

## **TTM Technologies, Inc. Recognized By Lutron As A Preferred Supplier**

June 11, 2015 11:35 AM ET

### ***for immediate release***

Costa Mesa, CA - June 11, 2015 - TTM Technologies, Inc. (Nasdaq: TTMI), a leading global printed circuit board (PCB) manufacturer and custom electronic assembly provider, today announced that its manufacturing facility located in Toronto, Ontario, Canada received a 2014 Preferred Supplier award from Lutron for outstanding performance in quality, delivery and service over four consecutive quarters in 2014.

"On behalf of TTM Technologies and our entire team at the Toronto factory, we would like to thank Lutron for this award and recognition and also for the many years of business. We are committed to our successful relationship and will continue to work hard to provide the highest level of quality and service available," said Jon Pereira, Senior Vice President of TTM's High Reliability Business Unit.

### **About TTM Technologies**

TTM Technologies, Inc. is a major global printed circuit board manufacturer, focusing on quick-turn and technologically advanced PCBs, backplane assemblies and electro-mechanical solutions. TTM stands for time-to-market, representing how TTM's time-critical, one-stop manufacturing services enable customers to shorten the time required to develop new products and bring them to market. Additional information can be found at [www.ttm.com](http://www.ttm.com).

### **About Lutron Electronics**

Founded in 1961, Lutron Electronics is headquartered in Coopersburg, Pennsylvania, in the heart of the Lehigh Valley. From dimmers for the home, to lighting management systems for entire buildings, the company offers more than 17,000 energy-saving products, sold in more than 100 countries around the world. In the US alone, Lutron products save an estimated 10 billion kWh of electricity, or approximately \$1 billion in utility costs per year. The company's early inventions including the first solid-state dimmer invented by Lutron's founder, Joel Spira are now at the Smithsonian's National Museum of American History in Washington, DC.
