Item 1.01. Entry Into a Material Definitive Agreement.

On March 10, 2021, TTM Technologies, Inc. (the “Company”) completed its previously announced private offering (the “Offering”) of \$500 million in aggregate principal amount of its 4.000% senior notes due 2029 (the “Notes”). The Offering was conducted as a private placement exempt from registration under the Securities Act of 1933, as amended (the “Securities Act”). The Company used a portion of the net proceeds from the Offering to fund the early settlement on March 10, 2021 of an aggregate principal amount of \$247,186,000, representing approximately 65.92%, of the Company’s 5.625% Senior Notes due 2025 (the “Existing Notes”) pursuant to the Company’s previously announced tender offer to purchase the Existing Notes (the “Tender Offer”). The Company intends to use the remaining net proceeds from the Offering to (i) redeem in full any remaining Existing Notes following the early settlement of the Tender Offer, with an expected redemption date of March 15, 2021, (ii) repay the full amount outstanding under the Company’s U.S. asset-based revolving credit facility (the “U.S. ABL Facility”) (but not terminate the commitments thereunder) and (iii) pay related premiums, fees and expenses. The Company intends to use any unused portion of such remaining net proceeds for general corporate purposes.

Indenture relating to 4.000% Senior Notes due 2029

On March 10, 2021, the Company issued and sold the Notes, which were priced at par value. Interest on the Notes accrues at the rate of 4.000% per annum and is payable semi-annually in cash in arrears on March 1 and September 1 of each year, beginning on September 1, 2021. The Notes were issued pursuant to an indenture, dated as of March 10, 2021 (the “Indenture”), by and among the Company, the Guarantors (as defined below) and Wilmington Trust, National Association, as trustee (in such capacity, the “Trustee”).

The Notes are irrevocably and unconditionally guaranteed, jointly and severally, on a senior unsecured basis by the Company’s existing and future domestic subsidiaries, subject to certain exceptions (collectively, the “Guarantors”). The Notes and related guarantees are senior unsecured obligations of, respectively, the Company and its Guarantors, and rank equally in right of payment with all of the Company’s and Guarantors’ existing and future senior unsecured indebtedness. The Notes and related guarantees will be effectively subordinated to any of the Company’s and Guarantors’ existing and future secured debt, including the Company’s term loan credit agreement (the “Term Loan Facility”) and the U.S. ABL Facility to the extent of the value of the assets securing such debt. In addition, the Notes and related guarantees are structurally subordinated to the liabilities of the Company’s non-guarantor subsidiaries, including indebtedness of the Company’s foreign subsidiaries under the Company’s Asia asset-based lending credit agreement (the “Asia ABL Facility”).

The Notes will mature on March 1, 2029. Prior to March 1, 2024, the Company may on any one or more occasions redeem up to 40% of the original aggregate principal amount of the Notes at a redemption price of 104.000% of the aggregate principal amount of the Notes redeemed, with the net cash proceeds of certain equity offerings (in each case, within 120 days of the closing date of any such offerings), so long as at least 60% of the original aggregate principal amount of Notes originally issued under the Indenture remains outstanding immediately after the occurrence of each such redemption. At any time prior to March 1, 2024, the Company may redeem some or all of the Notes at a redemption price equal to 100% of the principal amount of the Notes plus a “make-whole” premium. On or after March 1, 2024, the Company may redeem some or all of the Notes at the applicable redemption price as set forth in the Indenture. If a change of control triggering event (as defined in the Indenture) occurs, the Company will be required to offer to purchase Notes from holders at 101% of their principal amount. If the Company or its restricted subsidiaries dispose of assets, under certain circumstances when the cumulative amount of excess net proceeds not otherwise applied as permitted under the Indenture exceeds \$50.0 million, the Company will be required to use such cumulative amount of excess net proceeds to offer to purchase Notes from holders at an offer price in cash equal to 100% of the outstanding principal amount of such Notes. These restrictions and prohibitions are subject to certain qualifications and exceptions. Accrued and unpaid interest to the date of redemption or purchase on the Notes would also be payable in each of the foregoing events of redemption or purchase. The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

The Indenture contains customary covenants that, among other things, limit the ability of the Company and its restricted subsidiaries to pay dividends on, redeem or repurchase the Company’s capital stock, make investments or restricted payments, prepay, redeem or repurchase certain debt, enter into transactions with affiliates, sell assets, create liens, incur or guarantee additional indebtedness, designate unrestricted subsidiaries, issue certain preferred stock or similar equity securities, engage in a merger, sale or consolidation, and enter into agreements restricting the ability of the Company’s restricted subsidiaries to pay dividends and make other distributions. Certain of the covenants will be suspended upon the Notes achieving an investment grade rating from specified rating agencies. In addition, the Indenture requires, among other things, the Company to prepare financial and current reports and make such reports available to the Trustee and holders of the Notes or file such reports electronically with the U.S. Securities and Exchange Commission. All of the covenants are subject to a number of important exceptions, limitations and qualifications under the Indenture. Repayment of the Notes may be accelerated upon the occurrence of customary events of default, including, but not limited to, failure to make payment, failure to comply with the obligations set forth in the Indenture, certain defaults on certain other indebtedness, and invalidity of the guarantees under the Notes issued pursuant to the Indenture.

The Company has various relationships with the initial purchasers of the Notes. Certain of the initial purchasers and their affiliates have engaged, and may in the future engage, in investment banking, commercial banking and other financial advisory and commercial dealings with the Company and its affiliates. In particular, affiliates of certain of the initial purchasers have a lending relationship with

the Company under our Term Loan Facility, U.S. ABL Facility and Asia ABL Facility. In addition, certain of the initial purchasers and their affiliates may hold or held a portion of the Existing Notes. As a result, they may receive or did receive a portion of the net proceeds of the Offering. These initial purchasers, or their respective affiliates, have received, and may in the future receive customary fees and expenses for those services. J.P. Morgan Securities LLC is acting as dealer manager for the Tender Offer.

Second Supplemental Indenture relating to the Existing Notes

In connection with the Tender Offer, the Company received consents from holders representing a majority of the aggregate principal amount of the Existing Notes outstanding approving amendments to the indenture dated as of September 28, 2017 governing the Existing Notes (the “Existing Indenture”) to shorten the minimum notice period for any optional redemption of the Existing Notes from at least 30 days to at least three business days (the “Existing Notes Amendment”). As a result, on March 9, 2021, the Company, the Guarantors and the Trustee entered into the Second Supplemental Indenture (the “Supplemental Indenture”) to the Existing Indenture, which effects the Existing Notes Amendment as of March 10, 2021.

Copies of the Indenture, form of Note and the Supplemental Indenture are filed as Exhibits 4.1, 4.2 and 4.3, respectively, to this Current Report on Form 8-K and incorporated herein by reference thereto. The foregoing description of the Indenture, the Notes and the Supplemental Indenture does not purport to be complete and is qualified in its entirety by reference to the full text of the Indenture, the Notes and the Supplemental Indenture.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosures above under Item 1.01 of this Current Report on Form 8-K are also responsive to this Item 2.03 and are hereby incorporated by reference into this Item 2.03.

Item 3.03. Material Modifications to Rights of Security Holders.

Pursuant to the terms of the Indenture, the Company is subject to certain restrictions on its ability to declare or pay any dividend or make any other payments or distributions on account of any capital stock of the Company and its restricted subsidiaries. The disclosures above under Item 1.01 of this Current Report on Form 8-K regarding such restrictions are also responsive to this Item 3.03 and are hereby incorporated by reference into this Item 3.03.

Item 7.01. Regulation FD Disclosure.

On March 10, 2021, the Company issued a press release announcing the completion of the Offering and the early settlement of the Tender Offer, a copy of which is attached as Exhibit 99.2 to this Current Report on Form 8-K and is incorporated herein by reference.

(1) if the Company or any Restricted Subsidiary:

(a) has Incurred any Indebtedness since the beginning of such period that remains outstanding on such date of determination or if the transaction giving rise to the need to calculate the Consolidated Coverage Ratio includes an Incurrence of Indebtedness, Consolidated EBITDA and Consolidated Interest Expense for such period will be calculated after giving effect on a *pro forma* basis to such Indebtedness as if such Indebtedness had been Incurred on the first day of such period and the discharge of any other Indebtedness repaid, repurchased, redeemed, retired, defeased or otherwise discharged with the proceeds of such new Indebtedness as if such discharge had occurred on the first day of such period; or

(b) has repaid, repurchased, redeemed, retired, defeased or otherwise discharged any Indebtedness since the beginning of the period that is no longer outstanding on such date of determination or if the transaction giving rise to the need to calculate the Consolidated Coverage Ratio includes a discharge of Indebtedness (in each

case, other than Indebtedness Incurred under any revolving Debt Facility unless such Indebtedness has been permanently repaid and the related commitment terminated and not replaced), Consolidated Interest Expense for such period will be calculated after giving effect on a *pro forma* basis to such discharge of such Indebtedness, including with the proceeds of such new Indebtedness, as if such discharge had occurred on the first day of such period;

(2) if since the beginning of such period, the Company or any Restricted Subsidiary will have made any Asset Disposition or otherwise disposed of or discontinued (as defined under GAAP) any company, division, operating unit, segment, business, group of related assets or line of business or if the transaction giving rise to the need to calculate the Consolidated Coverage Ratio includes such a transaction:

(a) the Consolidated EBITDA for such period will be reduced by an amount equal to the Consolidated EBITDA (if positive) directly attributable to the assets that are the subject of such disposition or discontinuation for such period or increased by an amount equal to the Consolidated EBITDA (if negative) directly attributable thereto for such period; and

(b) Consolidated Interest Expense for such period will be reduced by an amount equal to the Consolidated Interest Expense directly attributable to any Indebtedness of the Company or any Restricted Subsidiary repaid, repurchased, redeemed, retired, defeased or otherwise discharged (to the extent the related commitment is permanently reduced) with respect to the Company and its continuing Restricted Subsidiaries in connection with such transaction for such period (or, if the Capital Stock of any Restricted Subsidiary is sold, the Consolidated Interest Expense for such period directly attributable to the Indebtedness of such Restricted Subsidiary to the extent the Company and its continuing Restricted Subsidiaries are no longer liable for such Indebtedness after such sale);

(3) if since the beginning of such period the Company or any Restricted Subsidiary (by merger or otherwise) will have made an Investment in any Restricted Subsidiary (or any Person that becomes a Restricted Subsidiary or is merged with or into the Company or a Restricted Subsidiary) or an acquisition of assets, including any acquisition of assets occurring in connection with a transaction causing a calculation to be made hereunder, which constitutes all or substantially all of a company, division, operating unit, segment, business, group of related assets or line of business, Consolidated EBITDA and Consolidated Interest Expense for such period will be calculated after giving *pro forma* effect thereto (including the Incurrence of any Indebtedness) as if such Investment or acquisition occurred on the first day of such period; and

(4) if since the beginning of such period any Person (that subsequently became a Restricted Subsidiary or was merged with or into the Company or any Restricted Subsidiary since the beginning of such period) will have Incurred any Indebtedness or discharged any Indebtedness or made any disposition or any Investment or acquisition of assets that would have required an adjustment pursuant to clause (1), (2) or (3) above if made by the Company or a Restricted Subsidiary during such period, Consolidated EBITDA and Consolidated Interest Expense for such period will be calculated after giving *pro forma* effect thereto as if such transaction occurred on the first day of such period.

For purposes of this definition, whenever *pro forma* effect is to be given to any calculation under this definition, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Company. Any such *pro forma* calculation may include, without limitation, (1) adjustments calculated in accordance with Regulation S-X under the Securities Act and (2) all adjustments of the type used in connection with the calculation of “adjusted EBITDA” as set forth in footnote 7 under the caption “Summary—Summary historical consolidated financial data” in the Offering Memorandum to the extent such adjustments, without duplication, continue to be applicable to such four-quarter period. If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest expense on such Indebtedness will be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account any Interest Rate Agreement applicable to such Indebtedness). If any Indebtedness that is being given *pro forma* effect bears an interest rate at the option of the Company, the interest rate shall be calculated by applying such optional rate chosen by the Company. In making any *pro forma* calculation, the amount of Indebtedness under any revolving Debt Facility outstanding on the date of determination (other than any Indebtedness Incurred under such facility in connection with the transaction giving rise to the need to calculate the Consolidated Coverage Ratio) will be deemed to be:

(i) the average daily balance of such Indebtedness during such four fiscal quarters or such shorter period for which such Debt Facility was outstanding; or

(ii) if such Debt Facility was created after the end of such four fiscal quarters, the average daily balance of such Indebtedness during the period from the date of creation of such Debt Facility to the date of such determination.

The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

(c) The ownership of Notes shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration of transfer thereof or in exchange thereof or in lieu thereof, in respect of any action taken, suffered or omitted by the Trustee, the Company or the Guarantors in reliance thereon, whether or not notation of such action is made upon such Note.

(e) The Company may set a record date for purposes of determining the identity of Holders entitled to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, or to vote on or consent to any action authorized or permitted to be taken by Holders; *provided* that the Company may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in clause (f) below. Unless otherwise specified, if not set by the Company prior to the first solicitation of a Holder made by any Person in respect of any such action, or in the case of any such vote, prior to such vote, any such record date shall be the later of 30 days prior

to the first solicitation of such consent or vote or the date of the most recent list of Holders furnished to the Trustee prior to such solicitation or vote. If any record date is set pursuant to this clause (e), the Holders on such record date, and only such Holders, shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action (including revocation of any action), whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Notes, or each affected Holder, as applicable, on such record date. Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder in the manner set forth in Section 12.02.

(f) The Trustee may set any day as a record date for the purpose of determining the Holders entitled to join in the giving or making of (1) any notice of default under Section 6.01(a), (2) any declaration of acceleration referred to in Section 6.02, (3) any direction referred to in Section 6.05 or (4) any request to pursue a remedy as permitted in Section 6.06. If any record date is set pursuant to this paragraph, the Holders on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Notes or each affected Holder, as applicable, on such record date. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company and to each Holder in the manner set forth in Section 12.02.

(g) Without limiting the foregoing, a Holder entitled to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents, each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or action taken by a Holder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Holders of each such different part.

(h) Without limiting the generality of the foregoing, a Holder, including a Depositary that is the Holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders, and a Depositary that is the Holder of a Global Note may provide its proxy or proxies to the beneficial owners of interests in any such Global Note through such Depositary's standing instructions and customary practices.

(i) The Company may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in any Global Note held by a Depositary entitled under the procedures of such Depositary, if any, to make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders; *provided* that if such a record date is fixed, only the beneficial owners of interests in such Global Note on such record date or their duly appointed proxy or proxies shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such beneficial owners remain beneficial owners of interests in such Global Note after such record date. No such request, demand, authorization, direction, notice, consent, waiver or other action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date.

(j) With respect to any record date set pursuant to this Section 1.05, the party hereto that sets such record date may designate any day as the “*Expiration Date*” and from time to time may change the Expiration Date to any earlier or later day; *provided* that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Notes in the manner set forth in Section 12.02, on or prior to both the existing and the new Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section 1.05, the party hereto which set such record date shall be deemed to have initially designated the 90th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this clause (j).

Section 1.06 Limited Condition Transaction.

(a) When calculating the availability under any basket or ratio under this Indenture or compliance with any provision of this Indenture in connection with any Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the Incurrence or issuance of Indebtedness and the use of the proceeds thereof, the Incurrence of Liens, repayments, Restricted Payments and Asset Dispositions), in each case, at the option of the Company (the Company’s election to exercise such option, an “*LCT Election*”), the date of determination for availability under any such basket or ratio and whether any such action or transaction is permitted (or any requirement or condition therefor is complied with or satisfied (including as to the absence of any Default or Event of Default)) under this Indenture shall be deemed to be the date (the “*LCT Test Date*”) the definitive agreements for such Limited Condition Transaction are entered into (or, if applicable, the date of delivery of an irrevocable notice, declaration of a dividend or similar event) and if, after giving *pro forma* effect to the Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the Incurrence or issuance of Indebtedness and the use of proceeds thereof, the Incurrence of Liens, repayments, Restricted Payments and Asset Dispositions) and any related *pro forma* adjustments, the Company or any of its Restricted Subsidiaries would have been permitted to take such actions or consummate such transactions on the relevant LCT Test Date in compliance with such ratio, test or basket (and any related requirements and conditions), such ratio, test or basket (and any related requirements and conditions) shall be deemed to have been complied with (or satisfied) for all purposes; *provided* that (a) compliance with such ratios, tests or baskets (and any related requirements and conditions) shall not be determined or tested at any time after the applicable LCT Test Date for such Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the Incurrence or issuance of Indebtedness and the use of proceeds thereof, the Incurrence of Liens, repayments, Restricted Payments and Asset Dispositions) and (b) Consolidated EBITDA for purposes of the Consolidated Coverage Ratio, Secured Net Leverage Ratio and Net Leverage Ratio will be calculated using an assumed interest rate based on the indicative interest margin contained in any financing commitment documentation with respect to such Indebtedness or, if no such indicative interest margin exists, as reasonably determined by the Company in good faith.

(b) For the avoidance of doubt, if the Company has made an LCT Election, (1) if any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would at any time after the LCT Test Date have been exceeded or otherwise failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA of the Company, such baskets, tests or ratios will not be deemed to have been exceeded or failed to have been complied with as a result of such fluctuations (and no Default or Event of Default shall be deemed to have occurred due to such failure to comply), and (2) in calculating the availability under any ratio, test or basket in connection with any action or transaction unrelated to such Limited Conditional Transaction following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated and the date that the definitive agreement or date for redemption, purchase or repayment specified in an irrevocable notice for such Limited Condition Transaction is terminated, expires or passes, as applicable, without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be determined or tested giving *pro forma* effect to such Limited Condition Transaction.

ARTICLE 2

THE NOTES

Section 2.01 Form and Dating; Terms.

(a) Provisions relating to the Initial Notes, Additional Notes, and any other Notes issued under this Indenture are set forth in Appendix A, which is hereby incorporated in and expressly made a part of this Indenture. However, to the extent that any provision of Appendix A conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling. The Notes and the Trustee's certificate of authentication shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, rules or agreements with national securities exchanges to which the Company or any Guarantor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Company). Each Note shall be dated the date of its authentication. The Notes shall be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

(b) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture, and the Company, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Company pursuant to an Asset Disposition Offer as provided in Section 4.16 or a Change of Control Offer as provided in Section 4.15, and otherwise as not prohibited by this Indenture. The Notes shall not be redeemable, other than as provided in Article 3.

Additional Notes ranking *pari passu* with the Initial Notes may be created and issued from time to time by the Company without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to status, redemption or otherwise (other than issue date, issue price and, if applicable, the first interest payment date and the first date from which interest will accrue) as the Initial Notes; *provided* that the Company's ability to issue Additional Notes shall be subject to the Company's compliance with Section 4.09; *provided*, further, that if any Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, such Additional Notes will be issued as a separate series under this Indenture and will have a separate CUSIP number and ISIN from the Initial Notes. Any Additional Notes shall be issued with the benefit of a supplemental indenture to this Indenture.

Section 2.02 Execution and Authentication.

(a) At least one Officer shall execute the Notes on behalf of the Company by manual, facsimile or other electronic signature. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid.

(b) A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A attached hereto by the manual signature of an authorized signatory of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

(c) On the Issue Date, the Trustee shall, upon receipt of a written order of the Company signed by an Officer (an “*Authentication Order*”) and an Officers’ Certificate, authenticate and deliver the Initial Notes. In addition, at any time and from time to time, the Trustee shall, upon receipt of an Authentication Order and the documents required by Section 12.04, authenticate and deliver any Additional Notes in an aggregate principal amount specified in such Authentication Order for such Additional Notes issued hereunder.

(d) The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders, the Company or an Affiliate of the Company.

(e) The Trustee shall authenticate and make available for delivery upon a written order of the Company signed by one Officer of the Company (i) Initial Notes for original issue on the Issue Date in an aggregate principal amount of \$500,000,000, (ii) subject to the terms of this Indenture, Additional Notes, (iii) any other Unrestricted Global Notes issued in exchange for any of the foregoing in accordance with this Indenture and (iv) Notes pursuant to Sections 2.06, 2.07, 2.10, 3.06, 3.09, 4.15, 4.16 and 9.05 in accordance with this Indenture. Such order shall specify the amount of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated and whether the Notes are to be Initial Notes, Additional Notes or other Unrestricted Global Notes.

Section 2.03 Registrar and Paying Agent.

(a) The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (“*Registrar*”) and at least one office or agency where Notes may be presented for payment (“*Paying Agent*”). The Registrar shall keep a register of the Notes (“*Note Register*”) and of their transfer and exchange. The Company may appoint one or more co-registrars and one or more additional paying agents. The term “*Registrar*” includes any co-registrar, and the term “*Paying Agent*” includes any additional paying agent. The Company may change any Paying Agent or Registrar without prior notice to any Holder. The Company shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Company or any of its Restricted Subsidiaries may act as Paying Agent or Registrar.

(b) The Company initially appoints The Depository Trust Company to act as Depository with respect to the Global Notes. The Company initially appoints the Trustee to act as Paying Agent and Registrar for the Notes and to act as Custodian with respect to the Global Notes.

(c) The Company will be responsible for making calculations called for under the Notes, including but not limited to determination of redemption price, premium, if any, and any additional amounts or other amounts payable on the Notes. The Company will provide a schedule of its calculations to the Trustee when requested by the Trustee, and, absent manifest error, the Trustee is entitled to rely conclusively on the accuracy of the Company’s calculations without independent verification.

Section 2.04 Paying Agent to Hold Money in Trust.

The Company shall, no later than 11:00 a.m. (New York City time) on each due date for the payment of principal, premium, if any, and interest on any of the Notes, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held in trust for the Holders entitled to the same, and (unless such Paying Agent is the Trustee) the Company shall promptly notify the Trustee of its action or failure so to act. The Company shall require each Paying Agent other than the Trustee to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal, premium, if any, and interest on the Notes, and shall notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, a Paying Agent shall have no further liability for the money. If the Company or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee shall serve as Paying Agent for the Notes.

Section 2.05 Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Company shall furnish to the Trustee at least two Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

Section 2.06 Transfer and Exchange.

(a) The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with Appendix A.

(b) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 or at the Registrar's request.

(c) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange (other than pursuant to Section 2.07), but the Holders shall be required to pay any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 3.09, 4.15, 4.16 and 9.05).

(d) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(e) Neither the Company nor the Registrar shall be required (1) to issue, to register the transfer of or to exchange any Note during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 and ending at the close of business on the day of selection, (2) to register the transfer of or to exchange any Note so selected for redemption, or tendered for repurchase (and not withdrawn) in connection with a Change of Control Offer or an Asset Disposition Offer, in whole or in part, except the unredeemed or unpurchased portion of any Note being redeemed or repurchased in part or (3) to register the transfer of or to exchange any Note between a Record Date and the next succeeding Interest Payment Date.

(f) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal, premium, if any, and (subject to the Record Date provisions of the Notes) interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(g) Upon surrender for registration of transfer of any Note at the office or agency of the Company designated pursuant to Section 4.02, the Company shall execute, and the Trustee shall authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(h) At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and mail or deliver in accordance with the Applicable Procedures, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of Appendix A.

(i) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by mail or by facsimile or electronic transmission.

Section 2.07 Replacement Notes.

If a mutilated Note is surrendered to the Trustee or if a Holder claims that its Note has been lost, destroyed or wrongfully taken and the Trustee receives evidence to its satisfaction of the ownership and loss, destruction or theft of such Note, the Company shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are otherwise met. If required by the Trustee or the Company, an indemnity bond must be provided by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge the Holder for the expenses of the Company and the Trustee in replacing a Note. Every replacement Note is a contractual obligation of the Company and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder. Notwithstanding the foregoing provisions of this Section 2.07, in case any mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Note, pay such Note.

Section 2.08 Outstanding Notes.

(a) The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note; *provided* that Notes held by the Company or a Subsidiary of the Company will not be deemed to be outstanding for purposes of Section 3.07(b).

(b) If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser, as such term is defined in Section 8-303 of the Uniform Commercial Code in effect in the State of New York.

(c) If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue from and after the date of such payment.

(d) If a Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on the maturity date, any redemption date or any date of purchase pursuant to an Offer to Purchase, money sufficient to pay Notes payable or to be redeemed or purchased on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 Treasury Notes.

In determining whether the Holders of the requisite principal amount of Notes have concurred in any direction, waiver or consent, Notes beneficially owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to the Notes and that the pledgee is not the Company or any obligor upon the Notes or any Affiliate of the Company or of such other obligor.

Section 2.10 Temporary Notes.

Until definitive Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes. Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

Section 2.11 Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of cancelled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). Certification of the cancellation of all cancelled Notes shall, upon the written request of the Company, be delivered to the Company. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 Defaulted Interest.

(a) If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in

the Notes and in Section 4.01. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Company shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than ten days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Company of such special record date. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall mail or deliver by electronic transmission in accordance with the Applicable Procedures, or cause to be mailed or delivered by electronic transmission in accordance with the Applicable Procedures to each Holder, a notice that states the special record date, the related payment date and the amount of such interest to be paid.

(b) Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue interest, which were carried by such other Note.

Section 2.13 CUSIP and ISIN Numbers

The Company in issuing the Notes may use CUSIP or ISIN numbers (if then generally in use) and, if so, the Trustee may use CUSIP or ISIN numbers in notices of redemption or exchange or in Offers to Purchase as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption or exchange or in Offers to Purchase and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption or exchange or Offer to Purchase shall not be affected by any defect in or omission of such numbers. The Company shall as promptly as practicable notify the Trustee in writing of any change in the CUSIP or ISIN numbers.

ARTICLE 3

REDEMPTION

Section 3.01 Notices to Trustee.

If the Company elects to redeem Notes pursuant to Section 3.07, it shall furnish to the Trustee, at least five Business Days before notice of redemption is required to be mailed or sent or caused to be mailed or sent to Holders pursuant to Section 3.03 (unless a shorter notice shall be agreed to by the Trustee) but not more than 70 days before a redemption date, an Officers' Certificate setting forth (1) the paragraph or subparagraph of such Note or Section of this Indenture pursuant to which the redemption shall occur, (2) the redemption date, (3) the principal amount of the Notes to be redeemed, (4) the redemption price, if then ascertainable and (5) any condition precedent to such redemption pursuant to Section 3.07(f).

Section 3.02 Selection of Notes to Be Redeemed or Purchased.

(a) If less than all of the Notes are to be redeemed pursuant to Section 3.07 or purchased in an Offer to Purchase at any time, the Trustee shall select the Notes to be redeemed or purchased on a *pro rata* basis, by lot in accordance with the Applicable Procedures or by such other method as the Trustee in its sole discretion deems to be fair and appropriate. In the event of partial

redemption or purchase by lot, the particular Notes to be redeemed or purchased shall be selected, unless otherwise provided herein, not less than ten nor more than 60 days prior to the redemption date by the Trustee from the then outstanding Notes not previously called for redemption or purchase.

(b) The Trustee shall promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected shall be in amounts of \$1,000 or whole number multiples of \$1,000; *provided* that no Notes of \$2,000 in principal amount or less shall be redeemed in part, except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not \$2,000 or a multiple of \$1,000 in excess thereof, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

(c) After the redemption date, upon surrender of a Note to be redeemed in part only, a new Note or Notes in principal amount equal to the unredeemed portion of the original Note, representing the same Indebtedness to the extent not redeemed, shall be issued in the name of the Holder of the Notes upon cancellation of the original Note (or appropriate book entries shall be made to reflect such partial redemption).

Section 3.03 Notice of Redemption.

(a) Subject to Section 3.09, the Company shall mail or deliver by electronic transmission in accordance with the Applicable Procedures, or cause to be mailed (or delivered by electronic transmission in accordance with the Applicable Procedures) notices of redemption of Notes not less than ten days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed pursuant to this Article at such Holder's registered address or otherwise in accordance with the Applicable Procedures, except that redemption notices may be mailed or delivered more than 60 days prior to a redemption date if the notice is issued in connection with Article 8 or Article 11.

(b) The notice shall identify the Notes to be redeemed (including CUSIP and ISIN number, if applicable) and shall state:

(1) the redemption date;

(2) the redemption price, including the portion thereof representing any accrued and unpaid interest to, but excluding, the redemption date; *provided* that in connection with a redemption under Section 3.07(a), the notice need not set forth the redemption price but only the manner of calculation thereof;

(3) if any Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Company defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph or subparagraph of the Notes or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;

(8) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes; and

(9) if applicable, any condition to such redemption.

(c) At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense; *provided* that the Company shall have delivered to the Trustee, at least five Business Days before notice of redemption is required to be sent or caused to be sent to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officers' Certificate requesting that the Trustee give such notice, together with the notice to be given, setting forth the information to be stated in such notice as provided in Section 3.03(b).

(d) If any notice of redemption is conditioned upon the satisfaction of one or more conditions precedent, such notice of redemption shall state that such redemption may be delayed until all such conditions have been satisfied or that such redemption may not occur and such notice may be rescinded in the event that any such condition precedent shall not have occurred, in each case as stated in such notice of redemption. The Company will provide prompt written notice to the Trustee and each Holder of the Notes (in the same manner in which the notice of redemption was given) delaying or rescinding such redemption not later than 5:00 p.m. (New York City time) two Business Days immediately prior to the redemption date in the event that any such condition precedent shall not have occurred, and the Company may delay such redemption until a new redemption date set forth in such notice (*provided* that such new redemption date shall not be more than 60 days after the date the original redemption notice was mailed (or delivered by electronic transmission in accordance with the Applicable Procedures) pursuant to Section 3.03(a) or rescind the redemption and notice of redemption, in which case the notice of redemption shall be of no force or effect.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is mailed or delivered in accordance with Section 3.03, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price (except as provided for in Section 3.07(f)). The notice, if mailed or delivered by electronic transmission in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05, on and after the redemption date, interest ceases to accrue on Notes or portions of Notes called for redemption.

Section 3.05 Deposit of Redemption or Purchase Price.

(a) No later than 11:00 a.m. (New York City time) on the redemption or purchase date (or such later time on such date as consistent with the Applicable Procedures to which the Trustee may reasonably agree), the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. If funds for such purpose are on deposit, the Paying Agent shall promptly send or mail to each Holder whose Notes are to be redeemed or repurchased the applicable redemption or purchase price thereof and accrued and unpaid interest thereon. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of, and accrued and unpaid interest on, all Notes to be redeemed or purchased.

(b) If the Company complies with the provisions of Section 3.05(a), on and after the redemption or purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the redemption or purchase date in respect of such Note will be paid on such redemption or purchase date to the Person in whose name such Note is registered at the close of business on such Record Date. If any Note called for redemption or purchase shall not be so paid upon surrender for redemption or purchase because of the failure of the Company to comply with Section 3.05(a), interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and, to the extent lawful, on any interest accrued to the redemption or purchase date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender of a Note that is redeemed or purchased in part, the Company shall issue and, upon receipt of an Authentication Order, the Trustee shall promptly authenticate and mail to the Holder (or cause to be transferred by book entry) at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered representing the same Indebtedness to the extent not redeemed or purchased; *provided* that each new Note shall be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officers' Certificate is required for the Trustee to authenticate such new Note.

Section 3.07 Optional Redemption.

(a) At any time prior to March 1, 2024, the Company may on any one or more occasions redeem the Notes, in whole or in part, upon notice pursuant to Section 3.03 at a redemption price equal to 100% of the aggregate principal amount of the Notes, plus the Applicable Premium, plus accrued and unpaid interest, if any, to, but excluding, the redemption date. Promptly after the determination thereof, the Company shall give the Trustee notice of the redemption price provided for in this Section 3.07(a), and the Trustee shall not be responsible for such calculation.

(b) Prior to March 1, 2024, the Company may on any one or more occasions redeem up to 40% of the original aggregate principal amount of the Notes (calculated after giving effect to any issuance of Additional Notes) with the Net Cash Proceeds of one or more Equity Offerings, upon notice pursuant to Section 3.03, at a redemption price equal to 104.000% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon, if any, to, but excluding, the applicable redemption date; *provided* that (1) at least 60% of the original aggregate principal amount of the Notes (calculated after giving effect to any issuance of Additional Notes) remains outstanding immediately after the occurrence of each such redemption; and (2) such redemption occurs within 120 days after the date of closing of such Equity Offering.

(c) Except pursuant to clause (a) or (b) of this Section 3.07, the Notes shall not be redeemable at the Company's option prior to March 1, 2024.

(d) On and after March 1, 2024, the Company may redeem the Notes, in whole or in part, upon notice pursuant to Section 3.03 at the redemption prices (expressed as percentages of the principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest thereon, if any, to, but excluding, the applicable redemption date, if redeemed during the 12-month period beginning on March 1 of each of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2024	102.000%
2025	101.000%
2026 and thereafter	100.000%

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06.

(f) Any redemption notice in connection with this Section 3.07 may, at the Company's discretion, be subject to one or more conditions precedent, including completion of an Equity Offering or other transaction involving the Company. If a redemption is subject to the satisfaction of one or more conditions precedent, the Company may delay the redemption date until such time as any or all such conditions shall be satisfied, and any related redemption notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date so delayed.

(g) The Company may acquire Notes by means other than a redemption, whether by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with applicable securities laws, so long as such acquisition does not otherwise violate the terms of this Indenture.

Section 3.08 Mandatory Redemption.

The Company will not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.09 Offers to Repurchase by Application of Excess Proceeds.

(a) In the event that, pursuant to Section 4.16, the Company is required to commence an Asset Disposition Offer, the Company will follow the procedures specified below.

(b) The Asset Disposition Offer will remain open for the Asset Disposition Offer Period. No later than the Asset Disposition Purchase Date, the Company will apply all Excess Proceeds to the purchase of the Asset Disposition Offer Amount, or, if less than the Asset Disposition Offer Amount of Notes (and, if applicable, Pari Passu Indebtedness) has been so validly tendered, all Notes and Pari Passu Indebtedness validly tendered in response to the Asset Disposition Offer. Payment for any Notes so purchased will be made in the same manner as redemption payments on the Notes are made.

(c) If the Asset Disposition Purchase Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest to, but excluding, the Asset Disposition Purchase Date, shall be paid on the Asset Disposition Date to the Person in whose name a Note is registered at the close of business on such Record Date.

(d) Upon the commencement of an Asset Disposition Offer, the Company shall mail a notice (or, in the case of Global Notes, otherwise communicate in accordance with the Applicable Procedures of the Depositary) to each of the Holders, with a copy to the Trustee, which notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Disposition Offer. The Asset Disposition Offer shall be made to all Holders and, if required, all holders of Pari Passu Indebtedness. The notice, which shall govern the terms of the Asset Disposition Offer, shall state:

(1) that the Asset Disposition Offer is being made pursuant to this Section 3.09 and Section 4.16 and the length of time the Asset Disposition Offer shall remain open;

(2) the Asset Disposition Offer Amount, the purchase price, including the portion thereof representing any accrued and unpaid interest, and the Asset Disposition Purchase Date;

(3) that any Note not properly tendered or accepted for payment shall continue to accrue interest;

(4) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Disposition Offer will cease to accrue interest on and after the Asset Disposition Purchase Date;

(5) that Holders electing to have a Note purchased pursuant to an Asset Disposition Offer may elect to have Notes purchased in integral multiples of \$1,000 only;

(6) that Holders electing to have a Note purchased pursuant to any Asset Disposition Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Note completed, or to transfer such Note by book-entry transfer, to the Company, the Depositary, if applicable, or a Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Asset Disposition Purchase Date;

(7) that Holders shall be entitled to withdraw their election if the Company, the Depositary or the Paying Agent, as the case may be, receives at the address specified in the notice, not later than the expiration of the Asset Disposition Offer Period, a telegram, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Notes the Holder tendered for purchase and a statement that such Holder is withdrawing its tendered Notes and its election to have such Note purchased;

(8) that, if the aggregate principal amount of Notes and Pari Passu Indebtedness surrendered by the holders thereof exceeds the Asset Disposition Offer Amount, then the Notes and such Pari Passu Indebtedness will be purchased on a *pro rata* basis based on the aggregate accreted value or principal amount, as applicable, of the Notes or such Pari Passu Indebtedness validly tendered and not properly withdrawn and the selection of the Notes for purchase shall be made by the Trustee by such method as the Trustee in its sole discretion shall deem to be fair and appropriate, although no Note having a principal amount of \$2,000 shall be purchased in part; and

(9) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer) representing the same Indebtedness to the extent not repurchased.

(e) On or before the Asset Disposition Purchase Date, the Company will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary or as otherwise provided in Section 4.16(c), the Asset Disposition Offer Amount of Notes and Pari Passu Indebtedness or portions thereof validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or, if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes and Pari Passu Indebtedness so tendered, in the case of the Notes, in integral multiples of \$1,000; *provided* that if, following repurchase of a portion of a Note, the remaining principal amount of such Note outstanding immediately after such repurchase would be less than \$2,000, then the portion of such Note so repurchased shall be reduced so that the remaining principal amount of such Note outstanding immediately after such repurchase is \$2,000. The Company will deliver, or cause to be delivered, to the Trustee the Notes so accepted and an Officers' Certificate stating the aggregate principal amount of Notes so accepted and that such Notes were accepted for payment by the Company in accordance with the terms of this Section 3.09. In addition, the Company will deliver all certificates and instruments, if any, required by the agreements governing the Pari Passu Indebtedness.

(f) The Paying Agent or the Company, as the case may be, will promptly, but in no event later than five Business Days after termination of the Asset Disposition Offer Period, mail or wire transfer (or otherwise deliver in accordance with the Applicable Procedures) to each tendering Holder or holder or lender of Pari Passu Indebtedness, as the case may be, an amount equal to the purchase price of the Notes or Pari Passu Indebtedness so validly tendered and not properly withdrawn by such holder or lender, as the case may be, and accepted by the Company for purchase, and the Company will promptly issue a new Note, and the Trustee, upon delivery of an Authentication Order from the Company, will authenticate and mail (or otherwise deliver in accordance with the Applicable Procedures) such new Note to such Holder (it being understood that, notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel or Officers' Certificate is required for the Trustee to authenticate and mail or deliver such new Note) in a principal amount equal to any unpurchased portion of the Note surrendered; *provided* that each such new Note will be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. In addition, the Company will take any and all other actions required by the agreements governing the Pari Passu Indebtedness with respect to the applicable Asset Disposition. Any Note not so accepted will be promptly mailed or delivered by the Company to the Holder thereof.

(g) The Company will comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to an Asset Disposition Offer. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue of any conflict.

(h) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not validly withdraw such Notes in connection with any tender offer or other offer to purchase Notes (including pursuant to a Change of Control Offer, Alternate Offer or an offer to purchase with the proceeds from any Asset Disposition) and the Company, or any third party making such offer in lieu of the Company as set forth in clause (f) of Section 4.15, purchases all of the Notes validly tendered and not validly withdrawn by such Holders, the Company or such third party shall have the right, upon not less than ten days' nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to such offer, to redeem or purchase all Notes that remain outstanding following such purchase at the applicable price paid to Holders in such purchase plus accrued and unpaid interest to, but excluding, the date of redemption.

Other than as specifically provided in this Section 3.09 or Section 4.16, any purchase pursuant to this Section 3.09 shall be made pursuant to the applicable provisions of Sections 3.01 through 3.06.

ARTICLE 4

COVENANTS

Section 4.01 Payment of Notes.

(a) The Company will pay, or cause to be paid, the principal, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary, holds as of 11:00 a.m. (New York City time), on the date due money deposited by the Company in immediately available funds and designated for and sufficient to pay the principal, premium, if any, and interest then due.

(b) The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

Section 4.02 Maintenance of Office or Agency.

The Company shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company and the Guarantors in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee; *provided* that the Corporate Trust Office of the Trustee shall not be an office or agency for the purposes of service of legal process against the Company or any Guarantor.

The Company may also from time to time designate additional offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03.

Section 4.03 Taxes.

The Company shall pay, and shall cause each of its Restricted Subsidiaries to pay, prior to delinquency, all material taxes, assessments and governmental levies except (a) such as are being contested in good faith and by appropriate negotiations or proceedings or (b) where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.04 Stay, Extension and Usury Laws.

Each of the Company and the Guarantors covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and each of the Company and the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.05 Corporate Existence.

Subject to Article 5, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect (1) its corporate existence and the corporate, partnership, limited liability company or other existence of each of its Restricted Subsidiaries, in accordance with the

respective organizational documents (as the same may be amended from time to time) of the Company or any such Restricted Subsidiary and (2) the rights (charter and statutory), licenses and franchises of the Company and its Restricted Subsidiaries; *provided* that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership, limited liability company or other existence of any of its Restricted Subsidiaries, if the Company in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Restricted Subsidiaries, taken as a whole.

Section 4.06 Reports and Other Information.

(a) Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to the rules and regulations promulgated by the SEC, the Company will file with the SEC within the time periods (including any grace period or extension permitted by the SEC) specified in the SEC's rules and regulations that are then applicable to the Company (or if the Company is not then subject to the reporting requirements of the Exchange Act, then the time periods for filing applicable to a filer that is not an "accelerated filer" as defined in such rules and regulations):

(1) all financial information that would be required to be contained in an annual report on Form 10-K, or any successor or comparable form, filed with the SEC, including a "Management's discussion and analysis of financial condition and results of operations" section and a report on the annual financial statements by the Company's independent registered public accounting firm;

(2) all financial information that would be required to be contained in a quarterly report on Form 10-Q, or any successor or comparable form, filed with the SEC, including a "Management's discussion and analysis of financial condition and results of operations" section; and

(3) all current reports that would be required to be filed with the SEC on Form 8-K, or any successor or comparable form, if the Company were required to file such reports.

(b) Notwithstanding Section 4.06(a), the Company will not be obligated to file such reports with the SEC if the SEC does not permit such filings, so long as the Company provides such information to the Trustee and the Holders and makes available such information to prospective purchasers of the Notes, in each case at the Company's expense and by the applicable date the Company would be required to file such information pursuant to Section 4.06(a). In addition, to the extent not satisfied by the foregoing, for so long as any Notes are outstanding, the Company will furnish to Holders and to securities analysts and prospective purchasers of the Notes, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as the Notes are not freely transferable under the Securities Act.

(c) The requirements set forth in Sections 4.06(a) and 4.06(b) may be satisfied by the Company posting the required reports on its website or delivering such information to the Trustee and posting copies of such information on any website (which may be nonpublic and may be maintained by the Company or a third party) to which access will be given to Holders, securities analysts and prospective purchasers of the Notes, in each case within the time periods that would apply if the Company were required to file those reports with the SEC.

(d) In addition, no later than ten Business Days after the date the annual and quarterly financial information for the prior fiscal period have been furnished pursuant to Section 4.06(a)(1) or (2), the Company shall also hold live quarterly conference calls with the opportunity to ask questions of management; *provided* that, as long as the Company holds quarterly conference calls for investors in its common stock, it shall not be required to hold separate or additional conference calls for the benefit of the Holders and beneficial owners of the Notes, prospective purchasers of the Notes, securities analysts and market making financial institutions. No fewer than five Business Days prior to the date such conference call is to be held, the Company shall issue a press release to the appropriate U.S. wire services announcing such conference call, which press release shall contain information on how and when to access such conference call.

(e) If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries and such Unrestricted Subsidiaries, either individually or collectively, would otherwise have been a Significant Subsidiary, then the annual and quarterly financial information required by this Section 4.06 shall include a reasonably detailed presentation, as determined in good faith by Senior Management of the Company, either on the face of the financial statements or in the footnotes to the financial statements and in the “Management’s discussion and analysis of financial condition and results of operations” section, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries.

(f) Delivery of such reports, information and documents to the Trustee hereunder is for informational purposes only and the Trustee’s receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company’s compliance with any of its covenants hereunder or under the Notes (as to which the Trustee is entitled to rely exclusively on Officers’ Certificates). The Trustee shall have no obligation to monitor or confirm, on a continuing basis or otherwise, the Company’s compliance with the covenants or with respect to any reports or other documents filed with the SEC or posted on the Company’s website, or participate in any conference calls.

Section 4.07 Compliance Certificate.

(a) The Company will deliver to the Trustee, within 120 days after the end of each fiscal year ending after the Issue Date, a certificate from the principal executive officer, principal financial officer or principal accounting officer stating that a review of the activities of the Company and its Restricted Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Company and each Guarantor have kept, observed, performed and fulfilled their obligations under this Indenture, and further stating, as to such Officer signing such certificate, that to the best of his or her knowledge, the Company and each Guarantor have kept, observed, performed and fulfilled each and every condition and covenant contained in this Indenture and no Default has occurred or is continuing in the performance or observance of any of the terms, provisions, covenants and conditions of this Indenture (or, if a Default shall have occurred and be continuing, describing all such Defaults of which he or she may have knowledge and what action the Company and each Guarantor are taking or propose to take with respect thereto).

(b) When any Default has occurred and is continuing under this Indenture, or if the Trustee or the holder of any other evidence of Indebtedness of the Company or any Subsidiary gives any notice or takes any other action with respect to a claimed Default, the Company will promptly (which shall be within 30 days following the date on which the Company becomes aware of such Default, receives notice of such Default or becomes aware of such action, as applicable) send to the Trustee an Officers’ Certificate specifying such event, its status and what action the Company is taking or proposes to take with respect thereof.

Section 4.08 Limitation on Restricted Payments.

(a) The Company will not, and will not permit any of its Restricted Subsidiaries, directly or indirectly, to:

(1) declare or pay any dividend or make any distribution (whether made in cash, securities or other property) on or in respect of its or any of its Restricted Subsidiaries' Capital Stock (including any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) other than:

(A) dividends or distributions payable solely in Capital Stock of the Company (other than Disqualified Stock); and

(B) dividends or distributions by a Restricted Subsidiary, so long as, in the case of any dividend or distribution payable on or in respect of any Capital Stock issued by a Restricted Subsidiary that is not a Wholly Owned Subsidiary, the Company or the Restricted Subsidiary holding such Capital Stock receives at least its *pro rata* share of such dividend or distribution;

(2) purchase, redeem, retire or otherwise acquire for value, including in connection with any merger or consolidation, any Capital Stock of the Company or any direct or indirect parent of the Company held by Persons other than the Company or a Restricted Subsidiary;

(3) make any principal payment on, or purchase, repurchase, redeem, defease or otherwise acquire or retire for value, prior to any scheduled repayment, scheduled sinking fund payment or scheduled maturity, any Subordinated Obligations or Guarantor Subordinated Obligations, other than:

(A) Indebtedness of the Company owing to and held by any Guarantor or Indebtedness of a Guarantor owing to and held by the Company or any other Guarantor permitted under clause (5) of Section 4.09(b); or

(B) the purchase, repurchase, redemption, defeasance or other acquisition or retirement of Subordinated Obligations or Guarantor Subordinated Obligations of any Guarantor purchased in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of purchase, repurchase, redemption, defeasance or other acquisition or retirement; or

(4) make any Restricted Investment

(all such payments and other actions referred to in clauses (1) through (4) of this Section 4.08(a) (other than any exception thereto) shall be referred to as a "Restricted Payment"), unless, at the time of and after giving effect to such Restricted Payment:

(A) no Default shall have occurred and be continuing (or would result therefrom);

(B) immediately after giving effect to such transaction on a *pro forma* basis, the Company could Incur \$1.00 of additional Indebtedness under Section 4.09(a); and

(C) the aggregate amount of such Restricted Payment and all other Restricted Payments declared or made subsequent to the Issue Date (including Restricted Payments permitted by clauses (4) and (6) of Section 4.08(b) but excluding Restricted Payments permitted by all other clauses of Section 4.08(b)) would not exceed the sum of (without duplication):

(i) 50% of Consolidated Net Income for the period (treated as one accounting period) from July 4, 2017 to the end of the most recent fiscal quarter ending prior to the date of such Restricted Payment for which financial statements are available (or, in case such Consolidated Net Income is a deficit, minus 100% of such deficit); *plus*

(ii) 100% of the aggregate Net Cash Proceeds and the Fair Market Value of marketable securities or other property received by the Company from the issue or sale of its Capital Stock (other than Disqualified Stock) or other capital contributions subsequent to the Issue Date, other than:

- (x) Net Cash Proceeds received from an issuance or sale of such Capital Stock to a Subsidiary of the Company or to an employee stock ownership plan, option plan or similar trust to the extent such sale to an employee stock ownership plan, option plan or similar trust is financed by loans from or Guaranteed by the Company or any Restricted Subsidiary unless such loans have been repaid with cash on or prior to the date of determination; and
- (y) Net Cash Proceeds received by the Company from the issue and sale of its Capital Stock or capital contributions to the extent applied in accordance with Section 4.08(b)(7)(A); *plus*

(iii) the amount by which Indebtedness of the Company or its Restricted Subsidiaries is reduced on the Company's consolidated balance sheet upon the conversion or exchange subsequent to the Issue Date of any Indebtedness of the Company or any Restricted Subsidiary (other than Indebtedness held by a Subsidiary of the Company) convertible or exchangeable for Capital Stock (other than Disqualified Stock) of the Company (less the amount of any cash, or the Fair Market Value of any other property, distributed by the Company upon such conversion or exchange); *plus*

(iv) the amount equal to the net reduction in Restricted Investments made by the Company or any of its Restricted Subsidiaries in any Person resulting from:

- (x) repurchases or redemptions of such Restricted Investments by such Person, proceeds realized upon the sale of such Restricted Investment to a purchaser that is not an Affiliate, repayments of loans or advances or other transfers of assets (including by way of dividend or distribution) by such Person to the Company or any Restricted Subsidiary (other than for reimbursement of tax payments), and the amount of any cancellation of any Guarantee or other contingent obligation constituting a Restricted Investment; or

- (y) the redesignation of Unrestricted Subsidiaries as Restricted Subsidiaries or the merger or consolidation of an Unrestricted Subsidiary with and into the Company or any of its Restricted Subsidiaries (valued in each case as provided in the definition of "Investment"),

(b) The provisions of Section 4.08(a) will not prohibit:

(1) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Capital Stock, Disqualified Stock or Subordinated Obligations of the Company or Guarantor Subordinated Obligations of any Guarantor made by exchange for, or out of the proceeds of the substantially concurrent sale of, Capital Stock of the Company (other than Disqualified Stock and other than Capital Stock issued or sold to a Subsidiary or an employee stock ownership plan or similar trust to the extent such sale to an employee stock ownership plan or similar trust is financed by loans from or Guaranteed by the Company or any Restricted Subsidiary unless such loans have been repaid with cash on or prior to the date of determination); *provided, however*, that the Net Cash Proceeds from such sale of Capital Stock will be excluded from clause (C)(ii) of Section 4.08(a);

(2) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Subordinated Obligations of the Company or Guarantor Subordinated Obligations of any Guarantor made by exchange for, or out of the proceeds of the substantially concurrent sale of, Subordinated Obligations of the Company or any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Guarantor Subordinated Obligations of any Guarantor made by exchange for or out of the proceeds of the substantially concurrent sale of Guarantor Subordinated Obligations of a Guarantor, so long as such refinancing Subordinated Obligations or Guarantor Subordinated Obligations are permitted to be Incurred pursuant to Section 4.09 and constitute Refinancing Indebtedness;

(3) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Disqualified Stock of the Company or a Restricted Subsidiary made by exchange for or out of the proceeds of the substantially concurrent sale of Disqualified Stock of the Company or such Restricted Subsidiary, as the case may be, so long as such refinancing Disqualified Stock is permitted to be Incurred pursuant to Section 4.09 and constitutes Refinancing Indebtedness;

(b) The provisions of Section 4.09(a) will not prohibit the Incurrence of the following Indebtedness:

(1) Indebtedness of the Company or any Restricted Subsidiary Incurred under a Debt Facility (including, without limitation, Indebtedness outstanding under the Senior Credit Facilities and the Asia ABL Facility on the Issue Date) and the issuance and creation of letters of credit and bankers' acceptances thereunder (with undrawn trade letters of credit and reimbursement obligations relating to trade letters of credit satisfied within 30 days being excluded, and bankers' acceptances being deemed to have a principal amount equal to the face amount thereof) in an aggregate amount outstanding at any one time not to exceed the greater of (x) \$1,000.0 million and (y) an amount such that the Secured Net Leverage Ratio is less than or equal to 3.75 to 1.0 (assuming, for purposes of the calculation of the Secured Net Leverage Ratio, that any commitments with respect to Indebtedness under any revolving Debt Facility permitted to be incurred under this clause (1) are fully drawn on such date); *provided* that solely for purposes of calculating the Secured Net Leverage Ratio under this clause (1), any outstanding Indebtedness Incurred under this clause (1) that is unsecured shall nevertheless be deemed to be secured by a Lien;

(2) Indebtedness represented by the Notes (including any Note Guarantee) (other than any Additional Notes);

(A) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being beneficially held by a Person other than the Company or a Restricted Subsidiary of the Company (other than a Receivables Entity); and

(B) any sale or other transfer of any such Indebtedness to a Person other than the Company or a Restricted Subsidiary of the Company (other than a Receivables Entity)

shall be deemed, in each case under this clause (5), to constitute an Incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be, as of the time of such issuance or transfer;

(6) Disqualified Stock or Preferred Stock of a Restricted Subsidiary held by the Company or any other Restricted Subsidiary (other than a Receivables Entity); *provided, however,* (A) any subsequent issuance or transfer of Capital Stock or any other event which results in such Disqualified Stock or Preferred Stock being beneficially held by a Person other than the Company or a Restricted Subsidiary of the Company (other than a Receivables Entity); and (B) any sale or other transfer of any such Disqualified Stock or Preferred Stock to a Person other than the Company or a Restricted Subsidiary of the Company (other than a Receivables Entity) shall be deemed, in each case under this clause (6), to constitute an Incurrence of such Disqualified Stock or Preferred Stock by such Subsidiary, as of the time of such issuance or transfer;

(7) (a) Indebtedness of the Company or any of its Restricted Subsidiaries Incurred or assumed in connection with an acquisition of a Person in which such Person becomes a Restricted Subsidiary of the Company or all or substantially all of the assets of such Person are acquired by or such Person is merged with or into the Company or any of its Restricted Subsidiaries or (b) Indebtedness of Persons Incurred and outstanding on the date on which such Person becomes a Restricted Subsidiary of the Company or all or substantially all of the assets of such Person are acquired by, or such Person is merged with or into, the Company or any Restricted Subsidiary; *provided, however,* that at the time such Person is acquired by, or such Person is merged with or into the Company or a Restricted Subsidiary, either

(A) the Company would have been able to Incur \$1.00 of additional Indebtedness pursuant to Section 4.09(a) on a *pro forma* basis after giving effect to the Incurrence of such Indebtedness (and any application of the proceeds thereof) pursuant to this clause (7); or

(8) Indebtedness under Hedging Obligations (excluding Hedging Obligations entered into for speculative purposes);

(9) Indebtedness (including Capitalized Lease Obligations) of the Company or a Restricted Subsidiary Incurred to finance the acquisition, purchase, lease, construction or improvement of any property, real property, plant or equipment used or to be used in the business of the Company or such Restricted Subsidiary, whether through the direct purchase or acquisition of such property, real property, plant or equipment or through the purchase or acquisition of the Capital Stock of any Person owning such property, real property, plant or equipment, and any Indebtedness of the Company or a Restricted Subsidiary which serves to refund or refinance any Indebtedness Incurred pursuant to this clause (9), together with any Refinancing Indebtedness Incurred pursuant to clause (14) in respect of Indebtedness Incurred under this clause (9), in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause (9) and then outstanding, will not exceed the greater of (A) \$75.0 million and (B) 27.5% of Consolidated EBITDA for the period of the most recent four consecutive fiscal quarters ending prior to the date of such determination for which internal financial statements prepared on a consolidated basis are available at the time of Incurrence;

(10) Indebtedness Incurred by the Company or its Restricted Subsidiaries in respect of workers' compensation claims, health, disability or other employee benefits or property, casualty or liability insurance, self-insurance obligations, performance, bid, surety, appeal and similar bonds and completion Guarantees (not for borrowed money) and similar obligations in the ordinary course of business;

(13) Indebtedness Incurred in Qualified Receivables Transactions and Factoring Transactions in an aggregate principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause (13) and outstanding at the time of such Incurrence, will not exceed the greater of (A) \$100.0 million and (B) 37.5% of Consolidated EBITDA for the period of the most recent four consecutive fiscal quarters ending prior to the date of such determination for which internal financial statements prepared on a consolidated basis are available at the time of Incurrence;

(14) the Incurrence or issuance by the Company or any Restricted Subsidiary of Refinancing Indebtedness that serves to refund or refinance any Indebtedness Incurred as permitted under Section 4.09(a) and clauses (2), (3), (7), (9), (20), (21), (22) and this clause (14) of this Section 4.09(b), or any Indebtedness issued to so refund or refinance such Indebtedness, including additional Indebtedness Incurred to pay premiums (including reasonable, as determined in good faith by the Company, tender premiums), defeasance and discharge costs, accrued interest and fees and expenses in connection therewith;

(15) Indebtedness consisting of Indebtedness issued by the Company or any Restricted Subsidiary to existing or former directors, officers or employees of the Company or any Subsidiary of the Company or their assigns, estates or heirs, in each case to finance the purchase, redemption or other acquisition of Capital Stock or equity appreciation rights of the Company to the extent described in clause (7) of Section 4.08(b);

(16) Cash Management Obligations and guarantees in respect thereof incurred in the ordinary course of business;

(17) Indebtedness representing installment insurance premiums of the Company or any Restricted Subsidiary owing to insurance companies in the ordinary course of business;

(18) unsecured guarantees Incurred in the ordinary course of business by the Company of operating leases of Subsidiaries;

(19) Attributable Indebtedness, when taken together with the amount of all other Attributable Indebtedness Incurred pursuant to this clause (19), in an aggregate amount outstanding at any one time not to exceed \$25.0 million;

(20) Indebtedness, together with any Refinancing Indebtedness Incurred pursuant to clause (14) in respect of Indebtedness Incurred under this clause (20), in an amount not to exceed the aggregate Net Cash Proceeds and the Fair Market Value of marketable securities or other property received from issuances described in clause (C)(ii) of Section 4.08(a), but only to the extent that such proceeds will be excluded from such clause (C)(ii) and from clause (1) of Section 4.08(b);

(21) Indebtedness of Non-Guarantor Subsidiaries, together with any Refinancing Indebtedness Incurred pursuant to clause (14) in respect of Indebtedness Incurred under this clause (21), in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause (21) and then

outstanding will not exceed the greater of (a) \$150.0 million and (b) 55.0% of Consolidated EBITDA for the period of the most recent four consecutive fiscal quarters ending prior to the date of such determination for which internal financial statements prepared on a consolidated basis are available at the time of Incurrence; and

(22) in addition to the items referred to in clauses (1) through (21) above, Indebtedness of the Company and its Restricted Subsidiaries, together with any Refinancing Indebtedness Incurred pursuant to clause (14) in respect of Indebtedness Incurred under this clause (22), in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause (22) and then outstanding, will not exceed the greater of (a) \$150.0 million and (b) 55.0% of Consolidated EBITDA for the period of the most recent four consecutive fiscal quarters ending prior to the date of such determination for which internal financial statements prepared on a consolidated basis are available at the time of Incurrence.

(c) The Company will not Incur any Indebtedness under Section 4.09(b) if the proceeds thereof are used, directly or indirectly, to refinance any Subordinated Obligations of the Company unless such Indebtedness will be subordinated to the Notes to at least the same extent as such Subordinated Obligations. No Guarantor will Incur any Indebtedness under Section 4.09(b) if the proceeds thereof are used, directly or indirectly, to refinance any Guarantor Subordinated Obligations of such Guarantor unless such Indebtedness will be subordinated to the obligations of such Guarantor under its Note Guarantee to at least the same extent as such Guarantor Subordinated Obligations. Notwithstanding the two immediately preceding sentences, nothing shall prohibit the Company or any Guarantor from incurring any Indebtedness permitted to be Incurred under this covenant and using the proceeds therefrom to repay or refinance Subordinated Obligations or Guarantor Subordinated Obligation, to the extent such repayment or refinancing is then permitted under Section 4.08. No Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Company or Guarantors solely by virtue of being unsecured, by virtue of being secured on a junior priority basis, by reason of any liens or guarantees arising or created in respect thereof, or by virtue of the fact that the holders of any Secured Indebtedness have entered into intercreditor agreements giving one or more of such holders priority over the other holders in the collateral held by them.

(d) For purposes of determining compliance with this Section 4.09:

(1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 4.09(b) or may be Incurred under Section 4.09(a), the Company, in its sole discretion, will classify such item of Indebtedness on the date of Incurrence and may later reclassify such item of Indebtedness in any manner that complies with Section 4.09(a) or Section 4.09(b) and will be entitled to divide the amount and type of such Indebtedness among Section 4.09(a) and more than one of the clauses of Section 4.09(b); *provided* that all Indebtedness outstanding on the Issue Date under the Senior Credit Facilities and the Asia ABL Facility, and all Indebtedness (or the portion thereof) Incurred under clause (1) of Section 4.09(b), shall be deemed Incurred under clause (1) of Section 4.09(b) and not Section 4.09(a) or clause (3) of Section 4.09(b) and may not later be reclassified;

(2) if obligations in respect of letters of credit are Incurred pursuant to a Debt Facility and relate to other Indebtedness, then such letters of credit shall be treated as Incurred pursuant to clause (1) of Section 4.09(b) and such other Indebtedness shall not be included; and

(3) except as provided in clause (2) of this Section 4.09(d), Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the calculation of such particular amount.

(e) Accrual of interest, accrual of dividends, the accretion of accreted value, the amortization of debt discount, the payment of interest in the form of additional Indebtedness and the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.09.

(f) In addition, the Company will not permit any of its Unrestricted Subsidiaries to Incur any Indebtedness or issue any shares of Disqualified Stock, other than Non-Recourse Debt. If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.09, the Company shall be in Default of this Section 4.09).

(g) For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or first committed, in the case of revolving credit Indebtedness; *provided* that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced. Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness that the Company may Incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

(h) The Company will not, and will not permit any Guarantor to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) that is or purports to be by its terms (or by the terms of any agreement governing such Indebtedness) subordinated or junior in right of payment to any other Indebtedness (including Acquired Indebtedness) of the Company or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Notes or such Guarantor's Guarantee, as the case may be, to the same extent and in the same manner as such Indebtedness is subordinated to such other Indebtedness of the Company or such Guarantor, as the case may be. For purposes of the foregoing, no Indebtedness will be deemed to be contractually subordinated or junior in right of payment to any other Indebtedness solely by virtue of (i) being unsecured or (ii) its having a junior priority with respect to the same collateral.

Section 4.10 Limitation on Liens.

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, Incur, assume or suffer to exist any Lien (other than Permitted Liens) upon any of its property or assets (including Capital Stock of Subsidiaries), or income or profits therefrom, whether owned on the Issue Date or acquired after that date, which Lien is securing any Indebtedness, unless contemporaneously with the Incurrence of such Liens:

(1) in the case of Liens securing Subordinated Obligations or Guarantor Subordinated Obligations, the Notes and related Note Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; or

(2) in all other cases, the Notes and related Note Guarantees are equally and ratably secured or are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens.

Any Lien created for the benefit of Holders pursuant to this Section 4.10 shall be automatically and unconditionally released and discharged upon the release and discharge of each of the related Liens described in clauses (1) and (2) above.

Section 4.11 Future Guarantors.

(a) The Company will cause each Domestic Subsidiary (other than any Excluded Subsidiary) (1) that becomes a borrower under the Term Loan Facility or the ABL Facility or that Guarantees, on the Issue Date or at any time thereafter, the Obligations under the Term Loan Facility or the ABL Facility or (2) that Guarantees any other Material Indebtedness of the Company or any Guarantor, on the Issue Date or at any time thereafter, to execute and deliver to the Trustee a supplemental indenture substantially in the form provided as Exhibit C to this Indenture pursuant to which such Domestic Subsidiary will irrevocably and unconditionally Guarantee, on a joint and several basis, the full and prompt payment of the principal of, premium, if any, and interest in respect of the Notes on a senior basis and all other Obligations under this Indenture.

(b) The obligations of each Guarantor will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor (including, without limitation, any Guarantees under the Term Loan Facility or the ABL Facility) and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the Obligations of such other Guarantor under its Note Guarantee or pursuant to its contribution Obligations under this Indenture, result in the Obligations of such Guarantor under its Note Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law.

(c) Each Note Guarantee shall be released in accordance with the provisions of Section 10.06.

Section 4.12 Limitation on Restrictions on Distribution From Restricted Subsidiaries.

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

(1) pay dividends or make any other distributions on its Capital Stock to the Company or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness or other obligations owed to the Company or any Restricted Subsidiary (it being understood that the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on Common Stock shall not be deemed a restriction on the ability to make distributions on Capital Stock);

(2) make any loans or advances to the Company or any Restricted Subsidiary (it being understood that the subordination of loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness Incurred by the Company or any Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances); or

(3) sell, lease or transfer any of its property or assets to the Company or any Restricted Subsidiary (it being understood that such transfers shall not include any type of transfer described in clause (1) or (2) of this Section 4.12(a)).

(b) The preceding provisions will not prohibit encumbrances or restrictions existing under or by reason of:

(1) contractual encumbrances or restrictions pursuant to (i) the Senior Credit Facilities and Asia ABL Facility and related documentation and (ii) Hedging Obligations and other agreements or instruments, in each case in effect at or entered into on the Issue Date;

(2) this Indenture, the Notes and the Note Guarantees;

(3) any agreement or other instrument of a Person acquired by the Company or any of its Restricted Subsidiaries in existence at the time of such acquisition (but not created in contemplation thereof), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person and its Subsidiaries, or the property or assets of the Person and its Subsidiaries, so acquired (including after-acquired property);

(4) any amendment, restatement, modification, renewal, supplement, refunding, replacement or refinancing of an agreement referred to in this Section 4.12(b); *provided, however*, that such amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Company, not materially more restrictive, taken as a whole, than the encumbrances and restrictions contained in the agreements referred to in this Section 4.12(b) on the Issue Date or the date such Restricted Subsidiary became a Restricted Subsidiary or was merged into a Restricted Subsidiary, whichever is applicable;

(5) in the case of clause (3) of Section 4.12(a), Liens permitted to be Incurred under Section 4.10 that limit the right of the debtor to dispose of the assets subject to such Liens;

(6) purchase money obligations for property acquired in the ordinary course of business and Capitalized Lease Obligations permitted under this Indenture, to the extent such encumbrance or restriction is customary for such purchase money obligation or Capitalized Lease Obligation;

(7) contracts for the sale of assets, including customary restrictions with respect to a Subsidiary of the Company pursuant to an agreement that has been entered into for the sale or disposition of all or a portion of the Capital Stock or assets of such Subsidiary;

(8) restrictions on cash or other deposits or net worth imposed by customers or suppliers, or required by insurance, surety or bonding companies;

(9) any customary provisions in Permitted Joint Venture agreements relating to joint ventures that are not Restricted Subsidiaries and other similar agreements;

(11) encumbrances or restrictions arising or existing by reason of applicable law or any applicable rule, regulation or order;

(12) any Purchase Money Note or other Indebtedness or contractual requirements Incurred with respect to a Qualified Receivables Transaction or Factoring Transaction relating exclusively to a Receivables Entity that, in the good faith determination of the Senior Management of the Company, are necessary to effect such Qualified Receivables Transaction or Factoring Transaction; and

(13) any agreement or instrument governing any Indebtedness, Disqualified Stock or Preferred Stock permitted to be incurred or issued under this Indenture that contains encumbrances and other restrictions that either (x) are no more restrictive in any material respect taken as a whole with respect to any Restricted Subsidiary than (i) the restrictions contained in this Indenture or the Senior Credit Facilities as of the Issue Date or, in the case of any Refinancing Indebtedness, in the Indebtedness being refinanced, or (ii) those encumbrances and other restrictions that are in effect on the Issue Date with respect to that Restricted Subsidiary pursuant to agreements in effect on the Issue Date, (y) are not materially more disadvantageous, taken as a whole, to the Holders than is customary in comparable financings for similarly situated issuers or (z) will not otherwise materially impair the Company's ability to make payments on the Notes when due, in each case in the good faith judgment of Senior Management of the Company.

Section 4.13 Designation of Restricted and Unrestricted Subsidiaries.

(a) The Company may designate after the Issue Date any Subsidiary (including any newly acquired or newly formed Subsidiary) as an "Unrestricted Subsidiary" under this Indenture (a "*Designation*") only if:

(1) no Default or Event of Default has occurred and is continuing after giving effect to such Designation;

(2) the Subsidiary to be so designated and its Subsidiaries do not at the time of Designation own any Capital Stock or Indebtedness of, or own or hold any Lien with respect to, the Company or any other Restricted Subsidiary of the Company that is not a Subsidiary of the Subsidiary so designated;

(3) all the Indebtedness of such Subsidiary and its Subsidiaries shall, at the date of designation, and will at all times thereafter, consist of Non-Recourse Debt;

(4) such Subsidiary and its Subsidiaries are Persons with respect to which neither the Company nor any of the Company's Restricted Subsidiaries has any direct or indirect obligation:

(A) to subscribe for additional Capital Stock of such Subsidiary or its Subsidiaries; or

(B) to maintain or preserve such Subsidiary's or any of its Subsidiaries' financial condition or to cause such Subsidiary or any of its Subsidiaries to achieve any specified levels of operating results; and

(5) either (A) the Subsidiary to be so designated has total consolidated assets of \$1,000 or less or (B) if such Subsidiary has consolidated assets greater than \$1,000, then such Designation would be permitted under Section 4.08 or the definition of “Permitted Investment.”

(b) The Company may revoke any Designation of a Subsidiary as an Unrestricted Subsidiary (a “Revocation”) only if, immediately after giving effect such Revocation:

(1) (A) The Company would be able to Incur at least \$1.00 of additional Indebtedness pursuant to Section 4.09(a) or (B) the Consolidated Coverage Ratio of the Company and its Restricted Subsidiaries would be greater than such ratio for the Company and its Restricted Subsidiaries immediately prior to such Revocation, in each case on a *pro forma* basis taking into account such Revocation;

(2) all Liens of such Unrestricted Subsidiary outstanding immediately following such Revocation would, if Incurred at such time, have been permitted to be Incurred for all purposes of this Indenture; and

(3) no Default or Event of Default has occurred and is continuing after giving effect to such Revocation.

(c) Any such Designation or Revocation shall be evidenced to the Trustee by delivering to the Trustee a certified copy of the resolution of the Board of Directors of the Company giving effect to such Designation or Revocation, as the case may be, and an Officers’ Certificate and an Opinion of Counsel certifying that such Designation or Revocation complies with the foregoing conditions.

(d) A Revocation will be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary. If, at any time, any Unrestricted Subsidiary would fail to meet the foregoing requirements as an Unrestricted Subsidiary, it shall thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture, and any Indebtedness of such Subsidiary shall be deemed to be Incurred as of such date.

Section 4.14 Transactions with Affiliates.

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction (including the purchase, sale, lease or exchange of any property or asset or the rendering of any service) with any Affiliate of the Company (an “Affiliate Transaction”) involving aggregate payments or consideration in excess of \$5.0 million, *unless*:

(1) the terms of such Affiliate Transaction are, taken as a whole, no less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could have been obtained by the Company or such Restricted Subsidiary in a comparable transaction at the time of such transaction in arms’-length dealings with a Person that is not an Affiliate; and

(2) in the event such Affiliate Transaction involves an aggregate consideration in excess of \$25.0 million, either (x) the terms of such transaction have been approved by a majority of the members of such Board of Directors; or (y) the Company has received a written opinion from an Independent Financial Advisor stating that such Affiliate Transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or stating that the terms, taken as a whole, are not materially less favorable than those that might reasonably have been obtained by the Company or such Restricted Subsidiary in a comparable transaction at such time on an arms’-length basis from a Person that is not an Affiliate.

(b) Section 4.14(a) will not apply to:

(1) any transaction between the Company and a Restricted Subsidiary (other than a Receivables Entity) or between Restricted Subsidiaries (other than a Receivables Entity or Receivables Entities) and any Guarantees issued by the Company or a Restricted Subsidiary for the benefit of the Company or a Restricted Subsidiary, as the case may be, in accordance with Section 4.09;

(2) Restricted Payments permitted to be made pursuant to Section 4.08 or Permitted Investments (other than Permitted Investments made pursuant to clause (2), (17) or (18) of the definition thereof);

(3) any issuance of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or as the funding of, employment agreements and other compensation arrangements, options to purchase Capital Stock of the Company, restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans, severance agreements or similar employee benefits plans and/or indemnity provided on behalf of directors, officers, employees or consultants approved by the Board of Directors of the Company;

(4) the payment of reasonable and customary fees paid to and indemnity provided on behalf of, directors, officers, employees or consultants of the Company or any Restricted Subsidiary;

(5) loans or advances to employees, officers or directors of the Company or any Restricted Subsidiary in the ordinary course of business consistent with past practice, in an aggregate amount not in excess of \$5.0 million at any one time outstanding (without giving effect to the forgiveness of any such loan);

(6) any transaction pursuant to any agreement as in effect as of the Issue Date, as these agreements may be amended, modified, supplemented, extended or renewed from time to time, so long as any such amendment, modification, supplement, extension or renewal is not more disadvantageous to the Holders in any material respect in the good faith judgment of the Board of Directors of the Company, when taken as a whole, than the terms of the agreements in effect on the Issue Date;

(7) any agreement between any Person and an Affiliate of such Person existing at the time such Person is acquired by or merged into the Company or a Restricted Subsidiary; *provided* that such agreement was not entered into in contemplation of such acquisition or merger, and any amendment thereto, so long as any such amendment is not disadvantageous to the Holders in the good faith judgment of the Board of Directors of the Company, when taken as a whole, as compared to the applicable agreement as in effect on the date of such acquisition or merger;

(8) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of the business of the Company and its Restricted Subsidiaries, and otherwise in compliance with the terms of this Indenture; *provided* that in the reasonable determination of the members of the Board of Directors or Senior Management of the Company, such transactions are on terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that could have been obtained at the time of such transactions in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person;

(9) sales or other transfers or dispositions of accounts receivable and other related assets customarily transferred in an asset securitization transaction involving accounts receivable to a Receivables Entity in a Qualified Receivables Transaction, and acquisitions of Permitted Investments in connection with a Qualified Receivables Transaction;

(10) any issuance or sale of Capital Stock (other than Disqualified Stock) to Affiliates of the Company and the granting of registration and other customary rights in connection therewith;

(11) transactions with a Person that is an Affiliate of the Company in its capacity as a holder of Indebtedness or Capital Stock of the Company or any of its Subsidiaries, so long as such transaction is with all holders of such class (and there are such non-Affiliate holders) and such Affiliate is treated no more favorably than all other holders of such class generally;

(12) any transaction between the Company or any Restricted Subsidiary and any Person that would constitute an Affiliate Transaction solely because such Person is a director, or such Person has a director of which is also a director, of the Company or a Restricted Subsidiary; *provided* that such director abstains from voting as a director of the Company on any matter involving such other Person; and

(13) transactions in which the Company or any Restricted Subsidiary delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or stating that the terms, taken as a whole, are not materially less favorable than those that might reasonably have been obtained by the Company or such Restricted Subsidiary in a comparable transaction at such time on an arms'-length basis from a Person that is not an Affiliate.

Section 4.15 Offer to Repurchase Upon Change of Control Triggering Event.

(a) If a Change of Control Triggering Event occurs, unless the Company has exercised its right to redeem all of the Notes pursuant to Sections 3.03 and 3.07 (including by providing notice of optional redemption in accordance with Section 3.03), the Company will make an offer to purchase all of the Notes (the "*Change of Control Offer*") at a purchase price in cash equal to 101% of the principal amount of the Notes plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (the "*Change of Control Payment*"), subject to the right of Holders of record on a Record Date to receive any interest due on the Change of Control Payment Date. No later than 30 days following any Change of Control Triggering Event, unless the Company has exercised its right to redeem all of the Notes pursuant to Sections 3.03 and 3.07 (including by providing notice of optional redemption in accordance with Section 3.03), the Company will mail a notice of such Change of Control Offer to each Holder or otherwise deliver notice in accordance with the applicable procedures of DTC, with a copy to the Trustee, stating:

(1) that a Change of Control Offer is being made pursuant to this Section 4.15 and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for purchase by the Company at a purchase price in cash equal to 101% of the principal amount of such Notes plus accrued and unpaid interest, if any, to, but excluding, the Change of Control Payment Date (subject to the right of Holders of record on the applicable Record Date to receive interest due on the Change of Control Payment Date);

(2) the purchase date (which shall be no earlier than ten days nor later than 60 days from the date such notice is mailed or otherwise delivered in accordance with the Applicable Procedures) (the “*Change of Control Payment Date*”);

(3) if such notice is delivered prior to the occurrence of a Change of Control Triggering Event, that the Change of Control Offer is or may be conditioned upon the occurrence of such Change of Control Triggering Event and describing each such condition, and, if applicable, stating that, in the Company’s discretion, the Change of Control Payment Date may be delayed until such time as any or all such conditions shall be satisfied or waived, or that such purchase may not occur and such notice may be rescinded in the event that the Company shall determine that any or all such conditions (including the occurrence of the Change of Control Triggering Event) shall not have been satisfied or waived by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed;

(4) that Notes must be tendered in minimum principal amount of \$2,000 and integral multiples of \$1,000 in excess thereof, and any Note not properly tendered will remain outstanding and continue to accrue interest;

(5) that, unless the Company defaults in the payment of the Change of Control Payment, any Note accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on and after the Change of Control Payment Date;

(6) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed or to transfer such Notes by book-entry transfer, to the Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(7) that Holders shall be entitled to withdraw their tendered Notes and their election to require the Company to purchase such Notes; *provided* that the Paying Agent receives at the address specified in the notice, not later than the expiration time of the day of the Change of Control Offer, notice, a telegram, facsimile transmission or letter setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(8) that if a Holder is tendering less than all of its Notes, such Holder will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (the unpurchased portion of the Notes must be equal to \$2,000 or an integral multiple of \$1,000 in excess thereof); and

(9) the procedures determined by the Company, consistent with this Section 4.15 that a Holder must follow in order to have its Notes purchased.

The notice, if mailed or delivered in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. If (A) the notice is mailed or delivered in a manner herein provided and (B) any Holder fails to receive such notice or a Holder receives such notice but it is defective, such Holder’s failure to receive such notice or such defect shall not affect the validity of the proceedings for the purchase of the Notes as to all other Holders that properly received such notice without defect.

(b) On the Change of Control Payment Date, the Company will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes (in minimum principal amounts of \$2,000 and integral multiples of \$1,000 in excess thereof) properly tendered pursuant to the Change of Control Offer; *provided* that if, following purchase of a portion of a Note, the remaining principal amount of such Note outstanding immediately after such purchase would be less than \$2,000, then the portion of such Note so purchased shall be reduced so that the remaining principal amount of such Note outstanding immediately after such purchase is \$2,000;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes so tendered; and

(3) deliver or cause to be delivered to the Trustee for cancellation the Notes so purchased together with an Officers' Certificate and an Opinion of Counsel stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company is in accordance with this Section 4.15.

(c) The Paying Agent will promptly mail or wire transfer (or otherwise deliver in accordance with the Applicable Procedures) to each Holder of Notes so tendered the Change of Control Payment for such Notes, and the Company will promptly issue and, upon delivery of an authentication order from the Company, the Trustee will promptly authenticate and mail (or otherwise deliver in accordance with the Applicable Procedures or cause to be transferred by book entry) to each Holder a new Note (it being understood that, notwithstanding anything herein to the contrary, no Opinion of Counsel or Officers' Certificate will be required for the Trustee to authenticate and mail, deliver or transfer such new Note) equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a minimum principal amount of \$2,000 or integral multiples of \$1,000 in excess thereof.

(d) If the Change of Control Payment Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest to the Change of Control Payment Date will be paid on the Change of Control Payment Date to the Person in whose name a Note is registered at the close of business on such Record Date.

(e) Prior to making a Change of Control Payment, and as a condition to such payment (1) the requisite lenders or holders of Indebtedness incurred or issued under a credit facility, an indenture or other agreement, including the Senior Credit Facilities, that may be violated by such payment shall have consented to such Change of Control Payment being made and waived the event of default, if any, caused by the Change of Control Triggering Event or (2) the Company shall have repaid all outstanding Indebtedness incurred or issued under a credit facility, an indenture or other agreement, including the Senior Credit Facilities, that may be violated by a Change of Control Payment or the Company will offer to repay all such Indebtedness, make payment to the lenders or holders of such Indebtedness that accept such offer and obtain waivers of any event of default arising under the relevant credit facility, indenture or other agreement from those remaining lenders or holders of such Indebtedness to the extent necessary to effect such waivers. The Company covenants to effect such repayment or obtain such consent prior to making a Change of Control Payment, it being a Default of this Section 4.15 if the Company fails to comply with such covenant.

(f) The Company will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.15 applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer, (2) a notice of redemption for all outstanding Notes has been given, unless and until there is a default in payment of the applicable redemption price or (3) in connection with or in contemplation of any publicly announced Change of

Control, the Company or a third party has made an offer to purchase (an “*Alternate Offer*”) any and all Notes validly tendered at a cash price equal to or higher than the Change of Control Purchase Price and has purchased all Notes validly tendered and not validly withdrawn in accordance with the terms of the Alternate Offer. Notwithstanding anything to the contrary herein, a Change of Control Offer or Alternate Offer may be made in advance of a Change of Control Triggering Event and conditioned upon the occurrence of such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer or Alternate Offer is made.

(g) The Company will comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws or regulations in connection with the purchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue of the conflict.

(h) Other than as specifically provided in this Section 4.15, any purchase pursuant to this Section 4.15 shall be made pursuant to the provisions of Sections 3.05 and 3.06.

(i) The provisions of this Section 4.15 with respect to the Company’s obligation to make a Change of Control Offer may be waived or modified with the written consent of the Holders of a majority in principal amount of the Notes prior to the time at which a Change of Control has occurred.

Section 4.16 Asset Dispositions.

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, consummate any Asset Disposition *unless*:

(1) except in the case of an Asset Disposition of an Investment in a Permitted Joint Venture if and to the extent such an Asset Disposition is required by, or made pursuant to, buy/sell arrangements between the joint venture parties, the Company or such Restricted Subsidiary, as the case may be, receives consideration at least equal to the Fair Market Value (such Fair Market Value to be determined on the date of contractually agreeing to such Asset Disposition) of the shares and/or assets subject to such Asset Disposition; and

(2) except in the case of an Asset Disposition with a Fair Market Value (such Fair Market Value to be determined on the date of contractually agreeing to such Asset Disposition) equal to or less than \$50.0 million, at least 75% of the consideration from such Asset Disposition received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents.

For the purposes of clause (2) of this Section 4.16(a) and for no other purpose, the following will be deemed to be cash:

(1) any liabilities (as shown on the Company’s or such Restricted Subsidiary’s most recent balance sheet) of the Company or any Restricted Subsidiary that are assumed by the transferee of any such assets and from which the Company and all Restricted Subsidiaries have been validly released by all creditors in respect of such liabilities in writing;

(2) any securities, notes or other obligations received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash (to the extent of the cash received) within 180 days following the closing of such Asset Disposition;

(3) any Designated Noncash Consideration received by the Company or any of its Restricted Subsidiaries in such Asset Disposition having an aggregate Fair Market Value, taken together with all other Designated Noncash Consideration received pursuant to this clause (3) that is at that time outstanding, not to exceed the greater of (a) \$145.0 million and (b) 52.5% of Consolidated EBITDA for the period of the most recent four consecutive fiscal quarters ending prior to the date of such determination for which internal financial statements prepared on a consolidated basis are available at the time of the receipt of such Designated Noncash Consideration (with the Fair Market Value of each item of Designated Noncash Consideration being measured at the time received without giving effect to subsequent changes in value);

(4) any cash consideration paid to the Company or a Restricted Subsidiary in connection with the Asset Disposition that is held in escrow or on deposit to support indemnification, adjustment of purchase price or similar obligations in respect of such Asset Disposition;

(5) Additional Assets; and

(6) any combination of the consideration specified in clauses (1) through (5) above.

(b) Within 365 days from the later of the date of such Asset Disposition or the receipt of such Net Available Cash (or 450 days in the case of an Asset Disposition of non-U.S. assets), an amount equal to 100% of the Net Available Cash from such Asset Disposition may be applied by the Company or such Restricted Subsidiary, as the case may be, as follows:

(A) to permanently reduce (and, in the case of a revolving Debt Facility, permanently reduce commitments with respect thereto):

(i) Secured Indebtedness under the Senior Credit Facilities, (ii) Secured Indebtedness of the Company (other than any Disqualified Stock or Subordinated Obligations) or Secured Indebtedness of a Guarantor (other than any Disqualified Stock or Guarantor Subordinated Obligations), or (iii) Indebtedness of a Non-Guarantor Subsidiary (other than any Disqualified Stock), in each case other than Indebtedness owed to the Company or any Restricted Subsidiary of the Company;

(B) to permanently reduce obligations under other Indebtedness of the Company (other than any Disqualified Stock or Subordinated Obligations) or Indebtedness of a Guarantor (other than any Disqualified Stock or Guarantor Subordinated Obligations), in each case other than Indebtedness owed to the Company or an Affiliate of the Company; *provided* that the Company shall equally and ratably reduce Obligations under the Notes, as provided under Section 3.07, through open market purchases at or above 100% of the principal amount thereof or by making an offer (in accordance with the procedures set forth in this Section 4.16 for an Asset Disposition Offer) to all Holders to purchase their Notes at 100% of the principal amount thereof, in each case plus the amount of accrued but unpaid interest on the Notes that are purchased or redeemed;

(C) to invest in Additional Assets; or

(D) any combination of the foregoing;

provided that pending the final application of any such Net Available Cash in accordance with clause (A), (B), (C) or (D) of this Section 4.16(b), the Company and its Restricted Subsidiaries may temporarily reduce Indebtedness (including under a revolving Debt Facility) or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture; provided, further, that in the case of clause (C) of this Section 4.16(b), a binding commitment to invest in Additional Assets shall be treated as a permitted application of the Net Available Cash from the date of such commitment so long as the Company or a Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Available Cash will be applied to satisfy such commitment within 180 days of such commitment (an "Acceptable Commitment") and such Net Available Cash is actually applied in such manner within the later of 365 days from the consummation of the Asset Disposition (or 450 days in the case of an Asset Disposition of non-U.S. assets) and 180 days from the date of the Acceptable Commitment, and in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Available Cash is applied in connection therewith, the Company or such Restricted Subsidiary enters into another Acceptable Commitment (a "Second Commitment") within 180 days of such cancellation or termination and such Net Available Cash is actually applied in such manner within 180 days from the date of the Second Commitment, it being understood that if a Second Commitment is later cancelled or terminated for any reason before such Net Available Cash is applied, then such Net Available Cash shall constitute Excess Proceeds.

(c) Any Net Available Cash from Asset Dispositions that is not applied or invested as provided in Section 4.16(b) shall be deemed to constitute "Excess Proceeds." On or before the 370th day after an Asset Disposition (or the 455th day after an Asset Disposition of non-U.S. assets), if the aggregate amount of Excess Proceeds exceeds \$50.0 million, the Company will be required to make an offer (an "Asset Disposition Offer") to all Holders and, to the extent required by the terms of any outstanding Pari Passu Indebtedness, to all holders of such Pari Passu Indebtedness, to purchase the maximum aggregate principal amount or accreted value, as applicable, of Notes and any such Pari Passu Indebtedness that may be purchased out of the Excess Proceeds on a *pro rata* basis based on the aggregate principal amount or accreted value, as applicable, of Notes and Pari Passu Indebtedness validly tendered and not properly withdrawn, at an offer price in cash in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (subject to the right of Holders of record on a Record Date to receive interest due on the Asset Disposition Purchase Date), in accordance with the procedures set forth in Section 3.09 or the agreements governing the Pari Passu Indebtedness, as applicable, in the case of the Notes in integral multiples of \$1,000; provided that if, following repurchase of a portion of a Note, the remaining principal amount of such Note outstanding immediately after such repurchase would be less than \$2,000, then the portion of such Note so repurchased shall be reduced so that the remaining principal amount of such Note outstanding immediately after such repurchase is \$2,000. The Company shall commence an Asset Disposition Offer with respect to Excess Proceeds by mailing (or otherwise communicating in accordance with the Applicable Procedures) the notice required by Section 3.09, with a copy to the Trustee.

To the extent that the aggregate amount of Notes and Pari Passu Indebtedness validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for general corporate purposes, subject to other covenants contained in this Indenture. If the aggregate principal amount of Notes and Pari Passu Indebtedness validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer exceeds the amount of Excess Proceeds, subject to the Applicable Procedures, the Company shall select the Notes to be purchased on a *pro rata* basis on the basis of the principal amount of tendered Notes required to be purchased pursuant to the immediately preceding paragraph, and Pari Passu Indebtedness to be purchased pursuant to the terms of such Pari Passu Indebtedness. Upon completion of such Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

Following its commencement, the Asset Disposition Offer will remain open for a period not less than that required by applicable law (the “*Asset Disposition Offer Period*”). No later than five Business Days after the termination of the Asset Disposition Offer Period (the “*Asset Disposition Purchase Date*”), the Company will apply all Excess Proceeds to the purchase of the aggregate principal amount of Notes and, if applicable, Pari Passu Indebtedness (on a *pro rata* basis, if applicable) required to be offered for purchase pursuant to this Section 4.16 (the “*Asset Disposition Offer Amount*”) and the governing documentation relating to Pari Passu Indebtedness or, if less than the Asset Disposition Offer Amount has been so validly tendered, all Notes and Pari Passu Indebtedness validly tendered in response to the Asset Disposition Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

Section 4.17 Effectiveness of Covenants.

(a) Following the first day (such date, a “*Suspension Date*”):

- (1) the Notes have an Investment Grade Rating from two Rating Agencies; and
- (2) no Default has occurred and is continuing under this Indenture,

the Company and its Restricted Subsidiaries will not be subject to the provisions of Sections 4.08, 4.09, 4.11 (but only with respect to a Person that is required to become a Guarantor after the applicable Suspension Date), 4.12, 4.13, 4.14, 4.16 and 5.01(a)(4) (collectively, the “*Suspended Covenants*”).

(b) If at any time after a Suspension Date the Notes’ credit rating is downgraded from an Investment Grade Rating by two Rating Agencies or if an Event of Default occurs and is continuing, then the Suspended Covenants will thereafter be reinstated as if such covenants had never been suspended (the “*Reinstatement Date*”) and be applicable pursuant to the terms of this Indenture (including in connection with performing any calculation or assessment to determine compliance with the terms of this Indenture), unless and until the Notes subsequently attain an Investment Grade Rating from two Rating Agencies and no Event of Default is in existence (in which event the Suspended Covenants shall no longer be in effect for such time that the Notes maintain an Investment Grade Rating from two Rating Agencies and no Event of Default is in existence); *provided, however*, that no Default, Event of Default or breach of any kind shall be deemed to exist under this Indenture, the Notes or the Note Guarantees with respect to the Suspended Covenants based on, and none of the Company or any of its Subsidiaries shall bear any liability for, any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising during a Suspension Period, in each case regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period. The period of time between the Suspension Date and the Reinstatement Date is referred to as the “*Suspension Period*.”

(c) On the Reinstatement Date, all Indebtedness Incurred during the Suspension Period will be classified to have been Incurred pursuant to Section 4.09(a) or one of the clauses set forth in Section 4.09(b) (in each case to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reinstatement Date and after giving effect to Indebtedness Incurred prior to the Suspension Period and outstanding on the Reinstatement Date). To the extent such Indebtedness would not be so permitted to be Incurred pursuant to Section 4.09(a) or (b), such Indebtedness will be deemed to have been outstanding on the Issue Date, so that it is classified under clause (3) of Section 4.09(b). Calculations made after the Reinstatement Date of the amount available to be made as Restricted Payments under Section 4.08 will be made as though Section 4.08 had been in effect since the Issue Date and throughout the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period will reduce the amount available to be made as Restricted Payments under Section 4.08(a) on and after the Reinstatement Date.

(d) During any period when the Suspended Covenants are suspended, the Board of Directors of the Company may not designate any of the Company's Subsidiaries as Unrestricted Subsidiaries pursuant to this Indenture unless the Company's Board of Directors would have been able, under the terms of this Indenture, to designate such Subsidiaries as Unrestricted Subsidiaries if the Suspended Covenants were not suspended. Notwithstanding that the Suspended Covenants may be reinstated, no Default or Event of Default will be deemed to have occurred as a result of a failure to comply with the Suspended Covenants during the Suspension Period. In addition, the Company and its Restricted Subsidiaries will be permitted to honor any contractual commitments made during a Suspension Period following a Reinstatement Date.

(e) Promptly following the occurrence of any Suspension Date or Reinstatement Date, the Company shall provide an Officers' Certificate to the Trustee regarding such occurrence. The Trustee shall have no obligation to monitor the rating of the Notes, independently determine or verify if a Suspension Date or Reinstatement Date has occurred or notify the Holders of any Suspension Date or Reinstatement Date. The Trustee may provide a copy of such Officers' Certificate to any Holder of Notes upon request.

ARTICLE 5

SUCCESSORS

Section 5.01 Merger, Consolidation or Sale of All or Substantially All Assets.

(a) The Company will not consolidate with or merge with or into or wind up into (whether or not the Company is the surviving corporation), or sell, assign, convey, transfer, lease or otherwise dispose of all or substantially all of the assets of the Company and its Restricted Subsidiaries, taken as a whole, in one or more related transactions, to any Person *unless*:

(1) the resulting, surviving or transferee Person (the "*Successor Company*") is a corporation or limited liability company organized and existing under the laws of the United States of America, any state or territory thereof or the District of Columbia, and if such entity is not a corporation, a co-obligor of the Notes is a corporation organized or existing under such laws;

(2) the Successor Company (if other than the Company) expressly assumes all of the obligations of the Company under the Notes and this Indenture pursuant to a supplemental indenture;

(3) immediately after giving *pro forma* effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(4) immediately after giving *pro forma* effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of the applicable four-quarter period,

(A) the Successor Company would be able to Incur at least \$1.00 of additional Indebtedness pursuant to Section 4.09(a); or

(B) the Consolidated Coverage Ratio of the Successor Company and its Restricted Subsidiaries would be greater than such ratio for the Company and its Restricted Subsidiaries immediately prior to such transaction;

(5) unless the Company is the Successor Company, each Guarantor (unless it is the other party to the transactions described above, in which case clause (1) of Section 5.01(b) shall apply) shall have by supplemental indenture confirmed that its Note Guarantee shall apply to such Successor Company's obligations under this Indenture and the Notes; and

(6) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, winding up or disposition, and such supplemental indenture, if any, comply with this Indenture.

(b) Subject to certain limitations, the Successor Company will succeed to, and be substituted for, the Company under this Indenture, the Notes and the Note Guarantees. Notwithstanding clauses (4) or (6) of Section 5.01(a):

(1) any Restricted Subsidiary may consolidate with, merge with or into or transfer all or part of its properties and assets to, the Company or any other Restricted Subsidiary;

(2) the Company may merge with an Affiliate of the Company solely for the purpose of reincorporating or forming the Company in another state or territory of the United States of America or the District of Columbia, so long as the amount of Indebtedness of the Company and its Restricted Subsidiaries is not increased thereby; and

(3) any Non-Guarantor Subsidiary may consolidate with or merge into or transfer all or part of its properties and assets to, the Company or a Guarantor or to any other Non-Guarantor Subsidiary.

(c) The Company will not permit any Guarantor to consolidate with or merge with or into or wind up into (whether or not such Guarantor is the surviving corporation), or sell, assign, convey, transfer, lease or otherwise dispose of all or substantially all of its properties and assets, in one or more related transactions, to any Person (other than to the Company or another Guarantor) *unless*:

(1) (A) if such entity remains a Guarantor, the resulting, surviving or transferee Person (the "*Successor Guarantor*") is a Person (other than an individual) organized and existing under the laws of the United States of America, any state or territory thereof or the District of Columbia;

(B) the Successor Guarantor, if other than such Guarantor, expressly assumes all the obligations of such Guarantor under this Indenture, the Notes and its Note Guarantee pursuant to a supplemental indenture or other documents or instruments;

(C) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing; and

(D) the Company will have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, winding up or disposition and such supplemental indenture (if any) comply with this Indenture; or

(2) in the event the transaction results in the release of the Subsidiary's Note Guarantee under clause (1) of Section 10.06(a), the transaction is made in compliance with Section 4.16 (it being understood that only such portion of the Net Available Cash as is required to be applied on the date of such transaction in accordance with the terms of this Indenture needs to be applied in accordance therewith at such time).

(d) Subject to Sections 5.01(f) and 5.02, the Successor Guarantor will succeed to, and be substituted for, such Guarantor under this Indenture and the Note Guarantee of such Guarantor. Notwithstanding Section 5.01(c), any Guarantor may (1) merge with or into or transfer all or part of its properties and assets to a Guarantor or the Company or merge with a Restricted Subsidiary of the Company, so long as the resulting entity is the Company or remains or becomes a Guarantor and (2) merge with an Affiliate of the Company solely for the purpose of reincorporating or forming the Guarantor in another state or territory of the United States of America or the District of Columbia, so long as Indebtedness is not Incurred in connection with such merger (unless otherwise permitted under this Indenture).

(e) For purposes of this Section 5.01, the sale, assignment, conveyance, transfer, lease or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company or a Guarantor, as the case may be, which properties and assets, if held by the Company or such Guarantor instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company or such Guarantor on a consolidated basis, will be deemed to be the disposition of all or substantially all of the properties and assets of the Company or such Guarantor, as applicable.

(f) The Company and a Guarantor, as the case may be, will be released from its obligations under this Indenture and the Notes and its Note Guarantee, as the case may be, and the Successor Company and the Successor Guarantor, as the case may be, will succeed to, and be substituted for, and may exercise every right and power of, the Company or a Guarantor, as the case may be, under this Indenture, the Notes and such Note Guarantee; *provided* that, in the case of a lease of all or substantially all its assets, the Company will not be released from the obligation to pay the principal of and interest on the Notes, and a Guarantor will not be released from its obligations under its Note Guarantee, solely by virtue of such transaction.

Section 5.02 Officers' Certificate and Opinion of Counsel to be Given to Trustee.

Upon the occurrence of the transactions permitted under the provisions of Sections 5.01(a) or 5.01(c) (other than (i) a merger of Guarantors, (ii) a merger of the Guarantor and the Company in which the Company is the surviving entity, or (iii) as otherwise set forth in Section 5.01(b)), the Company shall deliver to the Trustee an Officers' Certificate and an Opinion of Counsel in each case stating that such transaction and agreement, if any, complies with this Article 5, that all conditions precedent provided for herein relating to such transaction have been complied with, and that such agreement or supplemental indenture, if any, is the legal, valid and binding obligation of the Company or such other Person, as the case may be, enforceable against them in accordance with its terms, subject to customary exceptions, on which the Trustee may rely as conclusive evidence that any consolidation, merger, sale, conveyance, transfer or lease, and any assumption, permitted or required by the terms of this Article 5 complies with the provisions of this Article 5 and this Indenture.

ARTICLE 6

(4) failure by the Company or any Guarantor to comply for 45 days after notice as provided below with any of their obligations under Section 4.15 and 4.16 (in each case, other than a failure to purchase Notes which constitutes an Event of Default under Section 6.01(a)(2));

(A) is caused by a failure to pay principal of, or interest or premium, if any, on such Indebtedness prior to the expiration of the grace period provided in such Indebtedness; or

(B) results in the acceleration of such Indebtedness prior to its maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates \$50.0 million or more;

(7) failure by the Company or any Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary to pay final judgments aggregating in excess of \$50.0 million, other than any judgments covered by indemnities provided by, or insurance policies issued by, reputable and creditworthy companies, which final judgments are not paid, discharged, vacated, bonded or stayed for a period of more than 60 days after such judgments become final;

(8) (i) the Company or a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary, pursuant to or within the meaning of any Bankruptcy Law:

(ii) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary, in a proceeding in which the Company, any such Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary, is to be adjudicated bankrupt or insolvent;

(B) appoints a receiver, interim receiver, receiver and manager, liquidator, assignee, trustee, sequestrator or other similar official of the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary, or for all or substantially all of the property of the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary; or

(C) orders the liquidation, dissolution or winding up of the Company, or any Restricted Subsidiary that is a Significant Subsidiary or any group of Subsidiaries that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 consecutive days; or

(9) any Note Guarantee of a Significant Subsidiary or any group of Guarantors that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary ceases to be in full force and effect (except as contemplated by the terms of this Indenture) or is declared null and void in a judicial proceeding or any Guarantor that is a Significant Subsidiary or any group of Guarantors that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary denies or disaffirms its obligations under this Indenture or its Note Guarantee.

However, a Default under clauses (4) and (5) of this Section 6.01(a) will not constitute an Event of Default until the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes notify the Company (with a copy to the Trustee) of the Default and the Company does not cure such Default within the time specified in clauses (4) and (5) of this Section 6.01(a) after receipt of such notice.

Section 6.02 Acceleration.

(a) If an Event of Default (other than an Event of Default described in clause (8) of Section 6.01(a)) occurs and is continuing, the Trustee by written notice to the Company, specifying the Event of Default, or the Holders of at least 25% in principal amount of the then outstanding Notes by notice to the Company and the Trustee, may declare the principal, premium, if any, and accrued and unpaid interest, if any, on all the Notes to be due and payable. Upon such a declaration, such principal, premium, if any, and accrued and unpaid interest, if any, will be due and payable immediately.

(b) Notwithstanding the foregoing, in case an Event of Default under clause (8) of Section 6.01(a) occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest, if any, on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

(c) The Holders of a majority in principal amount of the outstanding Notes may waive all past Defaults (except with respect to nonpayment of principal, premium or interest) and rescind any such acceleration with respect to the Notes and its consequences if (1) such rescission would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived. Promptly following any such rescission, the Company shall pay to the Trustee all amounts owing to the Trustee under Section 7.07 related to such Event of Default and acceleration, including all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses and disbursements and advances of the Trustee, its agents and counsel.

(d) In the event of a declaration of acceleration of the Notes because an Event of Default described in clause (6) of Section 6.01(a) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if:

(1) the default triggering such Event of Default pursuant to clause (6) of Section 6.01(a) shall be remedied or cured by the Company or a Restricted Subsidiary or waived by the holders of the relevant Indebtedness within 20 days after the declaration of acceleration with respect thereto; and

(2) (A) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (B) all existing Events of Default, except nonpayment of principal, premium, if any, or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

Section 6.03 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes, the Note Guarantees or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults.

The Holders of a majority in principal amount of the outstanding Notes by written notice to the Trustee may on behalf of all Holders waive any existing Default and its consequences hereunder, except:

(1) a continuing Default in the payment of the principal, premium, if any, or interest on any Note held by a non-consenting Holder (including in connection with an Asset Disposition Offer or a Change of Control Offer); and

(2) a Default with respect to a provision that under Section 9.02 cannot be amended or waived without the consent of each Holder affected,

provided that, subject to Section 6.02, the Holders of a majority in principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment Default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 Control by Majority.

The Holders of a majority in principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law, this Indenture, the Notes or any Note Guarantee, or that the Trustee determines in good faith is unduly prejudicial to the rights of any other Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to any Holder) or that would involve the Trustee in personal liability. The Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

Section 6.06 Limitation on Suits.

Subject to Section 6.07, no Holder may pursue any remedy with respect to this Indenture (including the Note Guarantees) or the Notes *unless*:

(1) such Holder has previously given the Trustee notice that an Event of Default is continuing;

(2) the Holders of at least 25% in principal amount of the then outstanding Notes have requested the Trustee to pursue the remedy;

(3) such Holders have offered and, if requested, provided the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity satisfactory to the Trustee against any loss, liability or expense; and

(5) the Holders of a majority in principal amount of the then outstanding Notes have not given the Trustee a direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the contractual right of any Holder expressly set forth in this Indenture to receive payment of principal, premium, if any, and interest on its Note, on or after the respective due dates expressed or provided for in such Note (including in connection with an Asset Disposition Offer or a Change of Control Offer), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be amended without the consent of such Holder.

Section 6.08 Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(a)(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company, the Guarantors and any other obligor on the Notes for the whole amount of principal, premium, if any, and interest remaining unpaid on the Notes, together with interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

Section 6.09 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Company, the Guarantors, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

Section 6.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy is, to the extent permitted by law, cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.12 Trustee May File Proofs of Claim.

The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable

compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes, including the Guarantors), its creditors or its property and is entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims. Any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel, and any other amounts due the Trustee under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.13 Priorities.

After an Event of Default, any money or property distributable in respect of the Company's or any Guarantor's obligations under this Indenture, or any money or property collected by the Trustee pursuant to this Article 6, shall be paid out or distributed in the following order:

- (1) to the Trustee and any predecessor Trustee and its agents and attorneys for amounts due under Section 7.07, including payment of all reasonable compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;
- (2) to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and
- (3) to the Company or to such party as a court of competent jurisdiction shall direct, including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13. Promptly after any record date is set pursuant to this Section 6.13, the Trustee shall cause notice of such record date and payment date to be given to the Company and to each Holder in the manner set forth in Section 12.02.

Section 6.14 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in such suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by Holders of more than 10% in aggregate principal amount of the outstanding Notes.

Section 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), (c), (d) and (e) of this Section 7.01.

(e) The Trustee will be under no obligation to exercise any of the rights or powers under this Indenture, the Notes and the Note Guarantees at the request or direction of any of the Holders unless such Holders have offered and, if requested, provided to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense that might be incurred by it in compliance with such request or direction.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity reasonably satisfactory to it against such risk or liability is not assured to it.

Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely upon, and shall be fully protected in acting or refraining from acting, in reliance on any document (whether in its original, facsimile or other electronic form) believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document and shall have no duty to inquire as to the performance by the Company of any of its covenants in this Indenture, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine in good faith to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, or in order to establish any matter, it may require an Officers' Certificate or an Opinion of Counsel or both subject to the other provisions of this Indenture. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company or a Guarantor shall be sufficient if signed by an Officer of the Company or such Guarantor.

(f) The Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice from the Company or the Holders of at least 25% of the aggregate principal amount of the Notes of any event which is in fact such a Default or Event of Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the existence of a Default or Event of Default, the Notes and this Indenture.

(h) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(i) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(j) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

(k) In no event shall the Trustee be responsible or liable for any special, indirect, incidental, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit), irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 7.03 Individual Rights of Trustee.

The Trustee or any Agent in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee or such Agent. However, in the event that the Trustee acquires any conflicting interest, it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11.

Except in the case of an Event of Default specified in clauses (1) or (2) of Section 6.01(a), the Trustee may withhold from the Holders notice of any continuing Default if the Trustee determines in good faith that withholding the notice is in the interests of the Holders.

Section 7.06 [Reserved].

Section 7.07 Compensation and Indemnity.

(a) The Company and the Guarantors, jointly and severally, shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company and the Guarantors, jointly and severally, shall indemnify the Trustee for, and hold each of the Trustee and any predecessor Trustee, and their directors, officers, agents and employees harmless against, any and all loss, damage, claims, liability or expense (including attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the costs and expenses of enforcing this Indenture, the Notes and the Note Guarantees against the Company or any Guarantor (including this Section 7.07)) or defending itself against any claim whether asserted by any Holder, the Company, any Guarantor or any other Person, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder). The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee may have separate counsel and the Company shall pay the fees and expenses of such counsel. The Company need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or negligence as finally adjudicated by a court of competent jurisdiction.

(c) The obligations of the Company and the Guarantors under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

(d) To secure the payment obligations of the Company and the Guarantors in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(8) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

(f) "Trustee" for the purposes of this Section 7.07 shall include any predecessor Trustee and the Trustee in each of its capacities hereunder and each Agent, custodian and other person employed to act hereunder; *provided, however*, that the negligence, willful misconduct or bad faith of any Trustee hereunder shall not affect the rights of any other Trustee hereunder.

Section 7.08 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective, and the Trustee shall be discharged from the trust hereby created, only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time by giving 30 days' notice of such resignation to the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee upon 30 days' notice by so notifying the Trustee and the Company in writing. The Company may remove the Trustee upon 30 days' notice if:

(1) the Trustee fails to comply with Section 7.10;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a receiver or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(b) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the successor Trustee to replace it with another successor Trustee appointed by the Company.

(c) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Company's expense), the Company or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall deliver a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* that all sums owing to the Trustee hereunder have been paid and such transfer shall be subject to the Lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

(f) As used in this Section 7.08, the term "Trustee" shall also include each Agent.

Section 7.09 Successor Trustee by Merger, etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or national banking association, the successor corporation or national banking association without any further act shall be the successor Trustee, subject to Section 7.10.

Section 7.10 Eligibility; Disqualification.

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Company may, at its option and at any time, elect to have either Section 8.02 or Section 8.03 applied to all outstanding Notes and Note Guarantees upon compliance with the conditions set forth below in this Article 8.

Section 8.02 Legal Defeasance and Discharge.

(a) Upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.02, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from their obligations with respect to this Indenture, all outstanding Notes and Note Guarantees on the date the conditions set forth below are satisfied ("*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in (1) through (4) below, and to have satisfied all of its other obligations under such Notes and this Indenture, including that of the Guarantors (and the Trustee, on demand of and at the expense of the Company, shall execute such instruments reasonably requested by the Company acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders to receive payments in respect of the principal, premium, if any, and interest on the Notes when such payments are due, solely out of the trust created pursuant to this Indenture referred to in Section 8.04;
- (2) the Company's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for Note payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's obligations in connection therewith; and
- (4) this Section 8.02.

(b) Following the Company's exercise of its Legal Defeasance option, payment of the Notes may not be accelerated because of an Event of Default.

(c) Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

Section 8.03 Covenant Defeasance.

Upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.03, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04, be released from their obligations under the covenants contained in Sections 3.09, 4.03,

4.05, 4.06, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14, 4.15, 4.16 and 4.17 and clause (4) of Section 5.01(a) with respect to the outstanding Notes, and the Guarantors shall be deemed to have been discharged from their obligations with respect to all Note Guarantees, on and after the date the conditions set forth in Section 8.04 are satisfied (“*Covenant Defeasance*”), and the Notes shall thereafter be deemed not “outstanding” for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed “outstanding” for all other purposes hereunder. For this purpose, *Covenant Defeasance* means that, with respect to this Indenture and the outstanding Notes, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Company’s exercise under Section 8.01 of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, an Event of Default specified in Section 6.01(a)(3) that resulted solely from the failure of the Company to comply with clause (4) of Section 5.01(a), Sections 6.01(a)(4) (only with respect to covenants that are released as a result of such *Covenant Defeasance*), 6.01(a)(5) (only with respect to covenants that are released as a result of such *Covenant Defeasance*), 6.01(a)(6), 6.01(a)(7), 6.01(a)(8) (solely with respect to Significant Subsidiaries or any group of Restricted Subsidiaries that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary), and 6.01(a)(9), in each case, shall not constitute an Event of Default.

Section 8.04 Conditions to Legal or Covenant Defeasance.

(a) The following shall be the conditions to the exercise of either the Legal Defeasance option under Section 8.02 or the Covenant Defeasance option under Section 8.03 with respect to the Notes:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination thereof, in amounts as will be sufficient, as confirmed, certified or attested by an Independent Financial Advisor in writing to the Trustee, without consideration of any reinvestment of interest, to pay the principal, premium, if any, and interest due on the outstanding Notes on the Stated Maturity or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to Stated Maturity or to a particular redemption date;

(2) in the case of Legal Defeasance, the Company has delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions,

(A) the Company has received from, or there has been published by, the U.S. Internal Revenue Service a ruling, or

(B) since the Issue Date, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel will confirm that the Holders and beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Company has delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the Holders and beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit or will occur as a result of such deposit (other than a Default or an Event of Default resulting from the borrowing of funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) and the deposit will not result in a breach or violation of, or constitute a default under, the Senior Credit Facilities or any other material agreement or material instrument (other than this Indenture) to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(5) the Company has delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company, any Guarantor or others;

(6) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions), each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with; and

(7) the Company has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at Stated Maturity or the redemption date, as the case may be (which instructions may be contained in the Officers' Certificate referred to in clause (6) above).

Section 8.05 Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions.

(a) Subject to Section 8.06, all money and Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 8.04 in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of all sums due and to become due thereon in respect of principal, premium, if any, and interest on the Notes, but such money need not be segregated from other funds except to the extent required by law.

(b) The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders.

(c) Anything in this Article 8 to the contrary notwithstanding, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or Government Securities held by it as provided in Section 8.04 which, in the opinion of an Independent Financial Advisor expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to the Company.

Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in The New York Times or The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining shall be repaid to the Company.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or Government Securities in accordance with Section 8.02 or Section 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture, the Notes and the Note Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or Section 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or Section 8.03, as the case may be; *provided* that, if the Company makes any payment of principal, premium, if any, or interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders.

(a) Notwithstanding Section 9.02, without the consent of any Holder, the Company, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes and the Note Guarantees to:

- (1) cure any ambiguity, omission, defect or inconsistency;
- (2) provide for the assumption by a successor entity of the obligations of the Company or any Guarantor under this Indenture, the Notes or the Note Guarantees in accordance with Article 5;
- (3) provide for or facilitate the issuance of certificated Notes in addition to or in place of uncertificated Notes; *provided* that the certificated Notes are issued in registered form for purposes of Section 163(f) of the Code;
- (4) comply with the rules of any applicable Depositary;

(5) add Guarantors with respect to the Notes or release a Guarantor from its obligations under its Note Guarantee or this Indenture, in each case, in accordance with the applicable provisions of this Indenture;

(6) secure the Notes and the Note Guarantees;

(7) add covenants of the Company and its Restricted Subsidiaries or Events of Default for the benefit of Holders or to make changes that would provide additional rights to the Holders or to surrender any right or power conferred upon the Company or any Guarantor;

(8) make any change that does not adversely affect the legal rights under this Indenture, the Notes or the Note Guarantees of any Holder;

(9) evidence and provide for the acceptance of an appointment under this Indenture of a successor Trustee; *provided* that the successor Trustee is otherwise qualified and eligible to act as such under the terms of this Indenture;

(10) conform the text of this Indenture, the Notes or the Note Guarantees to any provision of the "Description of notes" section of the Offering Memorandum to the extent that such provision in such "Description of notes" section was intended to be a verbatim recitation of a provision of this Indenture, the Notes or the Note Guarantees; or

(11) make any amendment to the provisions of this Indenture relating to the transfer, exchange and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes or, if Incurred in compliance with this Indenture, Additional Notes; *provided, however*, that (A) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (B) such amendment does not materially and adversely affect the rights of Holders to transfer Notes.

(b) A supplemental indenture pursuant to Section 9.01(a)(5) substantially in the form of Exhibit C shall be required to be signed only by the Trustee and the Guarantor providing such Note Guarantee. Upon the request of the Company, and upon receipt by the Trustee of the documents described in Section 9.06 and Section 12.04, the Trustee shall join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 With Consent of Holders.

(a) Except as provided in Section 9.01 and this Section 9.02, the Company, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes and the Note Guarantees with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and, subject to Section 6.04 and Section 6.07, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Section 2.08 and Section 2.09 shall determine which Notes are considered to be "outstanding" for the purposes of this Section 9.02.

(b) Upon the request of the Company, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.06 and Section 12.04, the Trustee shall join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

(c) It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver. It shall be sufficient if such consent approves the substance thereof.

(d) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will give to the Holders a notice briefly describing such amendment, supplement or waiver. However, any failure of the Company to give such notice to all the Holders, or any defect in the notice, will not impair or affect the validity of any such amendment, supplement or waiver.

(e) Without the consent of each affected Holder, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the stated rate of interest or extend the stated time for payment of interest on any Note;

(3) reduce the principal of or extend the Stated Maturity of any Note;

(4) waive a Default or Event of Default in the payment of principal of, premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes with respect to a nonpayment default and a waiver of the payment default that resulted from such acceleration);

(5) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed as described in Section 3.07 (excluding, for greater certainty, any notice periods with respect to Notes that are otherwise redeemable);

(6) reduce the premium payable upon the repurchase of any Note or change the time at which any Note may be repurchased as described in Section 4.15 (subject to Section 4.15(g) and (i)) or Section 4.16 (subject to Section 3.09(g));

(7) make any Note payable in a currency other than that stated in the Note;

(8) amend Section 6.07 hereof;

(9) make any change in the amendment or waiver provisions which require each Holder's consent; or

(10) modify the Note Guarantees in any manner adverse to the Holders.

(f) A consent to any amendment, supplement or waiver of this Indenture, the Notes or the Note Guarantee by any Holder given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

Section 9.03 [Reserved].

Section 9.04 Revocation and Effect of Consents.

(a) Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

(b) The Company may, but shall not be obligated to, fix a record date pursuant to Section 1.05 for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver.

Section 9.05 Notation on or Exchange of Notes.

(a) The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company may, in exchange for all Notes, issue new Notes that reflect the amendment, supplement or waiver and the Trustee shall, upon receipt of an Authentication Order, authenticate such new Notes.

(b) Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee to Sign Amendments, etc.

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. In executing any amendment, supplement or waiver, the Trustee shall be entitled to receive and (subject to Section 7.01) shall be fully protected in relying upon, in addition to the documents required by Section 12.04, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Company and any Guarantor party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof.

ARTICLE 10

GUARANTEES

Section 10.01 Guarantee.

(a) Subject to this Article 10, each of the Guarantors hereby, jointly and severally, irrevocably and unconditionally guarantees, on a senior unsecured basis, to each Holder and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that: (1) the principal, premium, if any,

and interest (including post-petition interest in any proceeding under any Bankruptcy Law) on the Notes shall be promptly paid in full when due, whether at Stated Maturity, by acceleration, redemption or otherwise, and interest on the overdue principal and interest on the Notes, if any, if lawful, and all other Obligations of the Company to the Holders or the Trustee hereunder or under the Notes shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise (collectively, the “*Guaranteed Obligations*”). Failing payment by the Company when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Note Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture, or pursuant to Section 10.06.

(c) Each of the Guarantors also agrees, jointly and severally, to pay any and all costs and expenses (including reasonable attorneys’ fees and expenses) Incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

(d) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to the Company or the Guarantors, any amount paid either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(e) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantees.

(f) Each Note Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation or reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company’s assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or the Note Guarantees, whether as a

“voidable preference,” “fraudulent transfer” or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(g) In case any provision of any Note Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(h) Each payment to be made by a Guarantor in respect of its Note Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

Section 10.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent conveyance or a fraudulent transfer for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Note Guarantee will be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Guarantors at the time of such payment, determined in accordance with GAAP.

Section 10.03 Execution and Delivery.

(a) To evidence its Note Guarantee set forth in Section 10.01, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer or person holding an equivalent title.

(b) Each Guarantor hereby agrees that its Note Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Note Guarantee on the Notes.

(c) If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Note Guarantees shall be valid nevertheless.

(d) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

(e) If required by Section 4.11, the Company shall cause any newly created or acquired Domestic Subsidiary (other than an Excluded Subsidiary) to comply with the provisions of Section 4.11 and this Article 10, to the extent applicable.

Section 10.04 Subrogation.

Each Guarantor shall be subrogated to all rights of Holders against the Company in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01; *provided* that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Company under this Indenture or the Notes shall have been paid in full.

Section 10.05 Benefits Acknowledged.

Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Note Guarantee are knowingly made in contemplation of such benefits.

Section 10.06 Release of Note Guarantees.

(a) A Note Guarantee by a Guarantor shall be automatically and unconditionally released and discharged and be of no further force and effect, and no further action by such Guarantor, the Company or the Trustee shall be required for the release of such Guarantor's Note Guarantee, upon:

(1) any sale, assignment, transfer, conveyance, exchange or other disposition (by merger, consolidation or otherwise) of the Capital Stock of such Guarantor after which the applicable Guarantor is no longer a Restricted Subsidiary, which sale, assignment, transfer, conveyance, exchange or other disposition is made in compliance with the provisions of this Indenture;

(2) the release or discharge of such Guarantor from its liability as borrower under, or Guarantee of Indebtedness of the Company under, all of the Senior Credit Facilities (including by reason of the termination of the Senior Credit Facilities) and its Guarantee of all other Material Indebtedness of the Company and the Guarantors, including the Guarantee that resulted in the obligation of such Guarantor to Guarantee the Notes, if such Guarantor would not then otherwise be required to Guarantee the Notes pursuant to this Indenture, except a release or discharge by or as a result of payment under such Note Guarantee (it being understood that a release subject to a contingent reinstatement is still a release, and that if any such Guarantee of Indebtedness of the Company under the Senior Credit Facilities or any other Material Indebtedness is reinstated, such Note Guarantee shall also be reinstated to the extent that such Guarantor would then be required to provide a Note Guarantee pursuant to Section 4.11); *provided* that if such Guarantor has Incurred any Indebtedness in reliance on its status as a Guarantor under Section 4.09, such Guarantor's obligations under such Indebtedness so Incurred are satisfied in full and discharged or are otherwise permitted to be Incurred by a Restricted Subsidiary (other than a Guarantor) under Section 4.09;

(3) the proper designation of any Guarantor as an Unrestricted Subsidiary; or

(4) the Company's exercise of its Legal Defeasance option or Covenant Defeasance option in accordance with Article 8 or the discharge of the Company's obligations under this Indenture in accordance with the terms of this Indenture.

(b) At the request of the Company, and upon delivery to the Trustee of an Officers' Certificate and an Opinion of Counsel that such release of a Note Guarantee complies with this Indenture, the Trustee shall execute and deliver such instrument reasonably requested by the Company evidencing such release and discharge in respect of the applicable Note Guarantee.

(c) In the event that any released Guarantor (in the case of clause (a)(2) and (a)(3) above) that is a Domestic Subsidiary (other than an Excluded Subsidiary) thereafter borrows money or guarantees Indebtedness under the Term Loan Facility or the ABL Facility or guarantees any other Material Indebtedness of the Company or Guarantors, such former Guarantor will again provide a Note Guarantee.

(2) (A) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the giving of a notice of redemption, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company, and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee, as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient, as confirmed, certified or attested to by an Independent Financial Advisor in writing to the Trustee, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption, as the case may be;

(B) no Default or Event of Default has occurred and is continuing on the date of such deposit or will occur as a result of such deposit (other than a Default or an Event of Default resulting from the borrowing of funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) and the deposit will not result in a breach or violation of, or constitute a default under, the Senior Credit Facilities or any other material agreement or material instrument (other than this Indenture) to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(C) the Company or any Guarantor has paid or caused to be paid all sums payable by the Company under this Indenture; and

(D) the Company has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be.

(b) In addition, the Company shall deliver to the Trustee an Officers' Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, the provisions of Sections 7.07, 8.06 and 11.02 shall survive.

Section 11.02 Application of Trust Money.

(a) Subject to the provisions of Section 8.06, all money deposited with the Trustee pursuant to Section 11.01 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest for whose payment such money has been deposited with the Trustee, but such money need not be segregated from other funds except to the extent required by law.

(b) If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture, the Notes and the Note Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01; *provided* that if the Company has made any payment of principal, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent, as the case may be.

(c) *Book-Entry Provisions.* This Section 2.1(c) shall apply only to a Global Note deposited with or on behalf of the Depository.

The Company shall execute and the Trustee shall, in accordance with this Section 2.1(c) and Section 2.02 of this Indenture and pursuant to an order of the Company signed by one Officer of the Company, authenticate and deliver initially one or more Global Notes that (i) shall be registered in the name of the Depository for such Global Note or Global Notes or the nominee of such Depository and (ii) shall be delivered by the Trustee to such Depository or pursuant to such Depository's instructions or held by the Trustee as Custodian.

Members of, or participants in, the Depository ("*Agent Members*") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository or by the Trustee as Custodian or under such Global Note, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(d) *Definitive Notes.* Except as provided in Section 2.2 or Section 2.3 of this Appendix A, owners of beneficial interests in Global Notes shall not be entitled to receive physical delivery of Definitive Notes.

Section 2.2 *Transfer and Exchange.*

(a) *Transfer and Exchange of Definitive Notes for Definitive Notes.* When Definitive Notes are presented to the Registrar with a request:

- (i) to register the transfer of such Definitive Notes; or
- (ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided, however,* that the Definitive Notes surrendered for transfer or exchange:

(1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(2) in the case of Transfer Restricted Notes, they are being transferred or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to Section 2.2(b) of this Appendix A or otherwise in accordance with the Restricted Notes Legend, and are accompanied by a certification from the transferor in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto.

(b) *Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note.* A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, together with:

(i) a certification from the transferor in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto; and

(ii) written instructions directing the Trustee to make, or to direct the Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depository account to be credited with such increase,

the Trustee shall cancel such Definitive Note and cause, or direct the Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so canceled. If the applicable Global Note is not then outstanding, the Company shall issue and the Trustee shall authenticate, upon an Authentication Order, a new applicable Global Note in the appropriate principal amount.

(c) Transfer and Exchange of Global Notes.

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository, in accordance with this Indenture (including applicable restrictions on transfer set forth in Section 2.2(d) of this Appendix A, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver to the Registrar a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in such Global Note, or another Global Note and such account shall be credited in accordance with such order with a beneficial interest in the applicable Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix A (other than the provisions set forth in Section 2.3 of this Appendix A), a Global Note may not be transferred except as a whole and not in part if the transfer is by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(d) Restrictions on Transfer of Global Notes; Voluntary Exchange of Interests in Transfer Restricted Global Notes for Interests in Unrestricted Global Notes.

(i) Transfers by an owner of a beneficial interest in a Rule 144A Global Note or an IAI Global Note to a transferee who takes delivery of such interest through another Transfer Restricted Global

Note shall be made in accordance with the Applicable Procedures and the Restricted Notes Legend and only upon receipt by the Trustee of a certification from the transferor in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto. In addition, in the case of a transfer of a beneficial interest in either a Regulation S Global Note or a Rule 144A Global Note for an interest in an IAI Global Note, the transferee must furnish a signed letter substantially in the form of *Exhibit B* to the Trustee.

(ii) During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures, the Restricted Notes Legend on such Regulation S Global Note and any applicable securities laws of any state of the United States of America. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Note to a transferee who takes delivery of such interest through a Rule 144A Global Note or an IAI Global Note shall be made only in accordance with the Applicable Procedures and the Restricted Notes Legend and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period. Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of this Indenture.

(iii) Upon the expiration of the Distribution Compliance Period, beneficial interests in the Regulation S Global Note may be exchanged for beneficial interests in an Unrestricted Global Note upon certification in the form provided on the reverse side of the Form of Note in *Exhibit A* for an exchange from a Regulation S Global Note to an Unrestricted Global Note.

(iv) Beneficial interests in a Transfer Restricted Note that is a Rule 144A Global Note or an IAI Global Note may be exchanged for beneficial interests in an Unrestricted Global Note upon certification in the form provided on the reverse side of the Form of Note in *Exhibit A* for an exchange from a Rule 144A Global Note to an Unrestricted Global Note and/or upon delivery of such legal opinions, certifications and other information as the Company or the Trustee may reasonably request.

(v) If no Unrestricted Global Note is outstanding at the time of a transfer contemplated by the preceding clauses (iii) and (iv), the Company shall issue and the Trustee shall authenticate, upon an Authentication Order, a new Unrestricted Global Note in the appropriate principal amount.

**TTM Announces Early Tender Results of Cash Tender Offer and Consent Solicitation For Any and All Of Its 5.625% Senior Notes Due 2025
And Receipt of Requisite Consents**

SANTA ANA, Calif., March 09, 2021 (GLOBE NEWSWIRE) — TTM Technologies, Inc. (NASDAQ:TTMI) (“TTM”) announced today the early tender results as of 5:00 p.m., New York City time, on March 8, 2021 (the “Early Tender Deadline”) of its previously announced tender offer (the “Tender Offer”) to purchase for cash any and all of its outstanding \$375 million aggregate principal amount of 5.625% Senior Notes due 2025 (the “Notes”).

In connection with the Tender Offer, TTM also announced the results as of the Early Tender Deadline of its previously announced solicitation of consents (the “Consents”) from holders of the Notes (the “Consent Solicitation”) to the proposed amendment to the indenture, dated as of September 28, 2017, governing the Notes (as amended or supplemented, the “Indenture”), to shorten the minimum notice period for the optional redemption of the Notes by TTM from 30 calendar days to three business days (the “Proposed Amendment”).

The terms and conditions of the Tender Offer and Consent Solicitation are described in an Offer to Purchase and Consent Solicitation Statement, dated February 23, 2021 (the “Offer to Purchase and Consent Solicitation Statement”).

The aggregate principal amount of Notes validly tendered and not validly withdrawn at or prior to the Early Tender Deadline (the “Early Tender Notes”), as well as the percentage of the aggregate principal amount of Notes outstanding constituting Early Tender Notes, is set forth in the columns entitled “Aggregate Principal Amount of Early Tender Notes” and “Percentage of Outstanding Principal Amount Tendered,” respectively, in the table below. The consideration being offered for any such Early Tender Notes accepted for purchase in the Tender Offer and Consent Solicitation is also set forth in the table below:

<u>CUSIP/ISIN</u>	<u>Outstanding Principal Amount</u>	<u>Title of Notes</u>	<u>Aggregate Principal Amount of Early Tender Notes</u>	<u>Percentage of Outstanding Principal Amount Tendered</u>	<u>Early Tender Payment⁽¹⁾ (2)</u>	<u>Tender Offer Consideration⁽¹⁾ (3)</u>	<u>Total Consideration⁽¹⁾ (3)</u>
<i>Regulation 144A Global Note:</i> CUSIP: 87305RAH2 ISIN: US87305RAH21	US\$375,000,000	5.625% Senior Notes due October 1, 2025	\$247,186,000	65.92%	\$ 50.00	\$ 979.30	\$ 1,029.30
<i>Regulation S Global Note:</i> CUSIP: U8729LAB9 ISIN: USU8729LAB90							
<i>IAI Global Note:</i> CUSIP: 87305RAJ8 ISIN: US87305RAJ86							

- (1) Per \$1,000 principal amount of Early Tender Notes accepted for purchase.
(2) Included in the Total Consideration for Early Tender Notes accepted for purchase.
(3) Does not include accrued and unpaid interest that will be paid on the Early Tender Notes accepted for purchase.

The Tender Offer and Consent Solicitation will expire at Midnight, New York City time, at the end of March 22, 2021, unless extended or earlier terminated by TTM (the “Expiration Date”). No tenders submitted after the Expiration Date will be valid. Subject to the terms and conditions of the Tender Offer, holders of the Early Tender Notes will receive the Total Consideration set forth in the table above, which includes the Early Tender Payment set forth in the table above. Holders of Notes tendering their Notes after the Early Tender Deadline and prior to the Expiration Date will only be eligible to receive the Tender Offer Consideration set forth in the table above, which is the Total Consideration less the Early Tender Payment.

The Early Settlement Date (as defined in the Offer to Purchase and Consent Solicitation Statement) for the Early Tender Notes is currently expected to be on March 10, 2021. Any Notes validly tendered and related consents validly delivered after the Early Tender Deadline may not be withdrawn or revoked, except as required by law.

In addition, holders of all Notes validly tendered and accepted for purchase pursuant to the Tender Offer will receive accrued and unpaid interest on such Notes from the last interest payment date with respect to such Notes to, but excluding, the Early Settlement Date.

TTM’s obligations to accept Notes and Consents on the Early Settlement Date are subject to, and conditioned upon, the satisfaction or waiver of certain conditions described in the Offer to Purchase and Consent Solicitation Statement, including, among other things, TTM consummating the previously announced private offering of \$500 million in aggregate principal amount of its 4.000% senior notes due 2029 (the “New Debt Financing”) on terms satisfactory to it, and having funds available therefrom, together with cash on hand, that will allow it to purchase the Notes pursuant to the Tender Offer.

In addition, because TTM received Consents in respect of a majority of the aggregate principal amount of the Notes then outstanding (the “Requisite Consents”) as of the Early Tender Deadline, TTM expects to execute and deliver a supplemental indenture to the Indenture giving effect to the Proposed Amendment. The Proposed Amendment is expected to become operative on the Early Settlement Date, after which TTM intends to issue a notice of redemption to redeem all of the Notes not purchased pursuant to the Tender Offer and Consent Solicitation on the Early Settlement Date. The redemption date with respect to such notice of redemption is expected to be March 15, 2021.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale would be unlawful. This press release shall not constitute a notice of redemption under the Indenture or an obligation to issue a notice of redemption.

J.P. Morgan Securities LLC is the dealer manager and solicitation agent (the “Dealer Manager”) in the Tender Offer and Consent Solicitation. D.F. King & Co. has been retained to serve as both the depository and the information agent (the “Depository and Information Agent”) for the Tender Offer and Consent Solicitation. None of TTM, its board of directors, the Dealer Manager, the Depository and Information Agent, the Trustee under the Indenture, the Paying Agent under the Indenture or the Registrar and Transfer Agent under the Indenture or any of TTM’s affiliates, makes any recommendation as to whether holders of the Notes should tender any Notes in response to the Tender Offer and Consent Solicitation. The Tender Offer and Consent Solicitation are made only by the Offer to Purchase and Consent Solicitation Statement. The Tender Offer and Consent Solicitation are not being made to holders of Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, blue sky or other laws of such jurisdiction. In any jurisdiction in which the Tender Offer and Consent Solicitation are required to be made by a licensed broker or dealer, the Tender Offer and Consent Solicitation will be deemed to be made on behalf of TTM by the Dealer Manager or one or more registered brokers or dealers that are licensed under the laws of such jurisdiction.

SANTA ANA, Calif., March 10, 2021 (GLOBE NEWSWIRE) — TTM Technologies, Inc. (NASDAQ:TTMI) (“TTM”) announced today the completion of its previously announced private offering of \$500 million in aggregate principal amount of its 4.000% senior notes due 2029 (the “Notes”) in a private offering exempt from registration under the Securities Act of 1933, as amended (the “Securities Act”). The Notes are senior unsecured obligations of TTM and are guaranteed by TTM’s subsidiaries that guarantee its obligations under its term loan due September 2024 and its U.S. asset-based revolving credit facility (the “U.S. ABL Facility”), subject to certain exceptions. TTM also announced today the early settlement of its cash tender offer (the “Tender Offer”) for any and all of TTM’s outstanding 5.625% Senior Notes due 2025 (the “Existing Notes”).

Pursuant to early settlement of the Tender Offer, TTM accepted for purchase today an aggregate principal amount of \$247,186,000, representing approximately 65.92%, of the Existing Notes. In connection with the Tender Offer, TTM received consents in respect of a majority of the aggregate principal amount of the Existing Notes approving an amendment to the indenture governing the Existing Notes to shorten the minimum notice period for the optional redemption of the Existing Notes by TTM from 30 calendar days to three business days. As a result, TTM also today called for the optional redemption of all Existing Notes that remain outstanding following the early settlement of the Tender Offer, with an expected redemption date of March 15, 2021 (the “Redemption”).

TTM used a portion of the net proceeds from the offering of the Notes to fund the early settlement of the Tender Offer, and intends to use the remaining net proceeds to (i) fund in full the Redemption, (ii) repay the full amount outstanding under the U.S. ABL Facility (but not terminate the commitments thereunder) and (iii) pay related premiums, fees and expenses. TTM intends to use any unused portion of such remaining net proceeds for general corporate purposes.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any Notes, nor shall there be any sales of the Notes in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. This press release is not an offer to purchase or the solicitation of an offer to sell any of the Existing Notes.
