

TTM Technologies, Inc. reschedules earnings announcement due to severe Storm

October 29, 2012 10:02 AM ET

for immediate release

COSTA MESA, CA - October 29, 2012 - TTM Technologies, Inc. (Nasdaq: TTMI), a major global printed circuit board (PCB) manufacturer, today postponed the release of its financial results for the third quarter of 2012 due to the expected severe weather conditions associated with Hurricane Sandy.

The company will release its results after the market closes on Thursday, November 1, 2012, and will host a conference call at 4:30 p.m. Eastern Time / 1:30 p.m. Pacific Time. Telephone access is available by dialing 1-800-762-8795 or international 1-480-629-9821. The conference call also will be simulcast on the company's website, www.ttmtech.com, and will remain accessible for one week following the live event.

About TTM

TTM Technologies, Inc. is a major global printed circuit board manufacturer, focusing on quick-turn and technologically advanced PCBs and the backplane and sub-system assembly business. TTM stands for time-to-market, representing how the company's time-critical, one-stop manufacturing services enable customers to shorten the time required to develop new products and bring them to market. Additional information can be found at www.ttmtech.com.
