggregate of 1,417,561,000 Meadville Shares (representing approximately 72.2% of the Meadville Shares in issue). As at 12 November 2009, TTM HK and the parties acting in concert with it (other than Top Mix, Su Sih and Mr. Tang) did not hold any Meadville Shares. As at the Latest Practicable Date, the Independent Shareholders held an aggregate of 546,439,000 Meadville Shares (representing approximately 27.8% of the Meadville Shares in issue).

The Independent Shareholders will be entitled to vote at the EGM to consider and approve, among other things, the Transactions.

WITHDRAWAL PROPOSAL

Following completion of the PCB Sale and the Laminate Sale, Meadville's assets will comprise wholly or substantially cash, TTM Shares and the Promissory Notes. As Meadville will not then be able to meet the requirements in Listing Rule 13.24, the Meadville Directors propose to withdraw the listing of Meadville Shares on the Stock Exchange in conjunction with, and as a condition precedent to, the Proposed Distribution.

DEREGISTRATION AND CONTINUATION

In order to make the Proposed Distribution in a timely and efficient manner, Meadville proposes to deregister in the Cayman Islands and continue in the British Virgin Islands as a British Virgin Islands business company.

PROPOSED DISTRIBUTION BY WAY OF DIVIDEND

Meadville will propose that, subject to the fulfillment of certain conditions (including completion of the Transactions, the Withdrawal Proposal and the Deregistration and Continuation), it will make a distribution by way of the Dividend on the Distribution Date in favour of the Shareholders of the aggregate consideration from the PCB Sale and the Laminate Sale (plus the accrued interest on the Promissory Notes to be paid as at the Distribution Date). The Dividend will comprise cash (part of which will be satisfied by the distribution of the Promissory Notes to the Controlling Shareholders) and TTM Shares (or, if applicable, net cash proceeds from the sale of the relevant TTM Shares). The aggregate value of the Dividend (not taking into account the accrued interest on the Promissory Notes to be paid as at the Distribution Date) per Meadville Share is approximately HK\$3.47, which represents a premium of approximately 61.4% over the last trading price of HK\$2.15 per Meadville Share as quoted on the Stock Exchange on the Last Trading Date.

As the cash component of the consideration for the PCB Sale will be paid in US\$ by TTM, the amount that will be distributed to the Shareholders as part of the Dividend in respect of such consideration will be at the prevailing HK\$ equivalent of approximately US\$114.0 million on or before the Distribution Date. If Meadville (through AVA International, a wholly-owned subsidiary of MTG Laminate) sells any of its shareholding in GSST prior to the Completion Date at a sale price per GSST share above the GSST Reference Price, Meadville will distribute the incremental net amount above the GSST Reference Price for each GSST share that is sold, assuming the Transactions have been completed, to the Shareholders as dividends on the Distribution Date.

Following completion of the Proposed Distribution, the Meadville Directors will resolve to wind up Meadville. If the conditions are not fulfilled, the Proposed Distribution will not be made.

INDEPENDENT BOARD COMMITTEE

The IBC (comprising Mr. Eugene Lee, Mr. Leung Kwan Yuen, Andrew and Dr. Li Ka Cheung, Eric who are the independent non-executive directors of Meadville) has been formed to advise the Independent Shareholders as to whether the Transactions (as a whole), the Laminate Sale (as a connected transaction) and the Withdrawal Proposal are, in each case, fair and reasonable and to make recommendations as to voting. Meadville, with the approval of the IBC, will appoint an IFA to advise the IBC on such matters. A further announcement will be made by Meadville upon the appointment of the IFA.

CIRCULAR

The Circular will be despatched to the Shareholders as soon as practicable and in compliance with the requirements of the Listing Rules and the Takeovers Code.

SUSPENSION AND RESUMPTION OF TRADING OF MEADVILLE SHARES

At the request of Meadville, trading of Meadville Shares on the Stock Exchange was suspended from 3:19 pm on 30 October 2009, pending the issue of this announcement. An application has been made by Meadville to the Stock Exchange for the resumption of trading of Meadville Shares on the Stock Exchange with effect from 9:30 am on 17 November 2009.

WARNING

Shareholders and potential investors should be aware that the Proposal is subject to the relevant conditions set out below being fulfilled (or, if applicable, waived) and may or may not be completed or effected, as the case may be. Shareholders and potential investors are advised to exercise caution when dealing in Meadville Shares.

INTRODUCTION

On 16 November 2009, Meadville and MTG Investment entered into a stock purchase agreement with TTM, TTM International and TTM HK to conditionally sell the PCB Business to TTM HK for a consideration of approximately US\$521.3 million (equivalent to approximately HK\$4,040.5 million) which will be payable to

Meadville (as directed by MTG Investment) by TTM in cash and TTM Shares. At the same time, MTG Investment entered into a sale and purchase agreement with Top Mix to conditionally sell the Laminate Business to Top Mix for a consideration of approximately HK\$2,783.8 million which will be payable to Meadville (as directed by MTG Investment) by Top Mix in cash and the Promissory Notes.

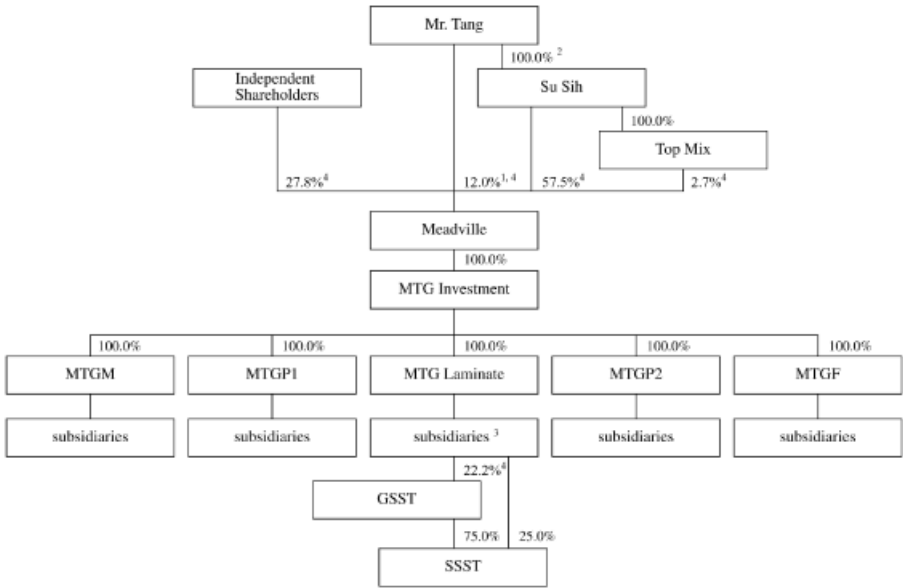

Meadville proposes, subject to certain conditions set out below (including obtaining approval for the Withdrawal Proposal, the Deregistration and Continuation and the Proposed Distribution by the Independent Shareholders or the Shareholders at the EGM), to distribute the aggregate consideration from the Transactions (plus the accrued interest on the Promissory Notes to be paid as at the Distribution Date) to the Shareholders, and to subsequently delist from the Stock Exchange. Meadville also proposes to deregister from the Cayman Islands and continue in the British Virgin Islands as a British Virgin Islands business company in order to make the Proposed Distribution in a timely and efficient manner. Following completion of the Proposed Distribution, Meadville will be wound up.

Given (i) the attractive premium of the Dividend over the recent trading prices of Meadville Shares; and (ii) the opportunity for the Shareholders to continue their investment in the PCB industry by way of having an interest in the Combined PCB Business through holding the TTM Shares to be distributed to the Shareholders in the Proposed Distribution, the Meadville Directors (other than members of the IBC who will express their view after receiving advice from the IFA) consider the Proposal to be in the interests of the Shareholders and are putting forward the Proposal for consideration by the relevant Shareholders at the EGM.

The PCB Sale will constitute a very substantial disposal and a very substantial acquisition (in respect of the TTM Shares to be received by Meadville as part of the consideration), and the Laminate Sale will constitute a major transaction and a connected transaction, for Meadville pursuant to the Listing Rules. The Executive has confirmed that the Transactions will be treated as a proposal by Top Mix and TTM HK to privatise Meadville and, therefore, the Transactions are also subject to the Takeovers Code.

PCB SALE

On 16 November 2009, Meadville and MTG Investment (together, the “PCB Sellers”) and TTM, TTM International and TTM HK (together, the “PCB Buyers”) entered into a stock purchase agreement pursuant to which MTG Investment has conditionally agreed to sell, and TTM HK has conditionally agreed to purchase, the

\

PCB Business by acquiring the entire issued share capital of each of the PCB Holdcos free from all Encumbrances and from all other rights exercisable by or claims by third parties, together with all rights attaching or accruing to them as at the Completion Date. The PCB Sale is subject to the conditions set out in the sub-section of this announcement headed “Conditions of the PCB Sale”.

To the best of the Meadville Directors’ knowledge, information and belief having made all reasonable enquiries, the TTM Group is a third party independent of Meadville and not a connected person of Meadville.

Consideration for the PCB Sale

The consideration for the PCB Sale is approximately US\$521.3 million (equivalent to approximately HK\$4,040.5 million) and has been determined by arm’s length negotiation between the parties with reference to, among other things, market and industry dynamics, the historical operations and financial performance of the PCB Business and other factors which the parties considered to be relevant.

The consideration for the PCB Sale will be payable on the Completion Date by TTM in cash as to approximately US\$114.0 million (equivalent to approximately HK\$883.8 million) and by issuing 36,334,000 new TTM Shares (representing an aggregate value of approximately US\$407.3 million (equivalent to approximately HK\$3,156.7 million)), based on the closing price of US\$11.21 (equivalent to approximately HK\$86.88) per TTM Share as at the TTM Last Trading Date to Meadville (as directed by MTG Investment). The number of TTM Shares to be issued as part of the consideration for the PCB Sale will be adjusted accordingly if TTM effects a reclassification, share split, dividend or other similar changes with respect to its share capital prior to the Completion Date.

The closing price per TTM Share as quoted on NASDAQ on the TTM Last Trading Date was US\$11.21 (equivalent to approximately HK\$86.88). The new TTM Shares to be issued as part of the consideration for the PCB Sale will be credited as fully-paid and rank pari passu in all respects with the TTM Shares in issue as at the date of issue of the new TTM Shares.

Financial Resources

UBS has been appointed as the financial adviser to TTM and TTM HK in respect of the Transactions. UBS is satisfied that sufficient financial resources are available to TTM for the payment in cash of the cash component of the consideration for the PCB Sale payable by TTM. TTM will finance such cash consideration by funds made available from existing cash resources.

Conditions of the PCB Sale

The PCB Sale is conditional upon the fulfilment (or, if applicable, waiver) of each of the following conditions:

- (a) approval of the PCB Sale, the Laminate Sale, the Withdrawal Proposal, the Deregistration and Continuation and the Proposed Distribution by passing the necessary resolutions at the EGM in accordance with the requirements of the Listing Rules and applicable laws;

- (t) no law being in effect enjoining completion of the PCB Sale or enjoining the acquisition by Meadville of any TTM Shares, or restraining or prohibiting the consummation of the transactions contemplated by the PCB Agreement, other than any law, the violation of which would not result in (i) any conditions, limitations, restrictions or requirements imposed on the PCB Sellers or any of their controlled affiliates in connection with obtaining or failing to obtain approval of any Authority to the transactions contemplated by the PCB Agreement; or (ii) any prohibition which would be materially adverse to the business of Meadville and its controlled affiliates, or MTG Laminate and its controlled affiliates, in each case, taken as a whole, or placing limitation on the ownership of TTM Shares by Meadville; and

Except for conditions (a), (b), (c) and (f) which cannot be waived by either party, all or any of conditions (d),(e) and (g) to (k) may be waived by Meadville and TTM and all or any of conditions (l) to (u) may be waived by either party in respect of the other party. It is currently expected that completion of the PCB Sale will take place in the first quarter of 2010.

If all the conditions set out above are not fulfilled (or, if applicable, not waived) on or before the Long Stop Date, each of Meadville and TTM will have the right to terminate the PCB Agreement as set out in the sub-section of this announcement headed "Termination of the PCB Agreement". If the PCB Sale is not completed by the Termination Date, the Proposal will lapse.

Acquisition of TTM Shares

Pursuant to the PCB Agreement, TTM has agreed to (i) enrol in a directed share sale program (a program operated by the transfer agent of TTM for the Shareholders to sell their TTM Shares as described in the sub-section of this announcement headed "TTM Shares in Electronic Form") with its transfer agent and to maintain such program for a period of three years following the Completion Date; and (ii) assist MTG Investment, Meadville and each of the Shareholders who elect to receive their TTM Shares by book entry (ie, option (a)

Non-solicitation

Each of the PCB Buyers agreed that neither it nor any of its affiliates (including the PCB Holdcos following completion of the PCB Sale) will, among others:

- (a) subject to completion of the PCB Sale, for a period from the date of the PCB Agreement to the date which is 36 months after the Completion Date, without the prior written consent of Meadville, induce, encourage or solicit any employees of any of the PCB Sellers or their affiliates (other than transferred employees) to leave their employment or to accept employment with any of the PCB Buyers or their affiliates (including the PCB Holdcos following completion of the PCB Sale) or hire or assist any person in doing so;
- (b) for a period from the date of the PCB Agreement to the Completion Date, induce, encourage or solicit any employees of any of the PCB Holdcos and their respective affiliates to leave their employment with any of the PCB Sellers or their respective affiliates (including the PCB Holdcos) prior to completion of the PCB Sale or hire or assist any person in doing so; and
- (c) if the PCB Agreement is terminated, for a period of two years from the date of such termination, induce, encourage or solicit any employees of the PCB Holdcos and their respective affiliates (in respect of which any of the PCB Buyers and their affiliates have received information on such employees) to leave their employment or to accept employment with any of the PCB Buyers or their affiliates or hire or assist any person in doing so,

provided that the foregoing will not apply to (i) employees that have not been employed by any of the PCB Sellers or their affiliates at any time during the six months prior to the applicable inducing, encouraging, soliciting or hiring; (ii) employees whose employment was terminated by any of the PCB Sellers or their affiliates; and (iii) general solicitation for employment through advertisement or other means (including hiring of any person from such solicitation that is not known to be an employee of the PCB Sellers, to the extent such solicitation is not targeted).

Termination of the PCB Agreement

The PCB Agreement may be terminated at any time prior to completion of the PCB Sale by written agreement between Meadville and TTM, or by written notice from either Meadville or TTM:

- (a) if the conditions of the PCB Sale have not been satisfied (or, if applicable, waived) on or before the Long Stop Date and the party requesting the termination has not wilfully breached a covenant in the PCB Agreement, provided that either party may extend the date for satisfying or waiving conditions (f), (g), (h), (s) or (t) in the sub-section of this announcement headed “Conditions of the PCB Sale” to the Termination Date if certain conditions have been satisfied (or, if applicable, waived) on or before the Long Stop Date;
- (b) if any law has been enacted or enforced in a manner to prohibit completion of the PCB Sale, provided that such party has used its commercially reasonable efforts to remove the prohibitions imposed by such law;
- (c) if (in the case of Meadville) the PCB Buyers and (in the case of TTM) the PCB Sellers have failed to comply with any obligation or covenant in the PCB Agreement or breached any representation or warranty, the breach or failure to comply of which prevents completion of the PCB Sale, and such breach or failure to comply is not capable of being remedied (or, if capable of being remedied, not remedied by the earlier of the date which is 30 days following the date of delivery of a written notice of such breach to the other party or the date of termination of the PCB Agreement);
- (d) if a Material Adverse Effect has occurred and is not capable of being remedied (or, if capable of being remedied, is not remedied by the earlier of the date which is 30 days following the date of delivery of a written notice of such breach to the other party or the date of termination of the PCB Agreement); or
- (e) if the requisite approvals from the shareholders of (in the case of Meadville) TTM and (in the case of TTM) Meadville in respect of the Proposal have not been obtained.

If the PCB Agreement is terminated, the Proposal will lapse.

Use of Proceeds of the PCB Sale

Meadville will distribute the sale proceeds to the Shareholders as described in the section of this announcement headed “Proposed Distribution by way of Dividend”.

Information on the PCB Holdcos

The PCB Holdcos (through their subsidiaries) operate the PCB Business in the Meadville Group and engage in the business of manufacturing and distributing PCB (including circuit design, quick-turn-around services and drilling and routing services). The top five customers of the PCB Business accounted for approximately 39% of the revenue of the PCB Business in 2008.

Certain PCB Holdcos and certain of their subsidiaries have entered into the Credit Agreement with seven banks (including HSBC) pursuant to which the banks, subject to the satisfaction of certain conditions to drawdown, will provide credit facilities in the total amount of approximately US\$582.5 million (equivalent to approximately HK\$4,514.5 million) to certain subsidiaries of the PCB Holdcos to be used for refinancing certain existing facilities due to the change of control of the PCB Holdcos resulting from the PCB Sale and as working capital for the PCB Business.

The credit facilities consist of four tranches comprising (a) tranche A of a US\$350 million (equivalent to approximately HK\$2,712.6 million) term loan with an interest rate per annum of the London interbank offered rate plus 200 basis points; (b) tranche B of a US\$87.5 million (equivalent to approximately HK\$678.1 million) revolving credit facility with an interest rate per annum of the London interbank offered rate plus 225 basis points; (c) tranche C of a US\$65 million (equivalent to approximately HK\$503.8 million) revolving invoice/trade credit facility with an interest rate per annum of the London interbank offered rate plus 125 basis points; and (d) tranche D of a US\$80 million (equivalent to approximately HK\$620.0 million) letter of credit. All tranches are subject to a commitment fee of 0.2% per annum on the undrawn and uncanceled amount and each has a tenor of four years.

In terms of security, among others, after completion of the PCB Sale and prior to the first request of funding under the Credit Agreement, (a) certain assets in connection with the PCB Business will be pledged as collateral; and (b) each of TTM, TTM International and TTM HK will provide a corporate guarantee in respect of the credit facilities.

TTM, TTM International and TTM HK are not parties to the Credit Agreement but will join as parties to the Credit Agreement after completion of the PCB Sale and prior to the first request for funding under the Credit Agreement by way of accession agreements.

The Credit Agreement contains the following key financial covenants:

- (a) in terms of consolidated tangible net worth, (i) TTM HK shall ensure that the consolidated tangible net worth of the TTM HK Group is, at any time, (A) not less than HK\$1,700 million (from 31 December 2009 to (and including) 30 December 2010); (B) not less than HK\$1,900 million (from 31 December 2010 to (and including) 30 December 2011); and (C) not less than HK\$2,100 million (from 31 December 2011); and (ii) for the same periods of time, TTM shall ensure that the consolidated tangible net worth of the TTM Group is not less than US\$400 million (equivalent to approximately HK\$3,100.1 million);

Intention with regard to the PCB Business

TTM intends that the PCB Holdcos will continue to carry on the PCB Business and does not intend to introduce any material changes to the existing operating and management structure of the PCB Business, subject to a continuing review of the operations and the development of a plan to realise synergies with the PCB operations of TTM. TTM does not intend to make any material changes to the continued employment of the employees of the PCB Business.

Listing Rules and Takeovers Code Implications*Very Substantial Disposal*

The applicable percentage ratios (as defined in the Listing Rules) in respect of the PCB Sale constitute a very substantial disposal for Meadville under Listing Rule 14.06(4).

Very Substantial Acquisition

Pursuant to Listing Rule 14.24, the PCB Sale also constitutes a very substantial acquisition (in respect of the TTM Shares to be received by Meadville as part of the consideration) for Meadville under Listing Rule 14.06(5).

Therefore, the PCB Sale is subject to the disclosure, reporting and shareholders' approval requirements pursuant to Listing Rules 14.34 to 14.37, 14.38A and 14.48 to 14.53.

Takeovers Code

Note 7 to Rule 2 of the Takeovers Code also applies to the PCB Sale to require the PCB Sale to be approved by at least 75% of the votes held by the Independent Shareholders who vote in person or by proxy at the EGM, with the number of votes cast against the PCB Sale being not more than 10% of the votes attaching to the Meadville Shares held by all the Independent Shareholders.

The EGM will be convened to consider and approve, among other things, the PCB Sale. The Controlling Shareholders, TTM and any other persons acting in concert with either the Controlling Shareholders or TTM will abstain from voting at the EGM in respect of the resolutions to be proposed to approve the PCB Sale.

Shareholders' Agreement

As TTM supplies to the US Defense Department and to companies in the United States having national security sensitivities, the Transactions will be subject to review and approval by CFIUS. CFIUS determines the effects of a transaction on the national security of the United States and addresses measures to mitigate any national security concerns in the United States. As Su Sih (based outside the United States) will become the largest shareholder of TTM after the Proposed Distribution, CFIUS would be concerned about the control and influence of Su Sih over TTM's operations. In the context of seeking approval from CFIUS and for commercial reasons that TTM does not wish for any shareholders and their affiliates to have control over TTM after completion of the PCB Sale, Mr. Tang, the Tang Siblings, Su Sih and TTM have negotiated certain provisions which are set out in the Shareholders' Agreement to limit the voting influence of the Relevant Tang Shareholders over TTM but permitting the Relevant Tang Shareholders to control the PCB business in Asia. A summary of the Shareholders' Agreement is set out below.

Corporate Governance and Shareholding

Subject to completion of the PCB Sale, TTM, Meadville, Su Sih, Mr. Tang and the Tang Siblings will enter into the Shareholders' Agreement on the Completion Date. The Shareholders' Agreement will terminate (i) by written agreement between the parties to the Shareholders' Agreement; (ii) upon the dissolution of TTM; or (iii) upon the earlier of (a) the 181st day next following the date on which Mr. Tang and the **"Relevant Tang Shareholders"** (which for the purposes of this sub-section of this announcement include Mr. Tang and his affiliates, including Meadville before the Distribution Date and Su Sih from the Distribution Date, who are holding TTM Shares at the relevant time and join as parties to the Shareholders' Agreement) hold less than 9.9% of the voting securities of TTM; and (b) the occurrence of a TTM Change of Control Event (to the extent that CFIUS shall not have objected to or taken any action to block or enjoin such termination within 30 days following the occurrence of such TTM Change of Control Event). Pursuant to the Shareholders' Agreement, Mr. Tang and the Tang Siblings will undertake to TTM that, if they acquire any TTM Shares (except from the issuance of equity awards (including share options, restricted share units or restricted shares) issued by TTM to them as directors or employees of TTM or any of its subsidiaries in the ordinary course of business and the issuance of any TTM Shares upon the exercise of such equity awards), they will agree to become a "Relevant Tang Shareholder" and be bound by the other restrictions set out in the Shareholders' Agreement.

At any time from the Completion Date until termination of the Shareholders' Agreement (the "**Effective Period**"), the Relevant Tang Shareholders will have the right to nominate a director to the TTM Board and to nominate a majority of directors to each of the board of directors of TTM HK, the PCB Holdcos and their subsidiaries and any other subsidiary of TTM which will operate the PCB business in Asia. Subject to certain reserved rights for the TTM Board, the Relevant Tang Shareholders will have control of the management of the PCB business in Asia. It is expected that Mr. Tang Chung Yen, Tom will be nominated to the TTM Board and the current chief executive officer of Meadville, Mr. Chung Tai Keung, Canice, will be the chief executive officer of the PCB business in Asia after completion of the PCB Sale.

Mr. Tang and the Relevant Tang Shareholders undertake that, without the approval of the TTM Board, they will not at any time during the Effective Period permit Mr. Tang or any of his affiliates to increase their aggregate percentage holding of TTM Shares above such percentage of the issued share capital of TTM equal to (i) such number of TTM Shares to be distributed to the Relevant Tang Shareholders following the completion of the PCB Sale, plus (ii) such number of TTM Shares the Relevant Tang Shareholders may acquire in the PCB Sale by the Independent Shareholders who elect to receive net cash proceeds of the sale of TTM Shares as their Dividend (as further described in the sub-section of this announcement headed "Election in relation to TTM Shares"), divided by the total number of TTM Shares outstanding as of the completion of the PCB Sale (the percentage is expected to be between approximately 33% and 39%), except where such increase results from (a) TTM engaging in an open market share repurchase program or a similar transaction; (b) the Relevant Tang Shareholders receiving TTM Shares pursuant to a dividend or other distribution approved by the TTM Board and made by TTM on a pro-rata basis to all shareholders of TTM; or (c) any individual affiliate of Mr. Tang, who is a director or employee of TTM or any of its subsidiaries from receiving any grants of any equity rights from TTM, or acquiring any TTM Shares upon the exercise of such equity rights.

Any equity awards (including share options, restricted share units or restricted shares) granted to an individual affiliate of Mr. Tang (who is a director or employee of TTM or any of its subsidiaries) or to any of the Tang Siblings (as a director or employee of TTM or any of its subsidiaries), in each case, in the ordinary course of business, and any TTM Shares issued upon the exercise of such equity awards, will not count towards the restriction set out in the foregoing paragraph.

During the Effective Period, the Relevant Tang Shareholders will not, among other things:

- (a) participate in, vote in favour of, solicit or support, or encourage or influence any person (other than the Relevant Tang Shareholders or any of their affiliates) with respect to the voting of any voting securities of TTM, except as otherwise permitted or required by the Shareholders' Agreement;

- (b) submit to TTM or the TTM Board any proposal or offer, or induce any other person to make such proposal, to the extent that such proposal or offer is made public by or on behalf of the Relevant Tang Shareholders or their affiliates or is required to be publicly disclosed under applicable law; or
- (c) (i) form, join or participate in any group for the purposes of; (ii) enter into any arrangements with any person to take any of the actions referred to, or vote for any of; or (iii) publicly announce or disclose any expression of interest, offer or proposal relating to, any of the matters referred to in (a) to (b) above.

The foregoing does not limit the ability of any nominee(s) of the Relevant Tang Shareholders on the TTM Board or the board of directors of TTM HK, the PCB Holdcos or their subsidiaries or any subsidiary of TTM which will operate the PCB business in Asia to make any proposal, to vote or abstain from voting or to otherwise participate in deliberations of the TTM Board or the board of directors of TTM HK, the PCB Holdcos or their subsidiaries or any subsidiary of TTM which will operate the PCB business in Asia, in each case, in such manner as consistent with the fiduciary duties of such director. The foregoing will not limit the Relevant Tang Shareholders from selling or disposing of their TTM Shares pursuant to a third party tender offer or buy back (such as an open market share purchase program) conducted by TTM or any of its subsidiaries, or participating in any form of business combination involving TTM or any of its affiliates, which has been approved and recommended by a majority of the TTM Board (each a “**Recommended Proposal**”).

During the Effective Period, the Relevant Tang Shareholders may vote on certain matters at their discretion in respect of their TTM Shares representing up to 23% of the voting securities of TTM at the time and, in direct proportion to the votes cast by shareholders of TTM (who are not affiliates of TTM), in respect of TTM Shares in excess of the 23% of the voting securities of TTM. The Relevant Tang Shareholders will not vote on the election of directors other than its nominee, except in the case (other than in respect of its nominee) where the election requires a majority of the votes of the TTM shareholders present at such election, in which case, the Relevant Tang Shareholders will vote all of their TTM Shares held by them in direct proportion to the votes cast by shareholders of TTM who are not affiliates of TTM.

Further, each of the Relevant Tang Shareholders will not, for a period of 18 months after completion of the PCB Sale (the “**Lock-Up Period**”), transfer or dispose of any TTM Shares (other than (i) to other Relevant Tang Shareholders or their respective affiliates or TTM or its subsidiaries; or (ii) pursuant to a Recommended Proposal or transactions approved by the TTM Board). Subsequent to the Lock-Up Period, in addition to the exceptions provided above, the Relevant Tang Shareholders can transfer or dispose of any TTM Shares to any person or group of related persons,

unless they have actual knowledge that the transfer or disposition of such TTM Shares will result in such person or group of related persons holding more than 9.9% of the issued share capital of TTM at the time or pursuant to a Recommended Proposal.

In addition, the Relevant Tang Shareholders will not transfer or dispose of any of the TTM Shares if, as a result of such transfer or disposal, it would give rise to a breach of a covenant in the Credit Agreement relating to the minimum shareholding of the Relevant Tang Shareholders in TTM as required in that covenant, provided that this restriction will no longer apply on the earlier to occur of the date on which the outstanding loan under the Credit Agreement is repaid or refinanced or upon the expiration of the Credit Agreement.

Non-Solicitation

Subject to completion of the PCB Sale and the termination of the Shareholders' Agreement, each of Mr. Tang, the Tang Siblings, Meadville and the Relevant Tang Shareholders will agree that, for a period of 36 months from the Completion Date, neither it nor any of its affiliates will, among others:

- (a) solicit or recruit for employment any management level employees of the PCB Holdcos and their affiliates on the Completion Date;
- (b) hire or assist any other person in hiring such employees; or
- (c) solicit or encourage any such employees to leave their employment,

except the foregoing will not apply to (i) employees that have not been employed by TTM or any of its controlled affiliates (including the PCB Buyers) at any time during the six months prior to the applicable soliciting or hiring; (ii) employees whose employment was terminated by TTM or any of its controlled affiliates; and (iii) general solicitation for employment through advertisement or other means (including hiring of any person from such solicitation that is not known to be an employee of the PCB Sellers, to the extent such solicitation is not targeted).

Non-Competition

Subject to completion of the PCB Sale and notwithstanding the termination of the Shareholders' Agreement, each of Mr. Tang, the Tang Siblings, Meadville and the Relevant Tang Shareholders will agree that, for a period from the Completion Date to the earlier of (i) the fifth anniversary of the Completion Date; and (ii) when the Relevant Tang Shareholders hold less than 9.9% of the voting securities of TTM for a period of 12 months, neither they nor any of their controlled affiliates will (other than as a shareholder of TTM and through designees on the TTM Board or the boards

of directors of TTM's subsidiaries) engage in any activities or businesses in competition with the PCB Business or any of the businesses conducted by TTM or any of its controlled affiliates as at the date of the PCB Agreement (the "**Competing Activity**") or own any equity in any person that engages in a Competing Activity.

This restriction does not preclude any of Mr. Tang, Meadville and the Relevant Tang Shareholders or any of their controlled affiliates from:

- (a) owning any equity interest in any person that engages in a Competing Activity as a result of or otherwise in connection with (i) any acquisition by Mr. Tang or his affiliates of one or more businesses engaged in any activity in addition to the Competing Activity, provided that the Competing Activity is less than 25% in value of the business being acquired; or (ii) an enforcement of a security interest held as a result of engaging in an otherwise permissible activity, provided that such business be divested as soon as reasonably practicable;
- (b) engaging or owning an interest in any type of business (other than the Competing Activity) that any of the members of the PCB Sellers group is engaged in as at the date of the PCB Agreement; and
- (c) without limiting (b) above, owning any share capital in any person that engages in the Competing Activity in the ordinary course of business, provided that such share capital constitutes less than 5% of the share capital of such person and such share capital is listed on a national securities exchange and such ownership provides no right to control such person.

Registration Rights Agreements

Pursuant to the applicable US securities law, a shareholder which holds more than 10% of the issued share capital of a company or has board representation is presumed to be an affiliate of the company. Such shareholder is restricted from selling its shares in the company without the company first registering those shares with the SEC, unless an exemption from registration is available.

As Meadville (prior to the Distribution Date) will hold approximately 45.7% of the issued share capital of TTM and Su Sih (from the Distribution Date) is expected to hold approximately 33.0% of the issued share capital of TTM and will be entitled to nominate a director to the TTM Board, each of Meadville and Su Sih (at the respective time) will be considered an "affiliate" of TTM under the applicable US securities law. As the Independent Shareholders will receive a small percentage of TTM Shares (the aggregate percentage of shareholding in TTM that will be held by all the Independent Shareholders will be approximately 12.7%), then absent other

factors giving them control or influence over TTM’s management, they would not be considered to be “affiliates” of TTM and, therefore, will not be restricted from selling their TTM Shares that they receive in the Proposed Distribution.

In the case of Meadville, it will need TTM to register its TTM Shares to enable Meadville to distribute the TTM Shares to the Shareholders on the Distribution Date. In order to facilitate the sale of the TTM Shares with respect to which certain Independent Shareholders elect to receive net cash proceeds of sale of the TTM Shares as their Dividend (as further described in the sub-section of this announcement headed “Election in relation to TTM Shares”), TTM will enter into a sell-down registration rights agreement with Meadville and MTG Investment (the “**Sell-down Registration Rights Agreement**”) pursuant to the PCB Agreement, under which it will use its best efforts to effect a registration of such TTM Shares under the Securities Act, including preparing and filing any Registration Statements that may be required under the Securities Act and any supplements and amendments to the Registration Statements, and entering into customary agreements with underwriters (if the sale of such TTM Shares is to be effected through an underwritten offering), and to use its reasonable best efforts and take such other actions as may be required to effect the registration of all the TTM Shares held by MTG Investment or Meadville as soon as practicable after the Completion Date, but in no event later than five days after the Completion Date.

In order to put Su Sih (and Mr. Tang and any affiliates of Mr. Tang which may hold TTM Shares from time to time) in the same position as the Independent Shareholders with respect to the right to sell the TTM Shares in the United States in the future, TTM will enter into a registration rights agreement with Su Sih and Mr. Tang (the “**Registration Rights Agreement**”) on the Completion Date, pursuant to which TTM will grant Su Sih and any other affiliates of Mr. Tang who holds TTM Shares from time to time, certain customary rights to require TTM to use its reasonable best efforts to effect the registration of the TTM Shares held by Su Sih and any other affiliates of Mr. Tang under the Securities Act.

Disclosures by TTM in the United States

In connection with the Transactions, TTM will file a current report on the Form 8-K with the SEC (at or about the time this announcement is published) which discloses details of the PCB Sale to the shareholders of TTM and which will attach a press release by TTM in relation to the PCB Sale, the PCB Agreement and the Shareholders’ Agreement. TTM will also conduct a conference call with its shareholders, analysts and investors to discuss the Transactions at 5:00 am Pacific

Standard time on 16 November 2009 (9:00 pm Hong Kong time on 16 November 2009). Shareholders may dial into the conference call at 877-941-2927 for US callers or +1-480-629-9723 for international callers. The conference call will be simulcast and available for replay on TTM's website, www.ttmtech.com, until 23 November 2009. The presentation materials and the transcripts of the conference call will be filed with the SEC. Note 3 to Rule 8.1 of the Takeovers Code will be complied with in conducting the conference call on 16 November 2009 and in relation to the press release, the presentation materials, the transcripts of the conference call and other documents (if any) related to the conference call so filed. Shareholders and potential investors of Meadville will be able to obtain copies of such press release, the PCB Agreement, the Shareholders' Agreement, the presentation materials and the transcripts of the conference call from the SEC's website (www.sec.gov), TTM's website (www.ttmtech.com/investors/investors.jsp) or by directing a request when such filing is made to TTM, 2630 S. Harbor Blvd., Santa Ana, CA 92704, United States of America, Attention: Investor Relations.

LAMINATE SALE

On 16 November 2009, MTG Investment and Top Mix entered into a sale and purchase agreement pursuant to which MTG Investment has conditionally agreed to sell, and Top Mix has conditionally agreed to purchase, the Laminate Business by acquiring the entire issued share capital of MTG Laminate free from all Encumbrances and from all other rights exercisable or claims by third parties, together with all rights attaching or accruing to them as at the Completion Date. The Laminate Sale is subject to the conditions set out in the sub-section of this announcement headed "Conditions of the Laminate Sale".

Consideration for the Laminate Sale

The consideration for the Laminate Sale is approximately HK\$2,783.8 million and has been determined by arm's length negotiation between the parties with reference to, among other things, (i) the market value of the shareholding indirectly held by MTG Laminate of 212,288,109 GSST shares of approximately RMB1,947.2 million (equivalent to approximately HK\$2,210.7 million) based on a 7.5% discount to the average closing price per GSST share of approximately RMB9.92 (the "**GSST Reference Price**") (equivalent to approximately HK\$11.26) for the past five trading days up to and including the GSST Last Trading Date; and (ii) the unaudited combined net book value of the Laminate Business attributable to the Shareholders (excluding the value of the GSST shares held by MTG Laminate through AVA International).

The average closing price per GSST share as quoted on the Shanghai Stock Exchange for the past 30 trading days up to and including the GSST Last Trading Date was approximately RMB9.41 (equivalent to approximately HK\$10.68). The average closing price per GSST share as quoted on the Shanghai Stock Exchange for the past 90 trading days up to and including the GSST Last Trading Date was approximately RMB8.81 (equivalent to approximately HK\$10.00). The average closing price per GSST share as quoted on the Shanghai Stock Exchange for the past 180 trading days up to and including the GSST Last Trading Date was approximately RMB7.76 (equivalent to approximately HK\$8.81).

If Meadville (through AVA International) decides, subject to compliance with the requirements of applicable PRC laws and regulations, to sell any of its shareholding in GSST prior to the Completion Date at a sale price per GSST share above the GSST Reference Price, Meadville will distribute the incremental net amount above the GSST Reference Price for each GSST share that is sold, assuming the Transactions have been completed, to the Shareholders as dividends on the Distribution Date. There can be no assurance that Meadville will sell any of its shareholding in GSST at or above the GSST Reference Price prior to the Completion Date.

The consideration for the Laminate Sale of approximately HK\$2,783.8 million will be payable on the Completion Date by Top Mix in cash as to approximately HK\$136.6 million and by issuing the three Promissory Notes in the principal amounts of approximately HK\$439.4 million, HK\$2,110.0 million and HK\$97.8 million respectively, to Meadville (as directed by MTG Investment). The principal amounts of these Promissory Notes will be repayable on demand made by the holders thereof by not less than one month's written notice at any time before the first anniversary of the date of issue of the Promissory Notes.

The Promissory Notes will bear interest at the rate equal to HIBOR prevailing at the commencement of the relevant interest period for the period from the date of issue of the Promissory Notes up to, but excluding, the Distribution Date. The Promissory Notes will not bear any interest subsequent to the Distribution Date. The interest accruing on the Promissory Notes from the date of issue of the Promissory Notes up to, but excluding, the Distribution Date will be paid by Top Mix on the Distribution Date and will form part of the cash amount available for distribution to the Shareholders.

Financial Resources

Somerley has been appointed as the financial adviser to Top Mix. Somerley is satisfied that sufficient financial resources are available to Top Mix for the payment of the cash component of the consideration for the Laminate Sale. Top Mix will finance such amount by funds to be drawn down under a credit facility.

Conditions of the Laminate Sale

The Laminate Sale is conditional upon the fulfilment (or, if applicable, waiver) of the following conditions:

- (a) approval of the PCB Sale, the Laminate Sale, the Withdrawal Proposal, the Deregistration and Continuation and the Proposed Distribution by passing the necessary resolutions at the EGM in accordance with the requirements of the Listing Rules and applicable laws;
- (b) approval of the Transactions by passing a special resolution (by way of poll) of the Independent Shareholders holding at least 75% of the votes attaching to the Meadville Shares held by the Independent Shareholders who vote in person or by proxy at the EGM, with the number of votes cast against the Transactions being not more than 10% of the votes attaching to the Meadville Shares held by all the Independent Shareholders, in accordance with the requirements of the Takeovers Code;
- (c) satisfaction (or, if applicable, waiver) of all the conditions precedent for completion of the PCB Sale pursuant to the PCB Agreement (other than any condition in the PCB Agreement that the Laminate Sale shall have become unconditional);
- (d) all authorisations (if any) which are required for the entering into or the performance of the obligations under the Laminate Agreement by the parties having been obtained and all filings with any Authority and other relevant third parties which are required for the entering into and the implementation of the Laminate Agreement having been made and such authorisations (if any) remaining in full force and effect and there being no statement, notification or intimation of an intention to revoke or not to renew the same having been recorded;
- (e) no order or judgment (whether temporary, preliminary or permanent) of any Authority having been issued or made prior to completion of the Laminate Sale, and no legal or regulatory requirements remain to be satisfied, which has the effect of making unlawful or otherwise prohibiting or restricting the Laminate Sale or any transaction contemplated by the Laminate Agreement; and
- (f) there having been no breach of warranties set out in the Laminate Agreement (and no fact, event or circumstance having occurred which would make the warranties untrue or inaccurate in any material respect when repeated at completion of the Laminate Sale).

Completion of the Laminate Sale will take place on the date which is five Business Days following the date on which all the conditions precedent set out above are fulfilled (or, if applicable, waived), or such other date as the parties to the Laminate Agreement may agree.

Except for conditions (a) to (c) set out above which may not be waived, all or any of conditions (d) to (f) set out above may be waived by Top Mix. If all the conditions set out above are not fulfilled (or, if applicable, not waived) on or before the Long Stop Date, either MTG Investment or Top Mix may extend the Long Stop Date to a date on or before the Termination Date. It is currently expected that completion of the Laminate Sale will take place in the first quarter of 2010. If the Laminate Sale is not completed by the Termination Date, the Laminate Agreement will automatically terminate in accordance with its terms. The Laminate Agreement will also terminate if the PCB Agreement is terminated in accordance with its terms. If the Laminate Sale is not completed by the Termination Date, the Proposal will lapse.

Upon completion of the Laminate Sale, MTG Laminate and its subsidiaries will cease to be indirect wholly-owned subsidiaries of Meadville.

Use of Proceeds from the Laminate Sale

Meadville will distribute the sale proceeds to the Shareholders as described in the section of this announcement headed “Proposed Distribution by way of Dividend”.

Financials of the Laminate Business

The unaudited combined net book value of the Laminate Business attributable to the Shareholders as at 31 December 2008 was approximately HK\$556.0 million. The unaudited combined net profits before taxation of the Laminate Business for the years ended 31 December 2007 and 31 December 2008 were approximately HK\$105.5 million and HK\$21.3 million, respectively. The unaudited combined net profits after taxation of the Laminate Business for the years ended 31 December 2007 and 31 December 2008 were approximately HK\$97.5 million and HK\$18.1 million, respectively.

The unaudited accounts set out in this sub-section of this announcement are derived from segmental information contained in the published audited annual reports of Meadville and the relevant unaudited management accounts of Meadville, in each case, for the periods referred to in this sub-section.

Information on MTG Laminate

MTG Laminate (through its subsidiaries) operates the Laminate Business in the Meadville Group. MTG Laminate also indirectly holds interest in GSST and SSST.

GSST is listed on the Shanghai Stock Exchange. SSST is a company beneficially owned as to 75% by GSST and 25% by AVA International. GSST and SSST are engaged in the manufacturing of prepreps and laminates in the PRC.

Intention with regard to the Laminate Business

It is the intention of Top Mix to maintain the existing Laminate Business after completion of the Laminate Sale. Top Mix has no plan to redeploy its fixed assets or discontinue the employment of the employees in the Laminate Business as a result of the Laminate Sale. Top Mix will assess any opportunity that may arise from time to time involving the business and/or assets of the Laminate Business.

Listing Rules and Takeovers Code Implications

Connected Transaction

Top Mix is wholly-owned by Su Sih, which is in turn wholly-owned by Mr. Tang. Mr. Tang and Su Sih hold approximately 12.0% and 57.5% respectively of the Meadville Shares in issue and are each a substantial shareholder of Meadville. Top Mix is, therefore, an associate (as defined in the Listing Rules) of the substantial shareholders of Meadville and a connected person of Meadville, and the Laminate Sale is a connected transaction pursuant to Listing Rule 14A.13(1)(a). The Laminate Sale is subject to the disclosure requirements and Independent Shareholders' approval at the EGM pursuant to Listing Rules 14A.16(5) and 14A.17.

Major Transaction

The applicable percentage ratios (as defined in the Listing Rules) in respect of the Laminate Sale are more than 25% but less than 75%. Accordingly, the Laminate Sale constitutes a major transaction for Meadville under Listing Rule 14.06(3). The Laminate Sale is subject to the disclosure, reporting and shareholders' approval requirements of Listing Rules 14.34 to 14.37, 14.38A and 14.40 to 14.43.

Takeovers Code

Note 7 to Rule 2 of the Takeovers Code applies to the Laminate Sale to require the Laminate Sale to be approved by at least 75% of the votes held by the Independent Shareholders who vote in person or by proxy at the EGM, with the number of votes cast against the Laminate Sale being not more than 10% of the votes attaching to the Meadville Shares held by all the Independent Shareholders.

The EGM will be convened to consider and approve, among other things, the Laminate Sale. The Controlling Shareholders, TTM and any other persons acting in concert with either the Controlling Shareholders or TTM will abstain from voting at the EGM in respect of the resolutions to be proposed to approve the Laminate Sale.

TRANSACTIONS

Financial Effect of the Transactions

An unaudited aggregate gain of approximately HK\$4,897.1 million would arise from the Transactions on the Completion Date based on the unaudited financial information of Meadville as at 31 December 2008 referred to below. An audited gain of approximately HK\$2,669.3 million would arise from the PCB Sale which is calculated based on the unaudited combined net book value of the PCB Holdcos attributable to the Shareholders as at 31 December 2008 of approximately HK\$1,371.2 million due to the transfer of the PCB Holdcos to the TTM Group and the consideration to be received for the PCB Sale in the amount of approximately HK\$4,040.5 million. An audited gain of approximately HK\$2,227.8 million would arise from the Laminate Sale which is calculated based on the unaudited combined net book value of the Laminate Business attributable to the Shareholders as at 31 December 2008 of approximately HK\$556.0 million due to the transfer of the Laminate Business to Top Mix and the consideration to be received for the Laminate Sale in the amount of approximately HK\$2,783.8 million.

Following completion of the PCB Sale and the Laminate Sale, the total assets of the Meadville Group should increase because of the unaudited gain of approximately HK\$4,897.1 million as a result of the Transactions. It is anticipated that no material assets of Meadville will remain following the Proposed Distribution.

Shareholding Structure of Meadville

WITHDRAWAL PROPOSAL

In conjunction with and as a condition precedent to the Proposed Distribution, the Meadville Directors propose to withdraw the listing of Meadville Shares on the Stock Exchange.

Listing Rules Implications

A voluntary withdrawal of the listing of Meadville Shares would require the approval of the Independent Shareholders in accordance with the requirements of Listing Rule 6.12. In this regard, the Proposed Distribution is considered by Meadville to be a “reasonable cash alternative or other reasonable alternative” offered to the Independent Shareholders in compliance with Listing Rule 6.12(4).

The Withdrawal Proposal would become effective and binding on Meadville and all Shareholders, subject to the approval of the Withdrawal Proposal by passing a special resolution (by way of poll) of the Independent Shareholders holding at least 75% of the votes attaching to the Meadville Shares held by the Independent Shareholders who vote in person or by proxy at the EGM, with the number of votes cast against the Withdrawal Proposal being not more than 10% of the votes attaching to the Meadville Shares held by all the Independent Shareholders.

The EGM will be convened to consider and approve, among other things, the Withdrawal Proposal. The Controlling Shareholders, TTM and any other persons acting in concert with either the Controlling Shareholders or TTM will abstain from voting at the EGM in respect of the resolutions to be proposed to approve the Withdrawal Proposal.

Subject to the requisite approval being obtained, Meadville will apply to the Stock Exchange to withdraw the listing of the Meadville Shares on the Stock Exchange pursuant to Listing Rule 6.12.

DEREGISTRATION AND CONTINUATION

In order to make the Proposed Distribution in a timely and efficient manner, Meadville proposes to deregister in the Cayman Islands and continue in the British Virgin Islands as a British Virgin Islands business company under the Business Companies Act of the British Virgin Islands. As a result, Meadville would cease to be a Cayman Islands company and would become a British Virgin Islands business company. The continuation will not affect the assets, rights, obligations or liabilities of Meadville.

The Deregistration and Continuation would become effective and binding on Meadville and all Shareholders, subject to (i) compliance with applicable laws of the Cayman Islands and the British Virgin Islands; and (ii) the approval of the Deregistration and Continuation by passing a special resolution (by way of poll) of the Shareholders holding at least 75% of the votes attaching to the Meadville Shares held by the Shareholders who vote in person or by proxy at the EGM.

The EGM will be convened to consider and approve, among other things, the Deregistration and Continuation. All the Shareholders, including the Controlling Shareholders, are permitted to vote at the EGM in respect of the resolutions relating to the Deregistration and Continuation.

PROPOSED DISTRIBUTION BY WAY OF DIVIDEND

Subject to the fulfillment of the conditions set out in the sub-section of this announcement headed “Conditions of the Proposed Distribution”, Meadville will make a distribution by way of the Dividend on the Distribution Date in favour of the Shareholders of the aggregate consideration for the PCB Sale and the Laminate Sale (plus the accrued interest on the Promissory Notes to be paid as at the Distribution Date). As the cash component of the consideration for the PCB Sale will be paid in US\$ by TTM, the amount that will be distributed to the Shareholders as part of the Dividend in respect of such consideration will be at the prevailing HK\$ equivalent of approximately US\$114.0 million on or before the Distribution Date. The accrued interest on the Promissory Notes for the period from the date of issue of the Promissory Notes up to, but excluding, the Distribution Date will be paid by Top Mix on the Distribution Date to Meadville and will become an additional amount in cash to be distributed to the Shareholders as Dividend. The exact amount of such interest can only be determined at the Distribution Date.

The Dividend will comprise:

- (a) cash in the aggregate amount of approximately HK\$3,667.6 million (which amount comprises (i) approximately HK\$883.8 million as the equivalent of approximately US\$114.0 million, being the cash component of the consideration for the PCB Sale based on the exchange rate for US\$ into HK\$ as stated in this announcement; (ii) approximately HK\$136.6 million, being the cash component of the consideration for the Laminate Sale; and (iii) approximately HK\$2,647.2 million, being the remaining part of the consideration for the Laminate Sale represented by the Promissory Notes, which will be distributed to the Controlling Shareholders); and

- (b) TTM Shares valued at approximately US\$407.3 million (equivalent to approximately HK\$3,156.7 million) based on the closing price per TTM Share of US\$11.21 (equivalent to approximately HK\$86.88) as at the TTM Last Trading Date (or the net cash proceeds from the sale of the relevant TTM Shares if option (c) (as described in the sub-section of this announcement headed “Election in relation to TTM Shares”) is elected by the relevant Shareholders).

The aggregate value of the Dividend of approximately HK\$6,824.3 million (which amount includes approximately HK\$883.8 million as the equivalent of approximately US\$114.0 million, being the cash component of the consideration for the PCB Sale based on the exchange rate for US\$ into HK\$ as stated in this announcement), not taking into account the accrued interest on the Promissory Notes to be paid as at the Distribution Date or the amount of the net cash proceeds of sale of any of the TTM Shares for which option (c) (as described in the sub-section of this announcement headed “Election in relation to TTM Shares”) is elected by the relevant Shareholders, is equivalent to each Shareholder receiving a Dividend of approximately HK\$3.47 for each Meadville Share comprising:

approximately HK\$1.867 in cash and 0.0185 TTM Share..... for every Meadville Share

If Meadville (through AVA International) sells any of its shareholding in GSST prior to the Completion Date, Meadville will distribute the incremental net amount above the GSST Reference Price for each GSST share that is sold, assuming the Transactions have been completed, to the Shareholders as dividends on the Distribution Date.

Comparisons of Value

The Dividend of approximately HK\$3.47 in value for each Meadville Share represents:

- a premium of approximately 61.4% over the last trading price of HK\$2.15 per Meadville Share as quoted on the Stock Exchange on the Last Trading Date;
- a premium of approximately 51.5% over the average closing price of approximately HK\$2.29 per Meadville Share as quoted on the Stock Exchange for the past 30 trading days up to and including the Last Trading Date;
- a premium of approximately 70.1% over the average closing price of approximately HK\$2.04 per Meadville Share as quoted on the Stock Exchange for the past 60 trading days up to and including the Last Trading Date;

- a premium of approximately 83.6% over the average closing price of approximately HK\$1.89 per Meadville Share as quoted on the Stock Exchange for the past 90 trading days up to and including the Last Trading Date;
- a premium of approximately 139.3% over the average closing price of approximately HK\$1.45 per Meadville Share as quoted on the Stock Exchange for the past 180 trading days up to and including the Last Trading Date; and
- a premium of approximately 147.9% over the audited consolidated net asset value attributable to the Shareholders per Meadville Share of approximately HK\$1.40 as at 31 December 2008 based on a weighted average number of approximately 1,987,360,000 Meadville Shares in issue for the year ended 31 December 2008.

Highest and Lowest Prices

During the six months period immediately preceding the Last Trading Date, the highest closing price and the lowest closing price of the Meadville Shares as quoted on the Stock Exchange was HK\$2.79 per Meadville Share on 28 October 2009 and HK\$0.95 per Meadville Share on 4 May 2009, respectively.

Conditions of the Proposed Distribution

The Proposed Distribution is conditional upon the fulfillment of the following conditions:

- completion of the PCB Sale and the Laminate Sale;
- approval of the Withdrawal Proposal by passing a special resolution (by way of poll) of the Independent Shareholders holding at least 75% of the votes attaching to the Meadville Shares held by the Independent Shareholders who vote in person or by proxy at the EGM, with the number of votes cast against the Withdrawal Proposal being not more than 10% of the votes attaching to the Meadville Shares held by all the Independent Shareholders;
- approval of the Deregistration and Continuation by passing a special resolution (by way of poll) of the Shareholders holding at least 75% of the votes attaching to the Meadville Shares held by the Shareholders who vote in person or by proxy at the EGM; and
- approval of the Proposed Distribution by passing a special resolution (by way of poll) of the Independent Shareholders holding at least 75% of the votes attaching to the Meadville Shares held by the Independent Shareholders who vote in person or by proxy at the EGM.

The EGM will be convened to consider and approve, among other things, the Proposed Distribution. The Controlling Shareholders, TTM and any other persons acting in concert with either the Controlling Shareholders or TTM will abstain from voting at the EGM in respect of the resolutions to be proposed to approve the Proposed Distribution.

Distribution to the Shareholders

Pursuant to the Proposed Distribution, each Shareholder will receive cash and TTM Shares (or, if applicable, net cash proceeds from the sale of the relevant TTM Shares) as the Dividend from Meadville. The Controlling Shareholders will give directions to Meadville to, among other things, distribute to the Controlling Shareholders the cash component of their Dividends in the form of the Promissory Notes. The result is that the Dividend (not taking into account the accrued interest on the Promissory Notes to be paid as at the Distribution Date, the amount of the net cash proceeds of sale of any of the TTM Shares under option (c) (as described in the sub-section of this announcement headed “Election in relation to TTM Shares”) or any amount equal to the incremental net amount above the GSST Reference Price for each GSST share that is sold) will be distributed to the Shareholders in the manner set out in the table below:

Shareholders	Approximate shareholding	Promissory Notes Approximately HK\$ million	Value of TTM Shares Approximately US\$ million (equivalent to approximately HK\$ million) (Note 1)	Cash Approximately HK\$ million	Aggregate amount Approximately HK\$ million	Approximate Value per Meadville Share HK\$
Mr. Tang	12.0%	439.4	48.8 (378.2) 234.3	0.0	817.6	3.47
Su Sih	57.5%	2110.0	(1,816.0)	0.0	3,926.0	3.47
Top Mix	2.7%	97.8	10.9 (84.2)	0.0	182.0	3.47
Independent Shareholders	27.8%	N/A	113.3 (878.3)	1,020.4	1,898.7	3.47
Total	100.0%	2,647.2	407.3 (3,156.7)	1,020.4	6,824.3	

Note:

- The values stated are based on the closing price per TTM Share as quoted on NASDAQ on the TTM Last Trading Date of US\$11.21 (equivalent to approximately HK\$86.88)

Although the composition of the Dividend for the Controlling Shareholders (ie, the Promissory Notes and TTM Shares) differs from that for the Independent Shareholders (ie, cash and TTM Shares (or, if applicable, net cash proceeds from the sale of the relevant TTM Shares)), the aggregate value of the Dividend per Meadville Share is the same for all the Shareholders as shown in the table above.

On the Distribution Date, each of Mr. Tang and Top Mix will direct Meadville to distribute to Su Sih the TTM Shares to which they are entitled. The value of the TTM Shares which Mr. Tang will direct to Su Sih will be used to offset the value of the shares in Su Sih to be subscribed by Mr. Tang in his capacity as trustee of the Trust. The value of the TTM Shares which Top Mix will direct to Su Sih will become an outstanding balance owed by Su Sih to Top Mix.

No Fractional Entitlements

Shareholders will only be distributed the nearest whole number of TTM Shares (ie, rounded down to the nearest whole number) to which they are entitled under the Dividend.

Election in relation to TTM Shares

In relation to the component of the Dividend comprising TTM Shares, Shareholders will be given an option to either:

- (a) receive the TTM Shares in electronic form through the facilities of the transfer agent of TTM;
- (b) receive the TTM Shares in such Shareholder's nominated US securities account; or
- (c) receive, in lieu of the TTM Shares to which such Shareholder would otherwise have been entitled, the net cash proceeds of sale of such TTM Shares sold through the dealing facility referred to below.

An election form will be despatched with the Circular to allow the Shareholders to make the election. Any Shareholders that do not return the election form will be deemed to have elected option (c) above.

TTM Shares in Electronic Form

Shareholders who elect option (a) will have their TTM Shares entered as a book entry in the share register of TTM. These TTM Shares will be held at the transfer agent of TTM, an independent third party, for and on behalf of those Shareholders for three years after completion of the Transactions. During that period, those Shareholders may instruct the transfer agent to sell the TTM Shares or to transfer such shares to their securities account with a nominated US broker. For Shareholders that instruct the transfer agent to sell their TTM Shares, the transfer agent will arrange for the sale of the TTM Shares on behalf of the Shareholders and remit the cash proceeds, net of transaction expenses,

from such sale to the Shareholders. The sale price for the TTM Shares sold through the transfer agent will not be subject to any minimum or maximum price but will depend on the market price of the TTM Shares at the time of the sale and, therefore, the TTM Shares may be sold at prices that are substantially lower or higher than the current trading price of the TTM Shares. No assurance can therefore be given as to the sale price the Shareholders would receive for their TTM Shares sold through the transfer agent. The net cash proceeds from the sale will be remitted to the Shareholders as soon as practicable after the sale of such TTM Shares.

Further details in relation to the TTM Shares held in electronic form will be set out in the Circular and the election form.

Dealing Facility

The dealing facility will be provided by Meadville to Shareholders who have elected option (c) or who are deemed to have elected option (c). It is proposed that TTM Shares would be sold by (a) placing agent(s) or (an) underwriter(s) (who will be (an) independent third party(ies) to be appointed by Meadville following the Distribution Date) over a defined period of time which will be disclosed in the Circular. The sale price for the TTM Shares sold through the dealing facility will not be subject to any minimum or maximum price but will depend on the market price of the TTM Shares at the time of the sale and, therefore, the TTM Shares may be sold at prices that are substantially lower or higher than the current trading price of the TTM Shares. No assurance can therefore be given as to the sale price the Shareholders would receive for their TTM Shares through the dealing facility. The cash proceeds from the sale, net of transaction expenses (including any underwriting commission or placing fees, the legal fees of Meadville incurred in connection with the sale of the TTM Shares, and transfer taxes), will be remitted to the Shareholders who have elected option (c) or who are deemed to have elected option (c) as soon as practicable either as and when some of the TTM Shares have been sold or after all the TTM Shares have been sold, in each case, based upon the average selling price per TTM Share and on a pro-rata basis. Each relevant Shareholder will receive the same net cash proceeds of sale per TTM Share when the net cash proceeds from the sale are remitted to the relevant Shareholders.

Su Sih has indicated that it is considering whether to acquire TTM Shares that are sold through the dealing facility referred to above but has not committed to acquire any such TTM Shares. Any increase in Su Sih's holding of TTM Shares is subject to the maximum holding of 39.3% of the issued share capital of TTM as permitted pursuant to the terms of the Shareholders' Agreement.

Further details in relation to the election and the dealing facility will be set out in the Circular and the election form.

Overseas Shareholders

The distribution of the Dividend, in particular the TTM Shares, to Shareholders not resident in Hong Kong may be subject to the laws of the relevant jurisdictions in which such Shareholders reside in. Such Shareholders should take note of and observe any applicable legal, tax or regulatory requirements.

It is the responsibility of any overseas Shareholders wishing to accept the Dividend to satisfy themselves as to the full observance of the laws of the relevant jurisdiction in connection with such acceptance (including the obtaining of any governmental, exchange control or other consents which may be required or the compliance with other necessary formalities) and the payment of any issue, transfer or other taxes due in any such jurisdiction.

Winding Up

Following completion of Proposed Distribution, the Meadville Directors will resolve to wind up Meadville voluntarily. The Shareholders will be entitled to participate on a pro-rata basis in any assets available for distribution to the Shareholders on the winding up of Meadville (after any creditors, fees and expenses incurred in relation to the Proposal and the costs of the winding up have been paid), but it is anticipated that no material assets of Meadville will remain following the Proposed Distribution.

REASONS FOR AND BENEFITS OF THE PROPOSAL

PCB Sale

TTM believes that the PCB Sale to TTM HK will allow the PCB Business to achieve, on an accelerated basis, the economies of scale necessary for sustainable and profitable growth in the market. It is expected that there will not be any significant change in the strategic direction and objectives of the Combined PCB Business. The combination is expected to broaden the product line offering, capture incremental high-volume business from existing and new customers and expand and diversify customer base and end markets. The seamless integration across distinct facilities of the Combined PCB Business is expected to enable a successful one stop global business solution for customers. While the combination is not one dependent on synergies or cost reductions, it is expected that the Combined PCB Business will stand to realise potential synergies, improve utilisation of its capital resources and enhance its capital expenditure management. It is expected that there will be some regulatory and compliance costs resulting from the combination of the PCB Business and TTM's PCB business. With the facilities and capacities of the PCB Business

expanded in recent years to support a growing market demand, TTM expects to capitalise on Meadville's investments and capital expenditure of the PCB Business in the near future and manage the capital expenditure of the Combined PCB Business in a prudent manner. The integrated manufacturing platform of the Combined PCB Business is expected to enable TTM to execute a global facility specialisation strategy.

Upon completion of the PCB Sale, by combining the leading North American PCB manufacturer with a leading Asian PCB manufacturer, TTM is expected to become a leading global PCB manufacturer with high-technology, strong production and research and development capabilities. While the combination will create a global presence, TTM expects to retain deep local knowledge in the North American and Asian PCB markets. The PCB Sale is expected to strengthen the competitive position of TTM by expanding TTM's platform into the critical low-cost Asian regions that complements TTM's existing US footprint. Additionally, the combined position is expected to allow TTM to serve the growing Asian market demand, broaden its product line offering and (with minimal customer overlap) expand its customer base and end markets. On a combined basis, the top five customers of the PCB Business and the current business of TTM would represent 24% of the combined revenue in 2008. TM believes that the long term potential of the PCB business remains significant and the PCB Sale will allow the Combined PCB Business to capitalise on this long term growth opportunity. TTM expects the PCB Sale to be accretive to its earnings without synergies within the first year after completion of the PCB Sale (*this statement is not intended to be a profit forecast and should not be interpreted to mean that earnings for any subsequent financial period would necessarily be greater than those of any preceding financial period*).

TTM also expects to be able to leverage on the PCB Business' presence in Asia, marketing capabilities and distribution networks. Both TTM and the PCB Holdcos have experienced management teams with knowledge of the PCB markets in the United States and the PRC. The fit of management is expected to facilitate the swift and efficient combination of the PCB businesses and realisation of potential synergies. The Meadville Directors (other than members of the IBC who will express their view after receiving advice from the IFA) are of the view that the terms of the PCB Sale are on normal commercial terms, fair and reasonable and in the interests of Meadville and the Shareholders as a whole.

TTM has no immediate plans for further acquisitions. TTM plans to maximise the potential of the Combined PCB Business before it evaluates any other transactions. However, TTM will continue to evaluate strategic opportunities to maximise its shareholders value.

Laminate Sale

The Meadville Directors (other than members of the IBC who will express their view after receiving advice from the IFA) are of the view that the Laminate Business is a small business that would be better managed by a private company. The operational management teams of the Laminate Business and the PCB Business are separate. The Proposal would allow the management of the Laminate Business to focus on the development of the business without the distraction of complying with the ongoing obligations of the Listing Rules. In addition, the segment results (before share of net profit of associated companies) of the Laminate Business for 2008 is a loss, while its segment results for the years ended 31 December 2006 and 31 December 2007 were approximately 12.3% and 9.8% of the Meadville Group's total operating results, respectively. After the PCB Sale, the Laminate Business alone is not an attractive business for Meadville as a listed company. In view of this, the Laminate Sale and the Proposal provide an opportunity for the Independent Shareholders to realise their investments in respect of the Laminate Business at an attractive premium. The Meadville Directors (other than members of the IBC who will express their view after receiving advice from the IFA) are of the view that the terms of the Laminate Sale are on normal commercial terms, fair and reasonable and in the interests of Meadville and the Shareholders as a whole.

Proposal

The Meadville Directors (other than members of the IBC who will express their view after receiving advice from the IFA) are of the view that the terms of the Proposal are attractive to the Independent Shareholders and that the Proposal will be beneficial to the Independent Shareholders in a number of ways.

The Meadville Directors (other than members of the IBC who will express their view after receiving advice from the IFA) consider that the Transactions provide an opportunity for the Independent Shareholders to monetise their Meadville Shares (which have a relatively low degree of market liquidity) at an attractive premium to the market price prevailing during the three months period preceding the Last Trading Date. By accepting the Proposal, it allows the Independent Shareholders a chance to realise their investment in Meadville and to continue such investments in the PCB industry by way of having an interest in the Combined PCB Business through holding the TTM Shares to be distributed to them in the Proposed Distribution. For those Shareholders who would like to redeploy their whole investments in Meadville into other investment opportunities that they may consider more attractive, they can elect option (c) in the election form referred to in the sub-section of this announcement headed "Election in relation to TTM Shares".

INDEPENDENT BOARD COMMITTEE

The IBC (comprising Mr. Eugene Lee, Mr. Leung Kwan Yuen, Andrew and Dr. Li Ka Cheung, Eric, being the three independent non-executive directors of Meadville) has been formed to advise the Independent Shareholders as to whether:

- (a) the Transactions (as a whole) are fair and reasonable and to make recommendation(s) as to voting;
- (b) the Laminate Sale (as a connected transaction) is fair and reasonable, whether it is in the interests of Meadville and the Shareholders as a whole and to make recommendation(s) as to what action the Independent Shareholders should take; and
- (c) the Withdrawal Proposal is fair and reasonable, whether it is in the interests of Meadville and the Shareholders as a whole and to make recommendation(s) as to what action the Independent Shareholders should take.

The recommendations of the IBC (as to whether each of the Transactions (as a whole), the Laminate Sale (as a connected transaction) and the Withdrawal Proposal is or is not fair and reasonable) will be set out in the Circular.

Meadville, with the approval of the IBC, will appoint an IFA to advise the IBC on such matters. A further announcement will be made by Meadville upon the appointment of the IFA.

CIRCULAR

The Circular (including, among other things, further details of the Proposal, the expected timetable relating to the Proposal, the Record Date, the recommendation(s) of the IBC, the letter of advice from the IFA, the accountant's report and the notice of the EGM and the election form) will be despatched to the Shareholders as soon as practicable and in compliance with the requirements of the Listing Rules and the Takeovers Code.

WARNING

Shareholders and potential investors should be aware that the Proposal is subject to the relevant conditions set out in this announcement being fulfilled (or, if applicable, waived) and may or may not be completed or effected, as the case may be. Shareholders and potential investors are advised to exercise caution when dealing in Meadville Shares.

GENERAL

Neither Top Mix, Su Sih, Mr. Tang, TTM, TTM HK nor any person acting in concert with any of them has received an irrevocable commitment to vote in favour of the Proposal.

Save for the Proposal, there are no arrangements (whether by way of option, indemnity or otherwise) of the kind referred to in Note 8 to Rule 22 of the Takeovers Code in relation to Meadville Shares or Top Mix, Su Sih, Mr. Tang, TTM or TTM HK which might be material to the Proposal and which Top Mix, Su Sih, Mr. Tang, TTM or TTM HK is a party.

There is no agreement or arrangement to which Top Mix, Su Sih, Mr. Tang, TTM or TTM HK is party which relates to the circumstances in which it may or may not invoke or seek to invoke a pre-condition or a condition to the Proposal.

DISCLOSURE OF DEALINGS

All associates of Meadville, Top Mix, Su Sih, Mr. Tang, TTM and TTM HK are reminded to disclose their dealings in any relevant securities of Meadville and TTM.

In accordance with Rule 3.8 of the Takeovers Code, reproduced below is the full text of Note 11 to Rule 22 of the Takeovers Code:

“Responsibilities of stockbrokers, banks and other intermediaries

Stockbrokers, banks and others who deal in relevant securities on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates and other persons under Rule 22 of the Takeovers Code and that those clients are willing to comply with them. Principal traders and dealers who deal directly with investors should, in appropriate cases, likewise draw attention to the relevant rules of the Takeovers Code. However, this does not apply when the total value of dealings (excluding stamp duty and commission) in any relevant security undertaken for a client during any 7 day period is less than HK\$1 million.

This dispensation does not alter the obligation of principals, associates and other persons themselves to initiate disclosure of their own dealings, whatever total value is involved.

Intermediaries are expected to co-operate with the Executive in its dealings enquiries. Therefore, those who deal in relevant securities should appreciate that stockbrokers and other intermediaries will supply the Executive with relevant information as to those dealings, including identities of clients, as part of that co-operation.”
