

TTM Technologies, Inc. To Present At The Stifel Nicolaus Technology & Telecom Conference On February 9, 2012

February 3, 2012 10:37 AM ET

for immediate release

SANTA ANA, CA - February 3, 2012 - TTM Technologies, Inc. (Nasdaq: TTMI), a leading manufacturer of time-critical, technologically advanced printed circuit boards, will participate in the Stifel Nicolaus Technology and Telecom Conference on Thursday, February 9, 2012 at 1:05 p.m. Pacific time. The conference is being held at the St. Regis Monarch Beach Resort, Dana Point, California.

Kent Alder, President and CEO, and Steve Richards, CFO, will discuss TTM's successful strategy and its ability to capture market share in the printed circuit board industry.

The Q & A session will be webcast on the company's website, www.ttmtech.com, and will remain accessible for one week following the event.

TTM Technologies, Inc. is a major global printed circuit board manufacturer, focusing on quick-turn and technologically advanced PCBs and the backplane and sub-system assembly business. TTM stands for time-to-market, representing how the company's time-critical, one-stop manufacturing services enable customers to shorten the time required to develop new products and bring them to market. Additional information can be found at www.ttmtech.com.
