

TTM Technologies Inc. to present at 14th Annual Needham Growth Conference on January 12th, 2012

January 3, 2012 10:42 AM ET

for immediate release

SANTA ANA, CA - January 3, 2012 - TTM Technologies, Inc. (Nasdaq: TTMI), a leading manufacturer of time-critical, technologically advanced printed circuit boards, will participate in the 14th Annual Needham Growth Conference on Thursday, January 12, 2012 at 8:00 a.m. Eastern time. The conference is being held at the New York Palace Hotel in New York City.

Kent Alder, President and CEO, and Steve Richards, CFO, will discuss TTM's successful strategy and its ability to capture market share in the printed circuit board industry.

The presentation will be webcast on the company's website, www.ttmtech.com, and will remain accessible for one week following the event.

TTM Technologies, Inc. is a major global printed circuit board manufacturer, focusing on quick-turn and technologically advanced PCBs and the backplane and sub-system assembly business. TTM stands for time-to-market, representing how the company's time-critical, one-stop manufacturing services enable customers to shorten the time required to develop new products and bring them to market. Additional information can be found at www.ttmtech.com.
